CASE SYNOPSIS / REVISIONS

CASE SYNOPSIS:

On October 27, at 1108 hours, Lieutenant Paul RORRISON #4305 contacted Detective Sergeant Paul CONLEY #4673 regarding an Officer Involved Shooting investigation at 4875 North Harbor Drive. Lieutenant RORRISON stated a Harbor Patrol officer had been involved in a shooting of a male in a parking lot adjacent to the Holiday Inn Hotel. The male died from his injuries and was not transported. Lieutenant RORRISON directed Homicide Team IV to report to the scene and investigate the shooting incident.

PATROL BRIEFING:

On October 28, 2015, at 0119 hours, Sergeant Andrea MEYERS #6221 provided a briefing on the incident. Sergeant MEYERS stated at 2251 hours on October 27th, 2015, San Diego Police Communications received a call from Harbor Police Communications informing SDPD of a "10-88" (Request for Cover) at 4875 N. Harbor Drive. Officer Sulimoni AHFOOK #5216 first arrived on scene at 2246 hours (and was the officer requesting cover). The decedent had not been identified. He was described as an African-American male, approximately mid-thirties in age.

Paramedic Unit 1 and Engine 22 arrived on scene to perform life saving measures. Paramedic Unit 1 was staffed by Andrew DELGADILLO #P12135 and Trevor ZACK #I2093. The African-American male was pronounced deceased by Paramedic CASCIO #301617 (Engine 22) at 2306 hours. The decedent was located at the north-end parking lot of the Holiday Inn Hotel.

Officer AHFOOK contacted the decedent because he believed he was casing vehicles. The decedent engaged Officer AHFOOK and grabbed his handgun while it was holstered. The decedent used both hands and attempted to pull the handgun out from Officer AHFOOK's holster.

During the struggle, Officer AHFOOK and the decedent fell to the ground. While on the

ground, the decedent took control of Officer AHFOOK's taser and fired it at the back of Officer AHFOOK's neck. Officer AHFOOK was able to fight through the taser (hit) and was able to create a small distance between him and the decedent. Officer AHFOOK stood up, un-holstered his weapon and fired one round at the decedent. The decedent was struck once in the chest area.

A Harbor Police officer photographed CPR efforts being performed. A Harbor Police Traffic Unit is equipped with a "dash cam" and captured life saving measures upon arrival.

Vehicle 9211 was moved from its original location in order for Fire Department personnel to gain access to the decedent. Officer AHFOOK's vehicle (9218) was parked along the curb east of the north parking lot entrance.

Prior to Officer AHFOOK making contact with the decedent, there was a radio call of an African-American male causing a disturbance at a Holiday Inn.

Officer AHFOOK was transported to UCSD Hospital and was treated for minor injuries. Harbor Police officers checked the area for witnesses and none were found. Harbor Police Officer Michael WHITTAKER #3929 took photos of emergency personnel performing CPR on the decedent.

Sergeant MEYERS spoke with Officer AHFOOK and obtained the above initial statement prior to being transported to UCSD Hospital.

The briefing ended at 0135 hours on October 28th, 2015.

SHOOTING SCENE:

The shooting scene is located in the City of San Diego. The area is serviced by the San Diego Police Department's Western Patrol Division. This area is also patrolled by the San Diego Harbor Police due to the proximity to the harbor port area. The shooting scene is located in the parking lot adjacent to the Holiday Inn located at 4875 North Harbor Drive. This is a private parking lot and is located on the west side of the hotel. There is a four way intersection that has been recently constructed where the entrance to the parking lot is accessed.

Within this parking lot is where the initial altercation took place and the shooting occurred. The decedent was not transported and was still in this parking lot covered with a yellow blanket. There were several items of evidence located within the shooting scene to include one .40mm casing, Officer AHFOOK's taser, the back-strap to Officer AHFOOK's handgun and Officer AHFOOK's knife sheath. There were also numerous items of medical intervention around the decedent's body due to life saving measures.

INVESTIGATION:

Homicide Team IV responded to the scene and began their investigation after the patrol briefing. Detective AI LOZANO #4819 was assigned to conduct the crime scene investigation along with Crime Scene Specialist Karen McDONALD #8161 who was assigned to take scene photographs and collect evidence. Detective LOZANO documented the crime

the crime scene by taking measurements and collecting various items of evidence. Criminalists Marybeth SCIARRETTA and Frank HEALY were also assigned to conduct a crime scene re-construction investigation in conjunction with Detective LOZANO's investigation.

After the scene investigation was completed, Sergeant CONLEY called the Medical Examiner's Office to examine and remove the decedent from the scene. Doctor Christine DILORETTO responded with her body removal technicians and conducted an examination of the body. During her examination, a search was conducted in an effort to identify the decedent. No identification was located and the decedent appeared to be transient. In a further examination of the body, investigators located two taser barbs attached to the decedent's clothing. One was located near the front of the decedent's pants near the left pocket and the second was located in the lower part of his shirt. The taser wires were still attached to the taser within the scene. The decedent also had one gunshot wound under his left armpit area that appeared to enter his chest cavity. After the examination at the scene, the decedent was bagged by the body removal technicians and transported to the Medical Examiner's Office for an autopsy.

Detectives Jon DUNGAN #6137 and Juan CISNEROS #5811 were assigned to interview the witnesses in the area who heard/saw the incident. During the briefing there were no witnesses identified to the actual incident, however it was learned later the decedent had an earlier altercation a block from the crime scene with a security guard. Detectives Jon DUNGAN and CISNEROS made contact with the security guard who had the altercation and documented the incident. Detectives DUNGAN and CISNEROS also conducted checks of the surrounding businesses for video surveillance of the incident. No video was located that captured the shooting or the events leading up to the contact of the decedent.

Detective Kim COLLIER #5537 was sent to the hospital to make contact with Officer AHFOOK and collect his clothing. Crime Scene Specialist McDONALD accompanied Detective COLLIER in the collection and took photographs of Officer AHFOOK's injuries. No interview was conducted with Officer AHFOOK at that time by Detective COLLIER and Officer AHFOOK was present with his police attorney.

Sergeant CONLEY and Lieutenant RORRISON were unable to conduct an interview with Officer AHFOOK the evening of the incident due to pain medication Officer AHFOOK had been administered. Lieutenant RORRISON coordinated with POA Attorney Amy GORDON to facilitate and interview at a later date.

On October 28, 2015, Detective LOZANO attended the autopsy of the male removed from the shooting scene at this time identified only as "John DOE." Fingerprints were obtained from the decedent in an effort to identify him. The fingerprints were run through the Cal-ID system which identified the male as Anthony Lynell ASHFORD with the date of birth of November 29, 1985.

Detective COLLIER conducted a records check on ASHFORD which revealed he had an extensive criminal history. ASHFORD's record revealed he had numerous assault cases involving police and custodial personnel. ASHFORD's history also revealed he had a history of mental illness and had been committed to mental facilities while in-custody.

OFFICER INTERVIEW:

On October 30, 2015, Sergeant CONLEY and Lieutenant RORRISON coordinated with POA attorney Amy GORDON to facilitate an interview with Officer AHFOOK. Officer AHFOOK was unable to be interviewed the night of the incident due to his injuries and pain medication he was given at the hospital. Officer AHFOOK agreed to give a voluntary statement with his attorney present. Sergeant CONLEY and Lieutenant RORRISON conducted the interview in the conference room on the 7th floor. The interview was audio recorded and impounded. Officer AHFOOK stated the following series of events as it related to first making contact with ASHFORD through the shooting event.

Officer AHFOOK stated he first observed the male, later identified as Anthony ASHFORD, in a parking lot across the street from the Holiday Inn. According to Officer AHFOOK, ASHFORD was looking into vehicles and appeared to be "casing" the cars for burglaries. Officer AHFOOK believed ASHFORD's activity was suspicious and decided to drive into the lot to investigate.

Officer AHFOOK drove up to ASHFORD and asked how he was doing to gauge his reaction to police presence. ASHFORD looked at Officer AHFOOK and had no reaction and did not say anything. At this point, Officer AHFOOK did not exit his patrol vehicle and drove off in an effort to further observe ASHFORD's activities. Officer AHFOOK drove across the street back to the Holiday Inn and tried to re-acquire ASHFORD's location in the parking lot he'd just left him. Officer AHFOOK did not see where ASHFORD went until he observed him cross the street towards his location near the Holiday Inn Hotel.

Officer AHFOOK followed ASHFORD (observing and trailing him from his police vehicle) to see again if ASHFORD reacted to his police presence. ASHFORD looked at Officer AHFOOK, but seemed to ignore him and continued to walk away. At this point, Officer AHFOOK feels ASHFORD's reaction is suspicious and decides to contact him for casing vehicles based on his earlier observations. Officer AHFOOK drove past ASHFORD in his marked patrol vehicle in case ASHFORD tried to run upon him making contact. Officer AHFOOK put out on the radio he was attempting to contact ASHFORD.

Officer AHFOOK identified himself and attempted to contact ASHFORD telling ASHFORD he needed to talk to him. ASHFORD ignored Officer AHFOOK and continued walking away. Officer AHFOOK again thinks ASHFORD's actions are strange and not normal, so in order to make sure ASHFORD knows he is a police officer, Officer AHFOOK walked past ASHFORD and got in front of him. Officer AHFOOK again identified himself and tells ASHFORD he needed to talk to him (about his earlier observations). ASHFORD continues to ignore Officer AHFOOK and side-steps him as he walks away.

At this point, Officer AHFOOK is alert ASHFORD had his hands in his pockets as he is ignoring him and walking away. Officer AHFOOK decides to stop the male by grabbing him as he walks away and describes his grab technique as "locking" ASHFORD's elbows in place from behind. As Officer AHFOOK grabs ASHFORD, ASHFORD spins and is now face to face with Officer AHFOOK. Officer AHFOOK stated since he is involved in defensive tactics as an instructor and is a "close up" type fighter, he decided to "body lock" ASHFORD and

and take him to the ground.

When Officer AHFOOK had a hold of ASHFORD, he immediately felt a tug on his holster. Officer AHFOOK now had a concern about his weapon being taken and weapon retention and changes his plan to secure his gun with both his hands. As Officer AHFOOK tries to retain his weapon from ASHFORD, he realizes ASHFORD has both his hands on his gun and there is a "tug of war" over the weapon in Officer AHFOOK's holster.

During the struggle, Officer AHFOOK attempted to rotate his hips to shake ASHFORD off as he had been taught in his defensive tactics courses, but ASHFORD continued to struggle with Officer AHFOOK to take his weapon. As the struggle continues, Officer AHFOOK realized ASHFORD is now trying to pull the weapon out of the holster in an upward motion and Officer AHFOOK said he realized what is happening and becomes scared for his life. Officer AHFOOK said he could feel himself becoming exhausted and during the continuous struggle for the weapon the fight eventually went to the ground.

When Officer AHFOOK and ASHFORD go to the ground, Officer AHFOOK hits his head on the pavement. On the ground, Officer AHFOOK looked directly at the suspect and told him to let go of his weapon. At this point, Officer AHFOOK said he could feel ASHFORD try to gain leverage by bringing his knee up to Officer AHFOOK's chest area while still trying to take his gun. Officer AHFOOK commented he could not believe how strong ASHFORD was for being so skinny.

At some point during the struggle, Officer AHFOOK is able to roll on top of ASHFORD in an attempt to gain the upper hand in the fight. Officer AHFOOK ended up in a "straddling" position on top of ASHFORD who was still trying to take his weapon. While Officer AHFOOK is on top of ASHFORD, he is able to free one hand to call for cover units to respond. Officer AHFOOK and ASHFORD still continue to struggle on the ground.

While Officer AHFOOK and ASHFORD are on the ground, Officer AHFOOK felt a "numbing" in his whole body and described it like "electricity" going through him. Officer AHFOOK first thought he'd been shot and did not realize he was being tased (by ASHFORD). Officer AHFOOK did not know or remember how ASHFORD gained control of his taser and actually thought there may have been a second suspect he didn't see assisting ASHFORD.

Officer AHFOOK was able to overcome the pain he felt from the effects of the taser and eventually pushed and separated himself from ASHFORD. As Officer AHFOOK gained separation, he saw ASHFORD with his taser still in his hands and ordered him to drop it. ASHFORD refused and Officer AHFOOK fired one shot fearing he would be tased again. The round fired struck ASHFORD and he fell to the ground. Officer AHFOOK immediately began CPR on ASHFORD. Additional Harbor Units arrived and took over life saving measures.

On November 2, 2015, the Officer Involved Shooting case was presented to the Special Operations Division of the District Attorney's office. The San Diego Police Department is awaiting the outcome of their finding.

OTHER ENTITIES**PROPERTY****REPORT NARRATIVE**

On 10/27/2015, Officer Ahfook contacted a, (yet to be identified), Black Male Adult in the area of 4900 North Harbor Dr. Officer Ahfook and the Suspect became involved in a physical altercation where ultimately an officer involved shooting occurred. The suspect was pronounced dead at the scene by paramedics. Harbor Police Officers secured the crime scene and provided reports of their actions while on scene, (see individual officer reports that are attached.) San Diego Police Department Homicide Team responded and took over the investigation. See their case # 15-100053009.

Responding from home, I arrived at the crime scene on 10/28/2015 at 0100 hrs. While on scene, I participated in the crime scene brief conducted by the Officer Involved Shooting Team. I also assisted with resource allocation for crime scene management. I also observed, but did not participate in, the processing of the crime scene and the body. After the body was taken by the Medical Examiner, I assisted with the taking down of the crime scene. The crime scene cleaners arrived and finished cleaning up all biohazards at 0755 hrs. at which time the crime scene was taken down all officers were released from the scene.

Call Out:

On October 28, 2015, at approximately 2311 hours, I received a call from Detective Sergeant Paul CONLEY # 4673 from SDPD Homicide Team IV instructing me to respond to 4800 N. Harbor Drive to investigate an Officer Involved Shooting involving a Harbor Police officer. I was off duty and at home when I received the phone call. I left home and drove straight to the scene.

While en route to the scene, I noted the sky was cloudy and the temperature was approximately 71 degrees (according to wunderground.com). I arrived at the scene at approximately 2355 hours. The scene

was located at the north parking lot of a Holiday Inn Hotel located at 4875 N. Harbor drive. The area is referred to as the Roseville/Fleet Ridge community of San Diego and is located in the San Diego Police service area beat 615.

When I arrived, I noticed uniformed patrol officers protecting the perimeter of the scene. The officers had access blocked off to vehicular and pedestrian traffic using patrol vehicles and police crime scene tape.

At the scene were several personnel from the San Diego Harbor Police Unit along with Sgt. Andrea MEYERS #6621 from SDPD. I learned one (1) Harbor Police officer was involved in the shooting and he had been transported to UCSD Medical Center. The officer was later identified as Sulimoni AHFOOK.

Homicide Personnel at Scene:

Lieutenant Paul RORRISON #4305, Sergeant Paul CONLEY #4673, Detectives Juan CISNEROS #5811, Kimberly COLLIER #5537, Jonathan DUNGAN #6137, and me. Present from the Crime Laboratory were Criminalist Supervisor Frank HEALY #83701, Criminalist Marybeth SCIARRETTA #8193, and Crime Scene Specialist Karen McDONALD #8161.

Outside Agencies Personnel:

Harbor Police Chief John BOLDUC #5527, Lieutenants James JORDAN #3216, Eric WOMACK #4123, Sergeant Joe PARRA #2751, Officer C. HARDY #5012 (Scribe) and District Attorney Investigator Robert LOBATO.

Briefing:

Sergeant Andrea MEYERS conducted the Homicide Briefing at 0119 hours. Sergeant MEYERS stated the following:

At 2251 hours, San Diego Police Communications received a call from Harbor Police Communications informing SDPD of a "10-88" (Request for Cover) at 4875 N. Harbor Drive.

Officer S. AHFOOK #5216 first arrived on scene at 2246 hours. The decedent had not been identified. He was described as an African-American male, approximately mid-thirties in age.

Paramedic Unit 1 and Engine 22 arrived on scene to perform life saving measures. Paramedic Unit 1 was staffed by Andrew DELGADILLO #P12135 and Trevor ZACK #12093. The African-American male was pronounced deceased by Paramedic CASCIO #301617 (Engine 22) at 2306 hours.

The decedent was located at the north-end parking lot of the Holiday Inn Hotel.

Officer AHFOOK contacted the decedent because he believed the decedent to be casing vehicles. The decedent engaged AHFOOK and grabbed AHFOOK's handgun while it was holstered. The decedent used both hands and attempted to pull the handgun out from AHFOOK's holster.

AHFOOK and the decedent fell to the ground. While on the ground, the decedent took control of AHFOOK's taser and fired the taser at the back of AHFOOK's neck. Officer AHFOOK was able to fight thorough the taser and was able to create a small distance between himself and the decedent. Officer AHFOOK stood up, un-holstered his weapon and fired one round at the decedent. The decedent was struck once in the chest area.

A Harbor Police officer photographed CPR efforts being performed. A Harbor Police Traffic Unit is equipped with a "dash cam" and captured life saving measures upon arrival.

Vehicle 9211 was moved from its original location in order for Fire Department personnel to gain access to the decedent. Officer AHFOOK's vehicle (9218) is parked along the curb east of the north parking lot entrance.

Prior to Officer AHFOOK making contact with the decedent, there was a radio call of an African-American male causing a disturbance at a Holiday Inn

Officer AHFOOK was transported to UCSD Hospital and was treated for minor injuries. Harbor Police officers checked the area for witnesses, none were found. Harbor Police Officer Michael WHITTAKER #3929 took photos of emergency personnel performing CPR on the decedent.

Sergeant MEYERS spoke with Officer AHFOOK and obtained his initial statement prior to being transported to UCSD Hospital.

The briefing ended at 0135 hours.

Scene Description:

Following the briefing, Sergeant CONLEY assigned me to conduct the crime scene investigation. Crime Scene Specialist Karen McDONALD, Criminalist Supervisor Frank HEALY, and Criminalist Marybeth SCIARRETTA assisted me with the investigation.

The Officer Involved Shooting (OIS) occurred at 4800 North Harbor Drive within the City of San Diego and falls in the service area of the Western Division patrol station. The beat number is 615 and the neighborhood is classified as Roseville/Fleet Ridge. 4800 N. Harbor Drive runs in an east/west direction. The shooting occurred in the private parking lot of 4875 N. Harbor Drive, Holiday Inn. The parking lot is on the north end of the hotel property.

A four-way intersection was recently constructed where the entrance to the north parking lot is. The construction allows for motorists to make U-turns and provides for an additional entrance to the businesses on the south-end of N. Harbor Drive.

The crime scene took place by the entrance to the north parking lot of the Holiday Inn. The decedent had not been transported to a medical facility and remained at scene covered with a yellow blanket. Several items of evidence were located at the crime scene to include a .40 caliber casing, a "back strap" to Officer's AHFOOK's service handgun, a nylon knife sheath, and a police X26 taser. Several items of medical intervention were also left behind inside the crime scene.

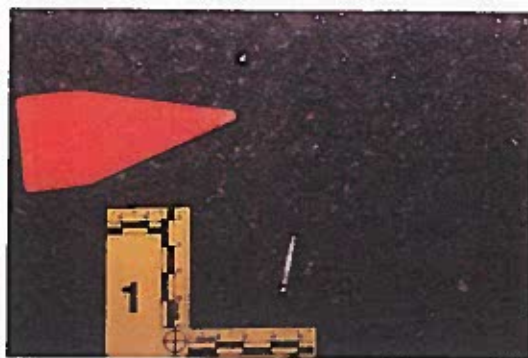

At approximately 0252 hours, Crime Scene Specialist MCDONALD began taking overall outdoor photographs of the crime scene.

During the course of the investigation, as evidence was located, each item was assigned a number. MCDONALD began placing placards on each item of evidence. Prior to the evidence being collected, when appropriate, close-up photographs were taken with the numbered placards in place. Measurements were obtained by using a roll-a-tape to measure distances. (See attached tables for measurements).

The photographs taken by MCDONALD depicted the scene as we found it. After my preliminary viewing, MCDONALD and I began processing the scene for evidence.

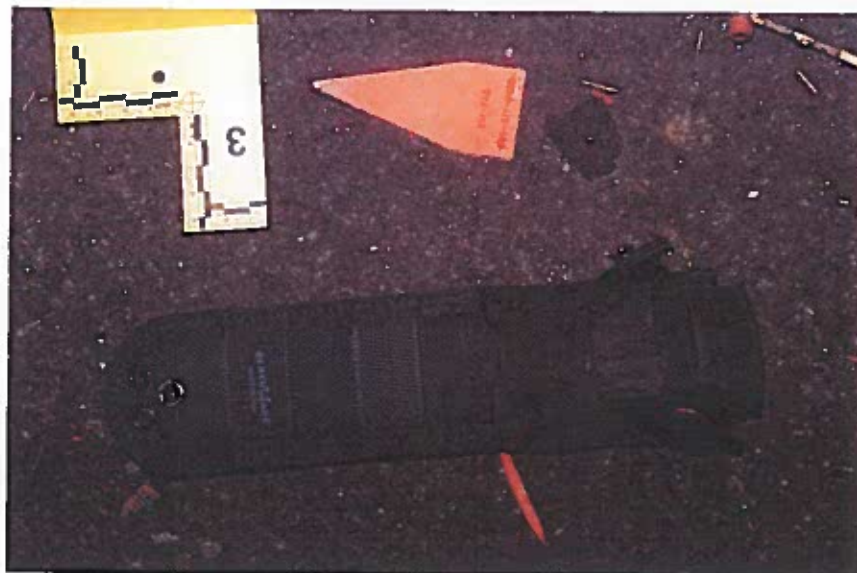

Item number 1 is an expended shell casing of a .40 caliber bullet. The casing was identified with placard number 1.

Item number 2 is "Back Strap" for a Glock Gen4 pistol. The back strap allows for a user to change the circumference of the grip to fit their individual hand size. The back strap was identified with placard number 2.

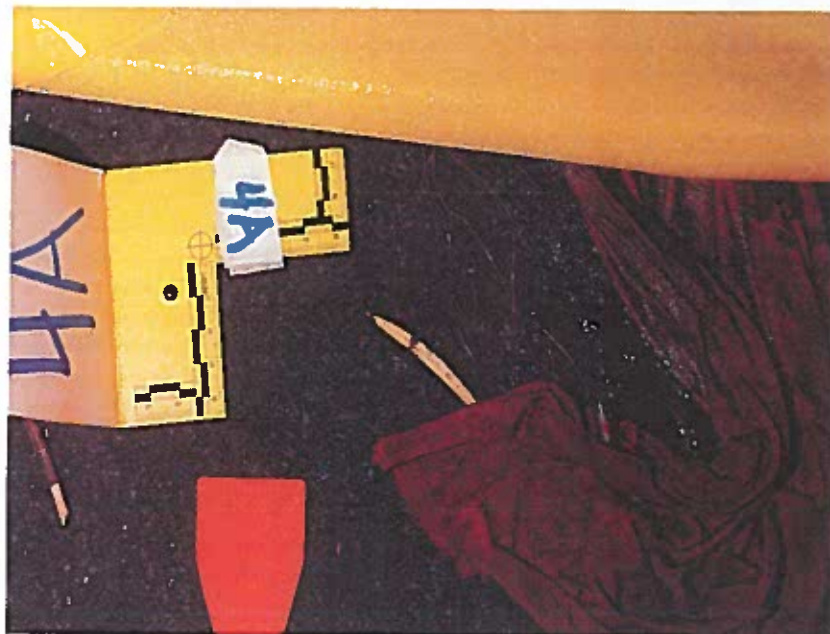

Item number 3 is identified as a Benchmade nylon knife sheath. The knife sheath was identified with placard number 3.

Item number 4 is a Taser International X26 Taser. The taser was identified with placard number 4.

Item 4A is an end of one of the taser barbs embedded in a red t-shirt worn by the decedent. The barb end is identified with placard number 4A.

Evidence Location Measurements:

RL1: East edge of north side walk of 4800 N. Harbor Drive

RL2: East curb line of entrance to the north parking lot of 4800 N. Harbor Drive.

	Right Foot	16'-7" N of RL1	14'-8" E of RL2

Officer's AHFOOK's handgun, gun belt, and a knife was recovered from the back of Harbor Police equipment number 9080, Lieutenant JORDAN's assigned vehicle. CSS MCDONALD photographed and impounded the items.

Officer AHFOOK did not provide an Officer Walk-Through because he had been transported to an area hospital for injuries sustained in the confrontation with Anthony ASHFORD.

At approximately 0355 hours, the following personnel from the Medical Examiner's Office arrived:

Investigator Susan STOLBERG #10
Dr. Robert STABLEY
Dr. Christina DILORETO (Fellow)

E. ARENAS and A. YANCY arrived from 92 Mike, Transporters.

After being briefed by Sergeant CONLEY of the events leading up to the Officer Involved Shooting, the yellow blanket was removed from the decedent. The decedent did not have any identification upon his person.

DILORETO and STOLBERG located two taser barbs attached to the decedent's clothing. One was located near the front of the decedent's pants near the left pocket and the second was located in the lower part of his shirt. The taser wires were still attached to the Officer AHFOOK's taser. One gunshot wound was located under the left armpit area of the decedent.

After Transporters ARENAS and YANCY bagged the hands, feet and head of the decedent, the decedent was encased in a white plastic body bag. The body bag was secured with a red tamper seal # 2390642. The seal deemed to be defective and was replaced with red tamper seal # 2390482. The decedent was labeled as "DOE, John" until he could be identified.¹

The members of the Medical Examiner's Office and the Transport team secured from the scene at approximately 0550 hours. Crime Scene Specialist MCDONALD and I secured at approximately 0600 hours.

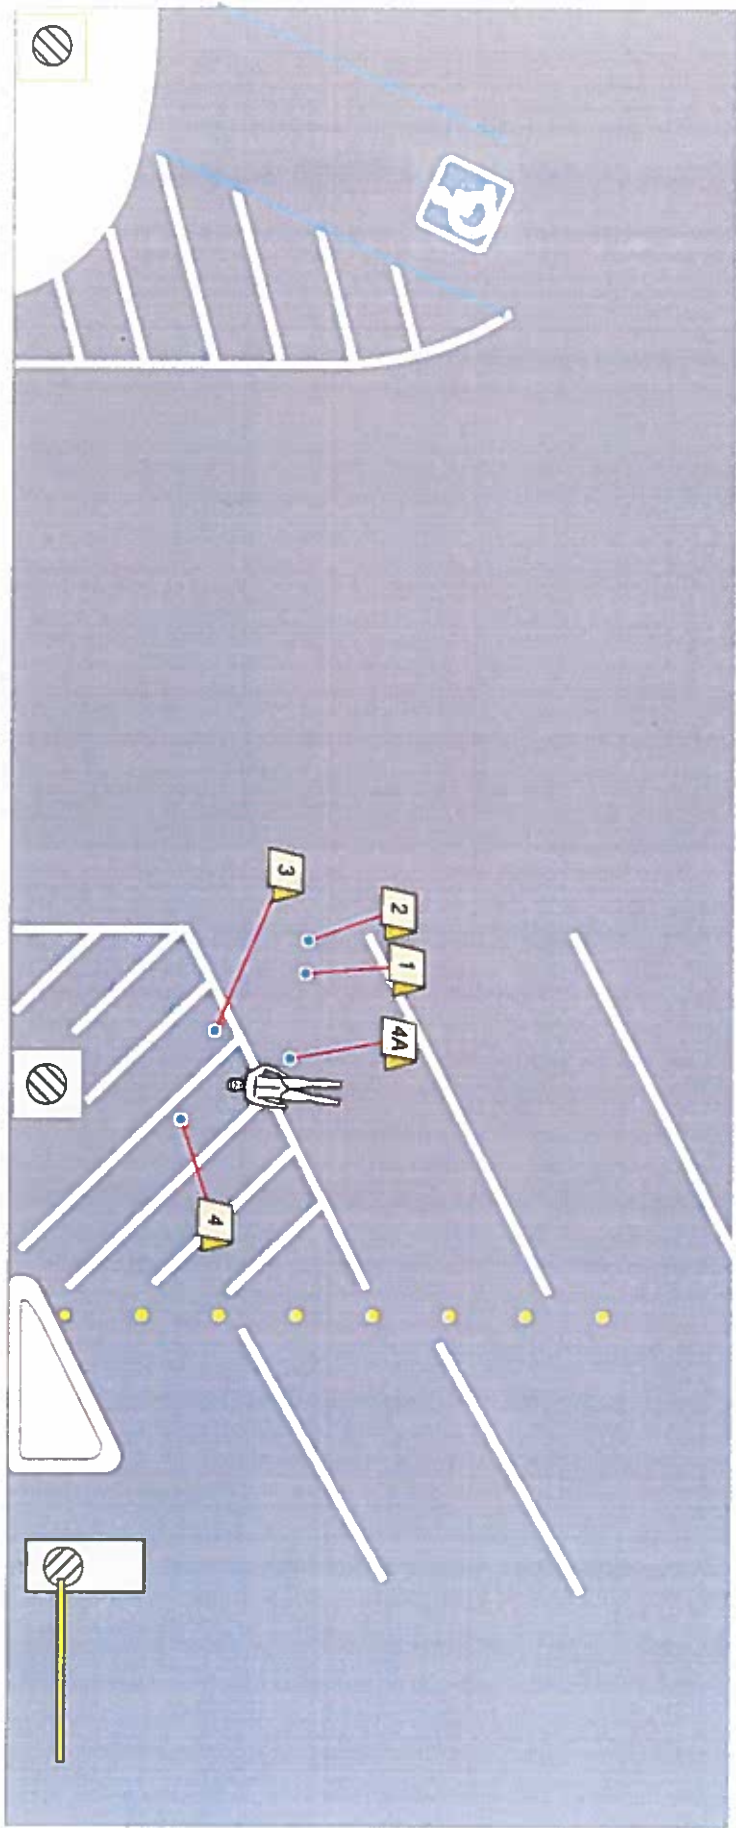

Reporting Detective A. Lozano I.D. 4819 Homicide Team: IV
Approved by: Sergeant P.D. Conley #4673 Date of this report: 11-11-2015 Time: 0900

¹ At approximately 0930 hours, a Post Mortem Examination was conducted by Dr. DILORETO. Fingerprints were obtained from the decedent and submitted to Cal-ID. The decedent was later identified as Anthony ASHFORD, 11/29/1985.

MORGUE SCENE:

On October 27, 2015 at approximately 0930 hours, Crime Scene Specialist MCDONALD, #8161, and I viewed the decedent who was lying supine on a table in the examining room at the San Diego County Medical Examiner's Office. At this time, the decedent was encased in a white zippered body bag. The body was identified in writing by an attached Medical Examiner's blue identification band, bearing the name "DOE, John" and "Case #15-2488". A red plastic seal bearing the number 2390482, closed the bag securely.

Dr. Christina DILORETO, a Deputy Medical Examiner Pathologist, was to perform the autopsy. Dr. STABLEY was the witnessing pathologist. Forensic Autopsy Assistant Fabian KING was scheduled to assist Dr. DILORETO.

DOE was x-rayed to determine the presence and location of any projectiles or broken bones.

At approximately 0933 hours, Crime Scene Specialist MCDONALD began taking overall photographs of the body bag in which DOE was encased. Dr. DILORETO broke the seal and opened the body bag. DOE was found wrapped in a white sheet. His head, hands and feet/shoes were bagged. Various items of medical intervention were attached to his person. He was also wearing several items of clothing. Crime Scene Specialist MCDONALD collected the sheet and took additional photographs of DOE in his present condition. The body bag was discarded.

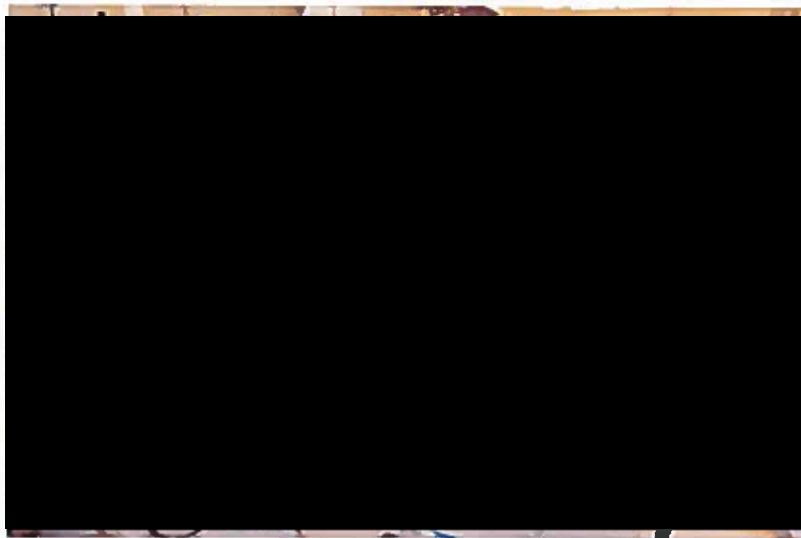

DOE was dressed the same and appeared to be in the same condition as when he left the scene on October 27, 2015. The plastic bags placed on the decedent's head, hands and shoes at the scene by the body removal team were still in place. The decedent was wearing a red t-shirt, brown pants, tennis shoes with no socks, and gray underwear.

Forensic Autopsy Assistant KING rolled a set of fingerprints from DOE and gave the print card to Detective J. CISNEROS #5811 to submit to the SDPD Records Division Cal-Id Section. The fingerprints were examined and the decedent's identification was revealed to be Anthony ASHFORD, 11/28/1985. The decedent will now be referred as ASHFORD instead of DOE, John.

At approximately 0947 hours, Forensic Autopsy Assistant King removed the paper bags from ASHFORD's head, hands and shoes. Crime Scene Specialist MCDONALD collected the bags. Dr.

DILORETO and Forensic Autopsy Assistant KING then removed ASHFORD's clothing. Dr. DILORETO examined the clothing and noted the following:

- ASHFORD was wearing a red t-shirt worn inside out. There was a large rip around the left armpit area. The left half of the t-shirt was soaked in blood. A barb to a police taser was embedded at the bottom of the shirt by the hem line.
- ASHFORD was wearing tan colored pants that were soiled and wet. ASHFORD was also wearing tennis shoes without socks, and gray underwear. A second barb to a police taser was also embedded into the waist line area of the trouser and went through to a pair of underwear.

After the examination of the clothing, Crime Scene Specialist MCDONALD collected the items.

At 0958 hours, Crime Scene Specialist MCDONALD collected head hair from ASHFORD.

At 1007 hours, Crime Scene Specialist MCDONALD conducted fingernail scrapings on the ASHFORD and collected the removed matter.

After the items of evidence were collected, Forensic Autopsy Assistant KING washed ASHFORD.

At approximately 1017 hours, after being washed, Crime Scene Specialist MCDONALD photographed ASHFORD in his present condition. I began to closely view the decedent.

The decedent appeared to be an African-American male appearing consistent to the identified age of 30 years. He was approximately 66 inches tall and weighed approximately 140 pounds. He had brown colored hair, and brown colored eyes

The face and head were viewed.

- No trauma was noted.

ASHFORD's neck was viewed.

- No trauma noted

ASHFORD's chest and abdomen were viewed.

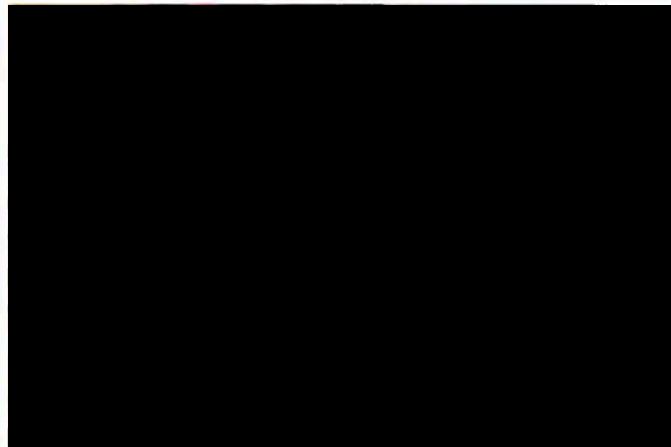

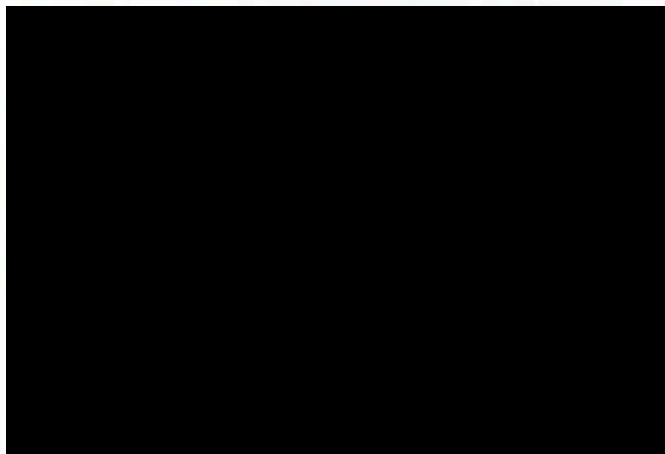

- No trauma noted.

ASHFORD's right shoulder, arm and hand were viewed.

- No trauma noted

ASHFORD's left shoulder, arm and hand were viewed.

- ASHFORD sustained a single gunshot wound to the upper-left arm leading to the torso.

ASHFORD's groin was viewed

- No trauma was noted.

ASHFORD's right leg and foot were viewed.

- There were abrasions to the knee.

ASHFORD's left leg and foot were viewed.

- There were abrasions to the knee.

ASHFORD's back and buttocks were viewed.

- No trauma was noted.

At this point, Dr. DILORETO proceeded with the autopsy. At the conclusion of the autopsy, Crime Scene Specialist MCDONALD collected the recovered evidence. For details regarding evidence recovered, please refer to Crime Scene Specialist MCDONALD's Evidence Report.

At approximately 1340 hours, Crime Scene Specialist MCDONALD and I cleared from the Medical Examiner's Office. Dr. DILORETA stated ASHFORD's cause of death was from a single gunshot

The following reference(s) were sampled for DNA analysis:

10547778 Anthony Ashford

CONCLUSIONS

The following samples were all DNA tested with the Globalfiler kit.

1) 10547607: Entire exterior surface of the taser gun (10547592)

Number of DNA contributors: 4 Ratio: 3:4:31:62

Inclusion(s): **Anthony Ashford (31%)**

Likelihood Ratio: **1.99×10^{16}**

10547608: Visible areas of the exterior of the braided leather-like holster of the taser gun on the officer's duty belt (10547600)

Number of DNA contributors: 4 Ratio: 2:11:23:64

Inclusion(s): **Anthony Ashford (23%)**

Likelihood Ratio: **7.26×10^{25}**

10547611: Visible areas of the exterior of the "GLOCK" holster on the officer's duty belt (10547600)

Number of DNA contributors: 4 Ratio: 5:5:43:46

Inclusion(s): **Anthony Ashford (46%)**

Likelihood Ratio: **1.66×10^{11}**

10547613: Visible areas of the exterior sides of the officer's duty belt (10547600)

Number of DNA contributors: 4 Ratio: 6:7:42:45

Inclusion(s): **Anthony Ashford (42%)**

Likelihood Ratio: **5.47×10^{11}**

10547617: Top half of the visible portion of the radio and the top half of the oleoresin capsicum spray, while in holder of the officer's duty belt (10547600)

Number of DNA contributors: 4 Ratio: 4:4:22:71

Inclusion(s): **Anthony Ashford (71%)**

Likelihood Ratio: **1.94×10^{28}**

Conclusion(s):

There is strong support for obtaining the DNA results if Anthony Ashford and three unknown individuals are the source of the DNA than if four unknown individuals are the source of the DNA.

6) 10547621: Bottom half of each of the two "GLOCK" handgun magazines from officer's duty belt (10547600)

Number of DNA contributors: 3 Ratio: 2:6:92

Exclusion(s): **Anthony Ashford**

Conclusion(s):

The DNA recovered from the evidence is from a mixture; if additional references are obtained, comparisons can be made.

7) 10547622: Textured areas of Officer's handgun*Number of DNA contributors:* 3 *Ratio:* 8:23:68*Inclusion(s):* **Anthony Ashford (68%)***Conclusion(s):**Likelihood Ratio:* 1.92×10^{23}

There is strong support for obtaining the DNA results if Anthony Ashford and two unknown individuals are the source of the DNA than if three unknown individuals are the source of the DNA.

8) 10547624: Entire exterior of Officer's handgun*Number of DNA contributors:* 5*Conclusion(s):*

Due to the number of contributors, no STRmix analysis is possible at this time, and thus no conclusions can be provided.

10) 10547604: Entire exterior side of the plastic back strap (10547589)**10547606: Entire exterior surface of the fabric knife sheath (10547591)****10547625: Bottom and sides of the magazine which was seated in the Officer's handgun***Number of DNA contributors:* unknown*Conclusion(s):*

Due to the complexity* of the mixture, no STRmix analysis is possible and thus no conclusions can be provided.

* Unsuitable for STRmix analysis due to the low level and/or unknown number of contributors.

DISPOSITION OF EVIDENCE

The items were returned to the Property Room. The remaining DNA extracts generated during analysis were impounded in the Property Room under Barcode #10556708.

- 10547591:** One empty, black fabric "BENCHMADE" knife sheath (placard 3).
- 10547592:** One black "TASER X26" taser gun with serial number "X00-668322" (placard 4). There is an expended cartridge on the end of the gun and an unexpended cartridge below the grips of the gun. I cut the wires (and probes), which were attached to the end cartridge, prior to collection. The wires and probes were collected separately during the autopsy (*see 10553480*). This item was collected during Dr. Stabley and Dr. DiLoreto's preliminary examination of the suspect.
- 10547593:** One swab of apparent blood (placard 5).
- 10547594:** Two green plastic blast doors from an expended taser cartridge. This item was collected during Dr. Stabley and Dr. DiLoreto's preliminary examination of the suspect.
- 10547595:** Fourteen (nine pink and five yellow) Anti-Felon Identification tags, each with serial number "C4100MM1D" printed in a repeating pattern on one side. This item was collected after the suspect was removed.
- 10547596:** One pair of black framed eyeglasses with the Nike logo on the frame and with apparent bloodstains. This item was collected during Dr. Stabley and Dr. DiLoreto's preliminary examination of the suspect.
- 10547602:** One yellow medical blanket with apparent bloodstains. This item was removed and collected from on top of the suspect during Dr. Stabley and Dr. DiLoreto's preliminary examination of the suspect.

The following two items of evidence were collected from the cargo/hatch area of San Diego Harbor Police patrol vehicle #9080, which was parked in the northbound, left turn lane in front of 4875 North Harbor Drive.

- 10547597:** One "BENCHMADE" knife with a black handle. This item was collected from the shelf.
- 10547600:** One black "BIANCHI" duty belt. This belt contains the following:
- One empty double magazine holder. Two magazines containing an unknown number of cartridges were removed during inventory. (See Criminalist L. Wilson's, ID #8512, firearm report for magazine contents.)
 - One baton in a baton holder.
 - One empty holster.

- One pair of handcuffs in a handcuff holder.
- One empty baton holder.
- One empty pepper spray holder.
- One keeper with a carabiner attached to it.
- One loose can of oleoresin capsicum spray.
- One loose "MOTOROLA" radio with attached microphone.
- One "San Diego County Regional Airport Authority HPD" picture identification card in the name "S. Ahfook."
- One black "WINCHESTER" folding knife with an image of a deer on the handle.

Officer's Firearm

One "GLOCK 40" handgun, model "22 Gen 4," serial number "UXB526," with a seated magazine containing an unknown number of cartridges. There is a "STREAMLIGHT" light attached to the handgun. This handgun was collected from the cargo/hatch area of San Diego Harbor Police patrol vehicle #9080, which was parked in the northbound, left turn lane in front of 4875 North Harbor Drive. Criminalist L. Wilson, ID #8512, unloaded the handgun and the magazines. See Criminalist Wilson's firearm report for additional information.

Officer (Victim) Processing

Detective K. Collier, ID #5537, and I arrived at the University of California San Diego Medical Center (Hillcrest) Emergency Room, Room 17, on October 28, 2015, at approximately 0155 hours to process San Diego Harbor Police Officer S. Ahfook, ID #5216. I took digital images #1 through #31, starting at approximately 0158 hours. I received four items of evidence at approximately 0210 hours.

CRIME SCENE RECONSTRUCTION REPORT**

VICTIM: AHFOOK, Sulimoni, ID #5216 (Harbor Police Officer)
SUSPECT: ASHFORD, Anthony
CASE #: 15-046913
INCIDENT #: 15100053009
INCIDENT DATE: October 27, 2015
CHARGE: OIS/ Special Investigation
HOMICIDE TEAM 4: Detective Al Lozano
CRIME SCENE SPECIALIST: Karen McDonald
CRIMINALIST: Marybeth Sciarretta, ID #8193

DATE OF REPORT: November 19, 2015

BACKGROUND

On October 27, 2015, at approximately 2320 hours, I was notified by Sergeant Paul Conley to assist with the reconstruction of an officer involved shooting (OIS) at 4875 North Harbor Drive. I arrived at the scene at approximately 2355 hours and met Supervising Criminalist Frank Healy. Harbor Police personnel, Homicide Team 4, and Crime Scene Specialist (CSS) Karen McDonald were present when I arrived. I left the scene at approximately 0545 hours on October 28, 2015.

Harbor Police Sergeant Andrea Myers provided the following information, as Officer Ahfook was unavailable to provide a walk through:

- Officer Ahfook contacted the suspect and the two engaged in a struggle.
- The suspect grabbed the officer's gun in his holster with both hands, and the two fell to the ground.
- The suspect took control of Officer Ahfook's taser and fired the taser at the back of Officer Ahfook's neck (initially believed to have been fired probes).
- Officer Ahfook was able to stand up, create distance between himself and the suspect, and fired one round at the suspect's chest.

The following information was provided by Sergeant Paul Conley:

- No probes were recovered from Officer Ahfook at the hospital.
 - Officer Ahfook sustained an injury to the back of his neck (possibly due to direct contact with the taser).
- When Officer Ahfook fired his weapon, the suspect was getting up from the ground.

The following information was obtained from Criminalist Lisa Wilson's report for this case dated November 9, 2015:

- Officer Ahfook's handgun was a Glock semiautomatic pistol, Model 22 Gen 4 chambered in 40 S&W caliber.
- The Glock had a loaded chamber and a seated magazine containing 14 cartridges.
- If the pistol had been "hot loaded," one cartridge had been fired.

CRIME SCENE RECONSTRUCTION

Case #15-046913

November 19, 2015

Page 2 of 4

SCENE DESCRIPTION

4875 North Harbor Drive is the address of a Holiday Inn. The suspect was found on the ground in the parking lot west of the Holiday Inn on the east side of North Harbor Drive. The suspect was observed in a supine position, with his head to the south. Medical intervention was performed on the suspect and remnants of cardiopulmonary resuscitation were present on and around the suspect's body (see Image 1).

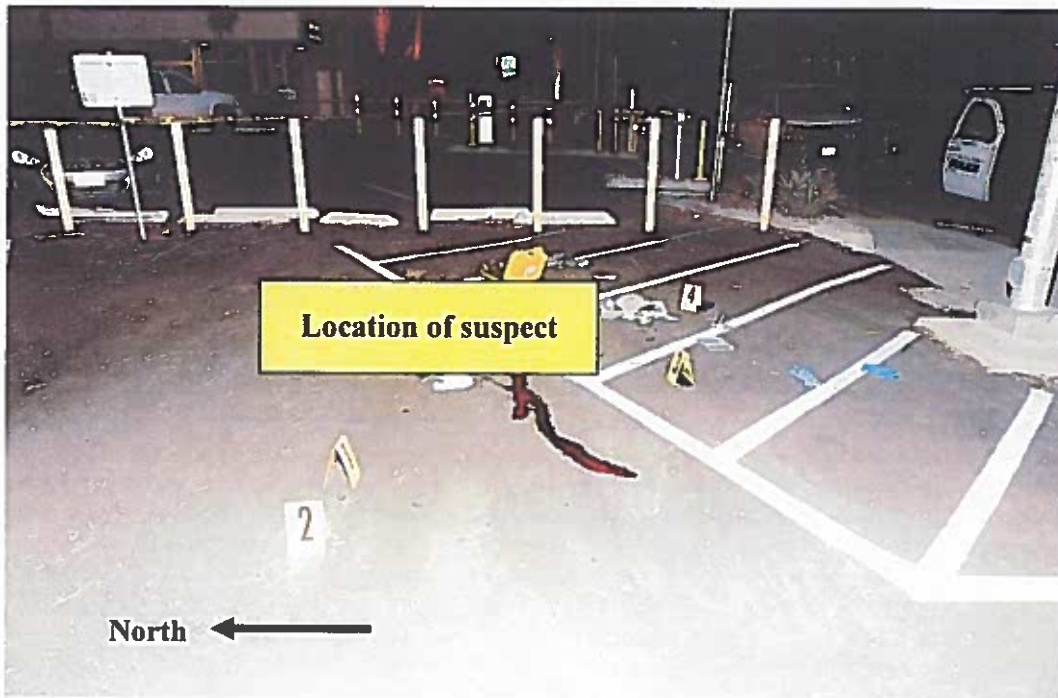

Image 1. Scene showing location of suspect's body and placards.

OBSERVATIONS

Located near the suspect's body at the scene:

- One 40 S&W cartridge case (placard 1)
- One black plastic back-strap extension, part of Officer Ahfook's Glock handgun (placard 2)
- One canvas knife sheath (placard 3)
- One Taser X26 gun with fired probes (placard 4)

The suspect's shirt was cut during medical intervention.

Two probes from the taser gun were located on the suspect's clothing. One was tangled in his shirt and the other penetrated his front left pant pocket area.

CRIME SCENE RECONSTRUCTION

Case #15-046913

November 19, 2015

Page 3 of 4

Additional information from the autopsy:

Image 2. Shirt repositioned at autopsy. Shows the two probes from the fired taser gun.

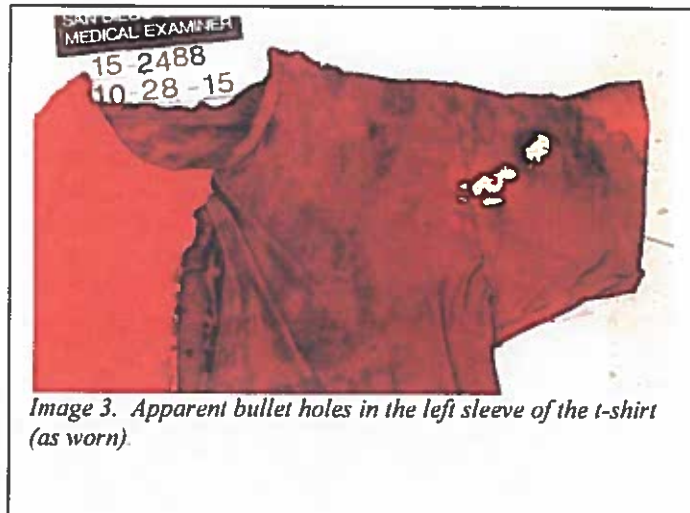

Image 3. Apparent bullet holes in the left sleeve of the t-shirt (as worn).

- After repositioning the cut shirt, the probes from the taser were located in close proximity to the suspect's waistline (Image 2).
- The apparent bullet holes in the left sleeve of the shirt (Image 3) and the one bullet hole observed in the left axilla (underarm) region, are consistent with a bullet entry hole in the suspect's left axilla. The bullet's directionality from the left side of the body towards the left chest cavity was supported by the trajectory performed by the Medical Examiner at autopsy.

SUSPECT INJURIES

The following information regarding the suspect's injuries were obtained from a discussion with Medical Examiner Diloreto:

- One penetrating bullet entry hole was observed in the left axilla region
- The bullet perforated the heart through the left ventricle
- The bullet was recovered from the left chest cavity

CRIME SCENE RECONSTRUCTION

Case #15-046913

November 19, 2015

Page 4 of 4

CONCLUSIONS

The nature of Officer Ahfook's wounds and the locations of the probes from the fired taser gun that were observed on the suspect's clothing, do not support that the probes penetrated Officer Ahfook's neck. However, the injuries to the back of Officer Ahfook's neck could be due to a direct contact with the electrodes on the front of the taser being used in a drive stun mode.

The one penetrating bullet hole in the suspect's axilla region, the one bullet recovered from the suspect's chest cavity, the single cartridge case recovered at the scene, and the indication that one cartridge had been fired from the Glock pistol are consistent with Officer Ahfook's statement that he shot the suspect one time.

DISPOSITION OF EVIDENCE

All items of evidence were collected and impounded by Crime Scene Specialist Karen McDonald (see her report associated with this case).

This report contains the conclusions, opinions, and interpretations of the analyst whose signature appears below. The report is based solely upon the information available to me at this time and may be changed and/or modified with the discovery of new information concerning the physical evidence.

INVESTIGATOR'S REPORT:

On October 28, 2015, at approximately 2311 hours, I received a call from Detective Sergeant Paul CONLEY # 4673 from SDPD Homicide Team IV instructing me to respond to 4800 N. Harbor Drive to investigate an Officer Involved Shooting involving a Harbor Police officer. I was off duty and at home when I received the phone call. I left home and drove straight to the scene.

After the scene briefing, I was assigned to conduct the crime scene investigation along with Crime Scene Specialist Karen MCDONALD #8161. During the course of the investigation, Officer AHFOOK's handgun was recovered and later processed by the San Diego Police Department's Crime Lab.

On December 14, 2015 at approximately 1330 hours, I went to the San Diego Harbor Police Department and personally returned Officer AHFOOK's Glock 22 Gen 4 hand gun, **Serial Number UXB526** and two magazines for the handgun to SD Harbor Police Lieutenant Eric WOMACK.

Lieutenant WOMACK signed a San Diego Police Department's Chain of Custody form and took possession of the items.

The handgun and magazines have been processed for evidentiary value and are no longer needed to be retained by the San Diego Police Department.

EVIDENCE EXAMINED

Harbor PD Officer Sulimoni AHFOOK, ID #5216:

One Glock semiautomatic pistol, Model 22 Gen 4, serial number [REDACTED], chambered in 40 S&W caliber with three magazines. Pistol is equipped with a Streamlight Model TLR-2 flashlight with red laser, serial number A106891.

RESULTS AND CONCLUSIONS

The Glock pistol from Harbor PD Officer Ahfook was collected with a seated magazine, the slide closed, striker set, and a loaded chamber. The seated magazine (#1) contained fourteen cartridges. The two extra magazines (#2, 3) each contained fifteen cartridges. The capacity of each of the three magazines is fifteen cartridges. The total capacity of the pistol with one cartridge in the chamber and a full inserted magazine is sixteen cartridges ('hot loaded'). This evidence indicated that if the pistol was "hot loaded," one cartridge had been fired from this pistol. The pistol was testfired and found to operate normally.

DISPOSITION OF EVIDENCE

The Glock pistol was returned to the Crime Scene Unit gun locker on November 3, 2015. The Firearms Processing Packet was entered into the electronic evidence system (Barcode 10549850) and released to the Property Room on November 6, 2015.

FOLLOW-UP INVESTIGATION DNA SWAB COLLECTION FROM HARBOR POLICE OFFICERS:

On 10/27/2015, at approximately 2300 hours, I received a telephone call from Detective Sergeant Paul CONLEY from Homicide Team IV. Sergeant CONLEY informed me there had been an Officer Involved Shooting at 4875 N. Harbor Drive. The shooting involved an officer from The Harbor Police Department.

At approximately 1210 hours, I arrived on scene and met with other members of Homicide Team IV. At approximately 0119 hours, we were briefed of the incident by Sergeant MEYERS #6221. During the briefing we learned Harbor Police Officer Sulimoni AHFOOK was working in full police uniform patrolling the area of 4800 N. Harbor Drive. Officer AHFOOK observed a male possibly casing vehicles in the area.

Officer AHFOOK stepped out of his patrol vehicle and attempted to contact the male. Officer AHFOOK and the male got into a struggle and the male used both hands to grab AHFOOK's holstered handgun. The suspect began tugging on the gun in an attempt to un-holster Officer AHFOOK's handgun.

Officer AHFOOK and the suspect went to the ground as the attack continued. The suspect was then able to gain control of Officer AHFOOK's taser. The suspect managed to fire the taser at Officer AHFOOK striking him on the neck. Officer AHFOOK was able to stand up, create some distance and fire one shot from his handgun at the suspect. The suspect was struck once in the chest area.

Medics responded to the scene where first aid was performed however the suspect was eventually pronounced deceased at 2306 hours. Officer AHFOOK was transported to UCSD Hospital to be treated for his injuries. Officer AHFOOK's gun belt and handgun used in the incident was secured and placed in the trunk of Harbor Police patrol vehicle #9080. The briefing concluded at 0135 hours.

At the conclusion of the briefing, I learned Harbor Police Sergeants Joseph PARRA and Sergeant Jonathan GEORGE handled AHFOOK's gun belt before securing it in the patrol vehicle. Both Sergeant PARRA and Sergeant GEORGE voluntarily provided me with mouth swabs only to be used as reference samples for Officer AHFOOK's gun belt and handgun.

Investigator's Report
Case #15-046913 &15-046912

I obtained both mouth swabs at approximately 0215 hours. The swabs were packaged separately and sealed and impounded at the SDPD Headquarters building under barcode #10546941.

INVESTIGATOR'S REPORT**

DATE (occurrence): October 27, 2015 (Tuesday)
TIME (occurrence): 2246 Hours
LOCATION: 4875 North Harbor Drive
SUBJECT: OIS/Special Investigation – SDPD Case #15-046913
69 PC Resisting Executive Officer– SDPD Case #15-046912
Incident: #15100053009
Officer: AHFOOK, Sulimoni #5216 (Harbor Police)
Suspect: ASHFORD, Anthony, B/M (29) DOB: [REDACTED]

OFFICER INTERVIEWED: AHFOOK, Sulimoni, ID #5216
Harbor Police Department
Phone: (619) 686-8000

INTERVIEW OF OFFICER AHFOOK:

Synopsis:

On October 27, 2015, at 2308 hours, I received a telephone call from Lieutenant Paul RORRISON #4305 instructing me to respond to 4875 North Harbor Drive regarding an Officer Involved Shooting investigation. Lieutenant RORRISON stated a Harbor Police Officer had been involved in the shooting of a male at the location. The male died from his injuries and was still at the scene. Lieutenant RORRISON directed Homicide Team IV to report to the scene and investigate the shooting incident.

I arrived on scene on October 29, 2015, at approximately 0045 hours and joined other members of Homicide Team IV. San Diego Police Sergeant Andrea MEYERS provided the briefing of the incident. The briefing began at 0119 hours and concluded at 0135 hours.

According to Sergeant MEYERS and her briefing, San Diego Police Communications received a call from Harbor Police Communications informing SDPD of a "10-88" (Request for Cover) at 4875 N. Harbor Drive. The request for cover came from Officer S. AHFOOK #5216. Officer AHFOOK attempted to contact a male, later identified as Anthony ASHFORD, in a parking lot adjacent to the Holiday Inn Hotel on North Harbor Drive. Officer AHFOOK had previously observed ASHFORD casing vehicles in the area. When Officer AHFOOK made contact, ASHFORD grabbed Officer AHFOOK's handgun while it was holstered. ASHFORD used both hands and attempted to pull the handgun out from AHFOOK's holster and the struggle eventually went to the ground. While on the ground, ASHFORD took control of AHFOOK's taser and fired it at the back of Officer AHFOOK's neck. Officer AHFOOK was able to fight through the tasing and created a small distance between himself and ASHFORD. Officer AHFOOK stood up, un-holstered his weapon, and fired one round at ASHFORD. ASHFORD was struck once in the chest area.

Harbor Police units arrived and began CPR efforts as well as Paramedics. ASHFORD was pronounced deceased by Paramedic CASCIO #301617 (Engine 22) at 2306 hours.

According to Sergeant MEYER's briefing, just prior to Officer AHFOOK making contact with ASHFORD, there was a radio call of an African-American male causing a disturbance at a Holiday Inn (later determined to be ASHFORD).

After the incident, Officer AHFOOK was transported to UCSD Hospital and was treated for minor injuries. Harbor Police officers checked the area for witnesses, none were found. Sergeant MEYERS was able to speak with Officer AHFOOK prior to him going to the hospital and obtained the above initial statement.

Lieutenant RORRISON made contact with POA Attorney Amy GORDON in an effort to facilitate an interview with Officer AHFOOK. Officer AHFOOK was un-able to be interviewed that evening due him receiving pain medication for his injuries sustained during the struggle. Officer AHFOOK was also un-able to conduct a scene walkthrough to show investigators his position during the shooting. Lieutenant RORRISON advised POA Attorney GORDON they could set up a time convenient for Officer AHFOOK for the interview at a later date.

On October 30, 2015, POA Attorney GORDON produced Officer AHFOOK for an interview at San Diego Police Headquarters. Lieutenant RORRISON and I conducted the interview in a conference room on the 7th floor with POA Attorney GORDON present. Officer AHFOOK agreed to provide a voluntary statement.

At approximately 1205 hours, Lieutenant RORRISON and I began the interview with Officer AHFOOK. The interview is documented below in a question and answer and word for word format. The below interview was recorded and impounded at Headquarters on Bar Code#10558350.

PR: Paul RORRISON, Lieutenant – SDPD Homicide Unit
PC: Paul CONLEY, Sergeant – SDPD Homicide Unit
SA: Sulimoni AHFOOK, Officer – San Diego Harbor Police
AG: Amy GORDON, POA Attorney

PC: Okay, today's date is October 30, 2015. It is 1205. Uh I'm with Lieutenant Paul RORRISON and POA Attorney Amy GORDON. GORDON correct? And Officer uh Sulim, Sulimoni

SA: Sulimoni.

PC: Sulimoni. And how do you say your last name?

SA: AHFOOK.

PC: AHFOOK, okay. Uh this is regarding an incident that happened on North Harbor Drive. An officer involved shooting um, on October 27, 2015 so, so what I'm going to do first is this is just a data sheet here. It has all your information and some stuff. Since you're not our agency, so I'll have to ask a little bit more. And if you don't know, then I can kind of fill in the blanks so um, so your last name is A-H-F-O-O-K right?

SA: That's correct.

PC: Okay. First is S-U-L-I-M-O-N-I right?
SA: Correct.

PC: And what's your middle name?
SA: Willie. Just like that, Willie.

PC: W-I-L-L-I-E?
SA: Right.
PC: Okay. And how old are you?
SA: ■.

PC: Okay. What's your birthday?
SA: ■

PC: August....
SA: ■

PC: Okay. And how tall are you?
SA: 5'7".

PC: Okay. And what do you weigh?
SA: About 200.

PC: And black hair?
SA: Black hair.

PC: Okay. Eyes?
SA: Brown.

PC: Okay, brown. Uh what is your police ID?
SA: 5-2-1-6.

PC: Okay. And do you know your badge number? Your actual badge number that you have?
SA: 5-2-1-6.

PC: Okay, so it's the same. Okay. And what was your date of hire? Just month and year?
SA: April 2006.

PC: And what is your current assignment?
SA: Patrol.

PC: Okay, so patrol. And what watch is that?
SA: Mids. (referring to 2nd watch hours)

PC: And your supervisor?

SA: Supervisor would be Lieutenant James.

PC: Lieutenant James....

SA: JORDAN.

PC: James JORDAN? Okay. And how long have you been in, in your current assignment?
Your patrol assignment?

SA: Exactly for nine years.

PC: Okay. And that night, did you have...what was your unit designator?

SA: 503Charles. 503C

PC: Okay. And do you remember the equipment number of the car you had per chance?

SA: No I don't.

PC: And on your mid-shift, what do you, what is your start time and end time?

SA: We start at uh nine o'clock p.m.

PC: So uh, 2100 to 0700. Okay, so basically same as us. Uh what are your days off?

SA: Thursday, Friday, Saturday.

PC: And prior to coming to work that evening, how long have you slept?

SA: I would say...6 to 7 hours.

PC: Okay.

SA: Like two or three o'clock I'll go.

PC: Okay. And are you right-handed or left-handed?

SA: I'm right-handed.

PC: And how about your eye-sight? Is it 20/20? You wear glasses?

SA: My eyesight 20/20.

PC: Okay. So uh but you wear glasses, correct?

SA: Correct.

PC: Do you wear contacts?

SA: No I do not.

PC: Okay. And is your corrective vision up to 20/20 or do you know?

SA: I don't know.

PC: Okay. Do you have any illnesses or any sicknesses?

SA: No I don't.

PC: You take any medications?

SA: No I don't.

PC: Okay. Have you consumed any alcohol beverages in the last 24 hours? That's kind of more or less meant for when you were on duty, so it doesn't actually apply.

SA: No I didn't.

PC: Okay. Uh, okay this goes into your protective gear. So you had a protective vest? Front and back panel?

SA: Yes sir.

PC: Okay. And what is your primary weapon? What's the make of it?

SA: Glock 22.

PC: Okay. Glock 22. And what caliber is that?

SA: 40.

PC: 40? And I'll get the serial number later. Is it a department or a personal weapon?

SA: Department.

PC: Do you have any secondary weapons? Backups?

SA: Oh, in regards to a firearm?

PC: Yeah. Okay. So it was an automatic. Uh, primary weapon. Do you know how you keep it loaded? One in the chamber and how many?

SA: I keep one in the chamber and fully loaded.

PC: And what is a fully loaded for .40. Do you know?

SA: 24.

PC: 24? So 24 plus one?

SA: Um huh.

PC: Okay then do you have extra magazines on your gun belt?

SA: I have two.

PC: Okay, two? Fully loaded?

SA: Fully loaded.

PC: Is there any altercations to your weapon or uh like equipped with a laser or a light or anything like that?

SA: We're all equipped with a stream light.

PC: Okay.

SA: With the, with the laser as well.

PC: Okay. Okay. Okay so uh what we're going to do is I just want to go. Uh, I'm not walk you to the incident right off the bat. I just want to know you obviously, just the beginning of shift. Just briefly...you started your shift at 2100.... Do you go to lineup? And just, let's go from there. And, you know, do you have any incidents or calls before this one happens? So go ahead.

SA: Uh we started shift. We have lineup at nine o'clock.

PC: Okay.

SA: 9:00 p.m. to whenever. Uh, after that I go to, we check our emails on the computer. Uh we check BOLs, everything on ARJIS. And then we, you prepare the vehicle. Shotguns, non-lethal, less lethal. Check everything, the equipments all good for the car ready to go to patrol.

PC: Okay. So you go on. Do you...do you get any...right off the bat, do you get a radio call or are you just doing general patrol. It's already 2100 so?

SA: General patrol.

PC: Okay. And the incident that happened, was it the first incident that you had gone to? Or did you go to something else prior to this?

SA: It's the first incident.

PC: Okay, the first thing so go from the beginning on where you're at and the incident that happened. And what you saw first and how it came to be where it was at so.

SA: So you want me to start now sarg?

PC: Start from the beginning? Yeah.

SA: When do you want me to end sarg?

PC: Just uh, till, till the end of the incident.

SA: Till the end of the incident, okay. Uh, like I said I got my BOLs. I got the vehicle ready. Uh, usually I like to scan my beat, what's basically from Lawrence Street, 503C starts from Lawrence Street, Harbor Drive, all the way up to Pt. Loma. Anywhere around that Shelter Island area. Uh, I started my shift off by always scanning that whole area. I drive through just to get my feet wet in regards to patrol. Um, so I drove down uh, I drive down Harbor towards uh Shelter Island. I pass Nimitz and you always look at the areas where we're supposed to look which is basically that area next to 4904 on Driscolls. The Driscolls Wharf area. There's been some, we have to do 11-53, security checks there.

PC: Um huh.

SA: Uh, and uh frequently we have, we have vandalisms, car burglaries, stuff like that so. You know, we always have transients as well, hanging around the area so. I'm driving down. I know Holiday Express is there. Look to the left and I see a BMA, black male adult, uh looking into a car. It's his car, could be his car. Uh so I drive and I slow it down. I check. He looks into the vehicle then I pass. And I said, 'Okay, I think this is something I got to check out'. So I drive down to the light. I forgot what (inaudible) it's a new light. I make a U-turn. I come back and he's looking into a different vehicle. Uh,

looking into the car. Uh, as I get closer there's a, there's an RV there. Has weird stuff on it and uh he's looking at the RV. Uh, as I go into the parking lot and I drive up, I drive to him. And he's looking at it. And then he moves. So I said to myself, 'You know what? He's gonna see a black and white. He's gonna walk away'. Uh, so I drive. I pass him. He looks. He looks at me. I come back around. I look at him and I said, 'How you doing sir?' And you know, no answer. He goes back to what he's doing. Uh, so I drive, I drive out towards the light. I go slow and I checked to see where he was at. And I can't find him. I can't see him so I make a right turn back towards the area. But this time back on Harbor Drive. And I look for him and he's...I can't find him. And I look to the left and he crossed the street to the other side, to the Holiday Express. Uh, I go up to the light, to Nimitz, make a U-turn and come back. I slow down. I just want to see his reaction. See, see what he's up to and uh, see how he looks at me. Uh, I, (inaudible) him, He looks, he looks away. Uh, I tell myself, you know, I, he...this is somebody I have to contact, you know, for casing or what have you. I, I at least got to get an FI. I have to see who this gentleman is. Uh, so I drive past him in case he's gonna bail from me.

PC: Um huh.

SA: I drive past him probably about, probably about ten yards or twenty yards. I park the car put out uh, uh, be contacting, a BMA, a black male adult with a red shirt, tan pants, at 4904 or I can't remember what exactly the location I gave, but I gave the location and the description of the subject. I got out of the car to meet him and I said to him, 'Sir, I need to talk to you'.

PC: Um huh.

SA: Looks at me. Looks away. And I said to myself okay, 'This guy is not going to get away' okay? So I walk past...I walk towards him, 'Sir, Officer AHFOOK San Diego Harbor Police I need to talk to you.' And then I said, uh... at this time I didn't want to go hands on. Hopefully, like we deal with many transients who are mentally ill people. We just, you know, we got to see...hopefully maybe he sees so I walk past him, view him and I said, 'Sir, San Diego Harbor Police. I need to talk to you. I got to talk to you'. And he doesn't want to answer. So he walks past me. He doesn't want to look at me. So he walks past me and as he's walking his hands are in his pockets. That's what I notice. And I said, 'You know what? That's not what I play. I got a, I got to make sure this guy is okay. Uh, so I grab him by the elbows and hold onto him. 'I'm gonna talk to you sir. I need to talk to you. Do you understand?' He looks at me. He turns his head and looks at me. And as he looks at me, uh I was gonna put on my radio that I'm contacting him cause this guy's just...obviously this is not going to turn out too well. But I couldn't because he spun. As he spun, uh, you know I told myself, 'I'm gonna lock him. Body lock him' cause as a D-Tac officer, for me I'm up and close to the guys. Uh, as I was gonna body lock him to take him down, he spun. Then I felt a tug on my holster. Uh, I think that's when the alarms when off on me. Uh, this is the first time of anyone touching my gun or, or even had a handle on it. So he's tugging and I was about to want to drop him, my main concern was to put my two hands on the weapon. Because obviously he has his two hands actually on my gun. So that was my fear. So 'boom!' I go back to my weapon. I tried to base out to make sure he doesn't...to do what we're trained to do which is rotate your hips, to rip it off. Not that easy when someone's

pulling on you and he's actually up on you, up close. Especially when he pulls and then he tries to pull up. Uh, you know, uh I think that's the part where I think I started to, to get scared. Because I didn't know if the gun was out or not. So all my adrenalin, everything was concentrated on holding his hand, his two hands down. I don't know which hand he had on the handle, but he had hands on there. All I know is I can hold one, hold two and just grasp everything I can. And then I said, 'I think can get out of this'. You know, his two against my two. Uh, I can do this. But uh, I don't know. Uh, I don't know if you've ever felt uh, right before a lecture and you know how nervous you get. How weak you get. That started in my body. Uh, I wasn't even, I wouldn't say fatigue because it wasn't that much of a struggle yet. I was just more. I cannot believe my, my strength is depleting. So my main focus was to keep his hand on that gun until I can get a chance to call for cover. Uh, this is, this is the portion that as we go to the ground that I can, that I'm trying to, get concrete remembering on, but what I remember was he's pulling in. I'm pulling in. Because I don't want to pull away in case the gun comes out. So we're pulling in. He goes down and I said to myself, 'Okay, I'll go down too. I can play that as long as I can keep this secure.' So we go down to the right, to the right or left. I can't remember uh Sergeant, but we're going down towards the bottom and I do feel something hit my head which was the ground. But that wasn't a concern of mine. My main concern was this. I remember hitting my head on the ground and I'm looking at him, face to face, and I said, 'Let go of the gun! Let go of the gun!' As we're on the ground, like that. And he had a stone cold face that uh, I knew he wasn't gonna let go. He wasn't gonna let go. Uh, I tried to reason with him as we were on the ground saying, 'You don't want to do this man. Just let go!' And he still didn't let go. He kept pulling with two hands. He kept pulling with two hands. Uh, Sarg, while we're on the ground, I don't know if we went around or flipped or what have you. All I remember is I'm gonna use the ground to pin that gun to the ground. I'm gonna do everything I can. My weight, my strength. And then what I saw was he put his feet, or I mean he put his knee on my, my hip and he starts to pull. If you can understand leverage, he used that leverage to give him that much more strength. Because to me, I thought I had a really skinny gentleman. To me he was thin, but at the same token, he shocked me by what he's doing and I knew my strength was a bit different. Not what I'm used to because I'm starting to feel my cotton mouth and everything is starting at this point. So I told myself, I'm just gonna stay here. Just stay here until I get the opportunity to get on the radio. Uh, I don't know how it happened but we ended up, because I was, I was comfortable on the ground. That's what I do. That's how I train. We get up. I don't know if we rode, we spun or, or he did something where I ended up, I was on top of him. I was mounted on top of him. So I was literally here which is a position I'm, I love. It's great. I'm in a position of advantage, but he's pulling on me still. He pulls to the fact where he pulled so hard that he's coming out of my mount, in the middle and my concern is this gun is getting pulled out. So I do everything that he did. And then all of a sudden he takes one hand off okay? To me that was perfect opportunity for me to try and get that one other arm off. I get on the radio and at that point, because he has one arm off, I get on the radio, 'Cover now! Cover now!' I remember I said it two times I believe. I put my hand back on, on his hand. He's trying to pull and I said with just one hand it's good now. I'm comfortable. So I push, I push as hard as I can. I was about to pull out, but I forget that he has actually a grip on it. So he has his hand on it and my hand is on top.

Again, I didn't want to play that game so I just kept it on there as hard as I can. And I could feel myself starting to uh, starting to get really uh tired. Real tired and uh, numb is the feeling. Just numb because of I'm scared. You know, I was afraid of what's going on. So basically we, we go down. Uh at that point, he takes his right arm off. I'm about to try to rip his one arm off. But at the same token I, I didn't want to because if try to rip, what if I rip with, with the handgun out. So I kept it there and I went down and I put my chest on him. I can remember, I was close up on him and I said, 'I can do this'. I wrapped my, my arm around his hip and I tried to clasp his uh, what I was thinking in my head was trying to clasp his, his left arm to clamp it down and wait for the Calvary. So my intention was to wait there. The gun is not going to come out. The boys are coming. I'm good to go. Uh, I look at him, you know. And, and I tell him again, 'Dude, let go of the gun man. Let go.' He looks at me with a smirk. Uh with a face of uh, he ain't letting go. That's the way he looked at me. And uh, I said, 'Well, you know, if you want to play this, I'll play this. I'll hold it. I just held it. Nothing can stop me. I'm tired but I'm good, I'm good position. Next thing I know I feel a numb in my whole body. It just went numb. Uh, my left arm, my, my right, my legs. They just had like electricity running through it. I just felt like a convulsion. And uh, then things went, went silent. It just went silent. I thought I got shot in the head. I thought I got shot in the head. Uh, I don't know how where. I, I just figured I think I'm paralyzed. And then all of a sudden, I come out of the silence and then I see pictures of my wife, my, my kids. It's just going through. And, and I'm telling myself, this is uh, 'I'm still here. I'm still here'. Like, you know, what's going on. Then I can smell the uh, the taser uh, just when...when I'm used to. What I'm used to when you tase someone, you can smell that odor. And then I can hear that, 'tick, tick, tick, tick, tick, tick, tick', and that's when I realized I'm not dead. I'm being tased. I didn't know if there was another gentleman in the back. I didn't know if he had, what if he had gun. Where it came from. But I was basically stuck here. I mean at that point sarg I was...uh I explain the fear. I can't explain what, what, how uh, where I was going with this. All I can say was uh, the images of my family coming to my face. Uh, and knowing that I've been, you know, I've been through courses where I've been electrified before, in regards to fighting through it. And if I can just concentrate my focus on my left arm, I told myself I could just bring it out. And I understand if I can just push whatever he has in the back of my head away. If it's a taser. If I can just push it one centimeter, one inch. If I can get that, it will give me that enough opening to do something. I have at least that in my mind for my training. So I did everything I can to just come back uh, to, to, to fight through the, the, just, I was just, the, the paralyzation that I had on my arm. But I was able to get it there where I pushed away and as I pushed away, I hear a 'pop', and that's where I feel, I could feel the real smoke or what have you that's common. Uh, for some reason I was able to move my body now, so as I was trying to separate, he still had that one hand. Cause my hand's stuck here. And I felt confident with the tase, my arms not going to go anywhere, cause it's, it's, it's, it's basically in there. But now it's not. First uh, I had no electricity going flowing through my body. I pushed away and then I can feel...I don't know if he was hitting me or he was trying to dry stun me, or, or whatever he was doing. I can feel, 'tick, tick, tick', but he was jamming something in my head. And I, I pretty much realized it was a taser. But I didn't know if there was anyone in the back or not. But my first thing was to do was, hit him in the chest, try to separate and we were probably about right here and I was

able to separate, get back at this, at least this distance. And I remember trying to bring out my gun. I couldn't bring it out because it was, my arm was so numb and locked. Uh, my, my brain was just trying to say, 'Get, get, the lever off. Get the lever off. I was able to get it off, bring it up. And I saw him. I looked at him. I said, 'Dude, drop it'. I was also going to try to kick him. I was like you know what? I can't. Not with this guy. I said, 'Drop, drop the gun. Lay down.' He didn't. He addressed me again. I shift to the other side and then 'pop'. I aimed for his chest specifically cause I knew one shot was gonna do it. But the fear I had in me, the fact that I knew I was, if he comes at me and he, he stuns me again, I, I didn't want to go through that. That's not something I want to go through again. Uh, uh, I was, I was, I was plain and simple scared. I didn't want to deal with this guy no more. So as I made that distance I made that decision, I'm not gonna play this game anymore. I'm too tired. I'm too depleted. Uh, and your addressing me. This is not going to go on again. You're going to take me away from my family. Uh, like I said, those images just keep popping in my head. And I just decided to aim for his chest, aim for his heart and 'pop'. It wasn't something I looked like that and said like that. I just went to the vicinity, to the chest, 'pop', came back. He still was able to address me or get up, and then I moved again and then you could see the blood coming out his chest. He saw the blood coming out of his chest. He drops to the ground. He goes back to the ground and I can finally see the tase, the taser that he drops onto the ground. I come back. I look at him and he's looking at me and he has that face of, of, of uh, he's looking into this sky. He looks at me, then looks at in the sky, looks at me, then looks in the sky and uh I knew he was, he was done. I reholstered. I went up to him, grabbed my knife, ripped his shirt, and then as I was about to administer CPR, I mean I put out saying that I'm going to administer CPR before I did that. Uh Sarg, I got to back up real quick. Before I shot him, I, after I shot him I said, 'Shots fired! Shots fired!' Uh, then I put it back and that's when I check, check, check, you know. I assessed. He wasn't going nowhere. Then I brought out my knife, ripped open his shirt and I was about to administer CPR. That's when the Calvary came. I can barely remember the Calvary. But they came. I remember somebody pulling me off. Uh, then they started CPR. They moved me back. Uh they told me to stay away. Sergeant PARRA would tell me to stay, just, 'You're good. Just get back over there'. I was together with two officers. They brought me back towards the street. And I remember looking. And then all of a sudden my body just dumped. I remember going onto my knees and to keep my ego check, I didn't want to go on the ground. Did I feel liking on the ground? I wanted to lay down. I wanted to lay down, but I didn't. I just stayed on my knees and I remember uh Christine saying you know, 'Just sit down. Just sit down.' I just, I just couldn't. I, I wanted to see if this guy. Where's he's at. What he's doing and uh, I saw that uh, they were doing CPR on him still. The, the scene seemed secure that he's down. Uh, and that's the point where I was, I was done you know. The ambulance came and took me. Is there any further you want Sarg?

PC: No. That, we're going to go back over a couple of things. That's the initial.
AS: Yeah.

PC: So I wanted you to figure that out, so let's go back just, and I'll reiterate on a couple of points but the initial contact, you're, you're going through your beat on Harbor. You see this guy uh and it sounded to me like you, you had, you either made contact with him before.

AS: Umm Hmm.

PC: Uh, so he's over by and I'm, I'm gonna call it to the, to the side where that van's at. Where all that stuff is....

AS: Yes.

PC: Glued on. So he's in that area. That's where you first observe him, where you think he's looking into cars correct?

AS: Correct.

PC: Now you rolled up. You didn't get out of your car when you spoke to him?

AS: No I didn't.

PC: Okay. So you just kind of rolled up and said, 'Hey what's going on?'

AS: Correct

PC: And, and what did he say?

AS: Nothing.

PC: He didn't say anything to you?

AS: He didn't say anything sir.

PC: Did he uh....?

AS: He looked at me.

PC: He looked at you?

AS: Yeah, he had eye contact, so.

PC: Okay so then, you know, you didn't feel it necessary to get out then and contact him there or you just, you know?

AS: No because, maybe he is, maybe he is one of those is his car. Maybe he's a transient. A lot of times we get a lot of transients there.

PC: Right.

AS: Sometimes we shoo him away just by our presence.

PC: Right.

AS: Uh, is he a caser? That's what I wanted to know.

PC: Okay.

AS: Uh...

PC: And that was your initial feeling when you, when you saw him and drove. You actually drove in the lot and then said something to him without getting out. And he didn't say anything. So I, I guess what you're trying to say is your mindset was that maybe just by contacting him, maybe he'll stop his activity or....so then you continue on and kind of, you go over to the other side of the street near the hotel?

AS: Correct.

PC: And then what were you doing then? Where you watching him or?

AS: Watching him.

PC: Okay. What was he doing then?

AS: He looks like he wanted to go into the lobby area. But once he, once he knew that I drove past him. Cause I saw him again. I went to the right. Uh, he kept walking. He, he decided to walk towards the parking lot. He looks like he didn't go into the lobby. Uh that was my opportunity to, to....

PC: Now on, on the side of the street the hotels are on?

AS: Um huh.

PC: Okay, so where your car was eventually positioned. Is that where you came and parked and, and then were watching him across the street?

AS: No. When I make the U-turn, this is the gentleman right here. We made contact right there. And he gave me the look....

PC: In the lot across the street? And by not the hotel side?

AS: No. This is the hotel side.

PC: Okay.

AS: Cause I made a U-turn to come back.

PC: Okay.

AS: He was here. He crossed the street. Well he crossed the street. I was making a U-turn.

PC: Um huh.

AS: And then we made contact like that. And it was, at that point I said I got to make contact with this guy.

PC: Okay, and that's the first time or second time?

AS: This is the second time we made eye contact.

PC: Okay. But after you had talked to him right? After you had...?

AS: Correct. In the parking I said....

PC: After your initial conver, after your initial conversation with, 'Hey, what's going on buddy' or whatever, he doesn't talk to you?

AS: Um huh.

PC: You leave?

AS: Um huh.

PC: And then you go over to the side?

AS: Um huh.

PC: Where the hotels are?

AS: Um huh.

PC: He's still on the side where the restaurants are?

AS: No. By the time I make the U-turn, he already crossed.

PC: Okay. So he had crossed over towards the hotel?

AS: Correct.

PC: Okay. So um, now I know where your car parked. Is that where you were sitting right then? And he's crossing the street?

AS: No, he's uh, he's basically....he crossed the street as I was making the U-turn.

PC: Okay, okay.

AS: So he's crossing. I'm making "Uie". He's already on this side.

PC: Um huh.

AS: And I see him right there. And we get, I got to contact for the second time.

PC: Okay. And that's where, that's not at the parking lot where the eventual thing happened?

AS: No.

PC: It was before that?

AS: No.

PC: Okay. Where is that at?

AS: Where we made contact?

PC: Yeah, the second time?

AS: The second time was right in front of the Holiday Inn.

PC: Okay. The one that's further down? Or the one, cause there's two Holiday Inns.

AS: There's two of them.

PC: The one that's closest to the scene though?

AS: The one with the restaurant.

PC: Yeah okay.

AS: The one with the restaurant.

PC: The one closest, okay. And then you make eye contact with them and you don't say anything or he doesn't say anything right?

AS: No we don't.

PC: Okay. But he knows you're there?

AS: He knows I'm there.

PC: And so you said you both looked at each other and then he just continues walking?

AS: Um huh.

PC: Okay. So at that time when he continues walking, he's walking towards I would say um, where the actual, where the contact is actually made right?

AS: Um huh.

PC: Where the event happens?

AS: Um huh.

PC: Okay. So you parked your car, and then you obviously get out. And that's when you approach him. And he's entering that lot where the event took place?

AS: Um huh.

PC: Okay. And then you, you said something to him. What did you say? You said, 'I need to talk to you or?'

AS: 'Sir, I need to talk to you'.

PC: Okay.

AS: Just, you know, thinking that uh, he knows me.

PC: Okay.

AS: I'm in a patrol car and everything. That when he ignored me, I said, okay I obviously got to say more.

PC: Right.

AS: Uh, 'Officer AHFOOK. San Diego Harbor Police. I need to talk to you'

PC: Okay.

AS: And he stood and moved.

PC: Okay. Did he stop?

AS: Nuh uh. He looked uh, but he kept going.

PC: Okay. So he looked and he, he knows that you're the police. Obviously if he looks at you. You're in full uniform correct?

AS: Correct. I, I hope he did, yeah.

PC: And then when he doesn't do that, you go....?

AS: I walked near, towards him.

PC: Towards him and then passed? Did you pass him and then?

AS: I don't remember exactly. What I...my goal was to make sure he sees my uniform.

PC: Okay.

AS: And to see me face to face, not only just hearing. Face to face. I said, 'Hey, I got to talk to you. San Diego Harbor Police'.

PC: Okay.

AS: That doesn't stop him.

PC: Okay. So and based on what you had talked about before him, casing any cars, do you think you have enough for a detention, uh, to find out if he's in the area. Two case car, who he is? What have you. So once you go face to face with him and you're here and he sees you, does he say anything to you?

AS: Absolutely nothing.

PC: And you're still talking to him?

AS: Um huh.

PC: And then uh, and you can refresh my memory. Is that when he tries to walk away or around you or what does he do?

AS: You know Sarg, I don't remember exactly. Of course I'm not going to let him touch me.

PC: Yeah.

AS: But he did walk past me. And that's....

PC: After you're in front of him and you're face to face?

AS: Correct.

PC: And you're identifying yourself?

AS: Correct.

PC: That you need to talk to him and what have you?

AS: Correct sir.

PC: So he's still coming towards you? But then does he...?

AS: I don't recall that part. I'll I remember was he walked passed me. Maybe I moved.

PC: Um huh.

AS: Because that's what I do. I'm not going to let anybody just walk like this.

PC: Right, right.

AS: So uh....

PC: So you don't remember if you just kind of gave a little bit away and he could get around you. But he was trying to walk away from you?

AS: Correct.

PC: Okay.

AS: Correct.

PC: Okay. So he tries to walk away from you and then, and you can correct me, so is that when you grab him in a, in a lock, you called it some sort of lock. Or did you lock his arms down? Is it...?

AS: Well I first grabbed him in the elbows because I saw his hands in his pockets.

PC: Okay.

AS: That's my alert right there.

PC: Okay.

AS: Uh, once he moved I saw hands in pockets. If I'm gonna make contact, I got to make sure I secure those arms.

PC: Yeah. And he's walking past you. You've already told him to stop. So is his back towards you when you do that?

AS: Correct.

PC: Okay, so he's, his back is now towards you and you grab him and I'll just describe it. His hands are in his pockets?

AS: Correct.

PC: And so you basically lock his elbows down?

AS: Correct.

PC: Like with both of your hands?

AS: Correct:

PC: Okay, so once you do that, what happens? What does, what's his reaction or?

AS: He's not, he's trying to get away.

PC: Okay.

AS: He's trying to walk, either walk left or right, but he's definitely not listening.

PC: Okay.

AS: Then at that point, that's when I said I got to dump the guy.

PC: Okay.

AS: All right, I got to...

PC: Meaning?

AS: Put him to the ground.

PC: Okay.

AS: And the way I like to do it is by doing, cross my hands and I was gonna do a body lock, you know, body crunch?

PC: Okay.

AS: And then take him down.

PC: Okay.

AS: But in the process of doing so, he spun with me, into...cause he was loose.

PC: Yeah.

AS: Okay, so I took, I took the risk of going like that, but I...he spun in and, and then that's when he started pulling and tugging the gun.

PC: Okay, so and I have to describe this cause you're making motions here. So initially you have your hands locked, and then after he's wiggling or moving around, you come around your body like a bear hug almost right?

AS: Correct.

PC: And you, you, you lock his body into you by pulling it towards you?

AS: Right.

PC: Now you said he spun. Now if I'm doing this to you, is he spinning not face to face with you. You're not lot hugging? Or is he face to face with you that he spun?

AS: He eventually became face to face to me.

PC: Okay, but initially as you get him and try and lock him in, he's twisting one way or the other?

AS: Correct.

PC: And eventually you're face to face, still standing upright?

AS: Correct.

PC: Okay, so you're still standing upright. Now what happens? I mean what's...?

AS: We're face to face.

PC: Yeah.

AS: That's where I, that's where he went toward. He looked down, towards my gun, grabbed it and started pulling.

PC: Okay.

AS: And that's when I....

PC: So face to face and you're...you carry your gun on your right hand side right? Okay, and so he, his arms are down towards you. If you have him locked and his hands are down, they're not up, up towards like this. They're locked down?

AS: Um huh.

PC: You know, if you're standing face to face and I lock somebody down, they're near your waist?

AS: Correct.

PC: So and that's when you feel him grab your...?

AS: Correct.

PC: Two hands or one hand or?

AS: Two hands.

PC: Okay. So as soon as he does that, you're on the right side. And as soon as you feel that, what, what happens next?

AS: I go down. I join him with my two hands.

PC: Okay.

AS: To lock it down.

PC: Okay. Which is a defensive tactic move?

AS: Correct.

PC: That you're taught to secure. So basically there's four hands holding this?

AS: Correct.

PC: His are underneath yours obviously?

AS: Correct.

PC: Okay, and then what happens next? Are you guys? You're obviously not, don't have him in a bear hug anymore.

AS: Um huh.

PC: Okay.

AS: It became, it became somewhat a struggle, uh in regards to keeping him there. Uh, but he, like I say, he wasn't that big of a guy.

PC: Um huh.

AS: But his pulling action actually made me go this way, coming towards him. And then he puts more weight. Cause he's like he's using his weight to uh to pull down.

PC: Um huh.

AS: And that's when we went to the ground.

PC: Okay. So you're all on the ground now. You're both all, both hands on the gun still?
AS: Both hands.

PC: Still, and he's still trying to tug it out of your holster?
AS: Right.

PC: Now are you...and we kind of described it. Were you just in a position where you're just a stand still? Or are you guys rolling around or?

AS: I'd have to say stand still.

PC: Yeah.

AS: Because that's where I said, 'Let go of the gun!'

PC: Okay.

AS: 'Let go of the gun'. You know I was looking at him face to face, sideways. Uh, this is after uh, he fall, and this is locked.

PC: You're describing right now that you're falling on the side where you have the mark on your head. So you're falling on your gun side. On your right side where you hit your head or your head is scraped?

AS: Correct.

PC: So as you're on the ground and uh what, what is he saying?

AS: Absolutely nothing.

PC: Is he making any noises? Is he grunting? Is he growling?

AS: No.

PC: Nothing?

AS: No, nothing at all. Not that I can remember sarg.

PC: Okay.

AS: He absolutely had nothing to say. He had a straight face in what he was doing. He knew when he was grabbing it.

PC: Okay.

AS: He knew how I was gonna react. That's how I looked at it.

PC: Okay. So you're both on the ground. And you're probably more or less on your right side. What's happened next? He's still the tug of war or?

AS: It's a tug. It's a tug back and forth. I wanted to stay there because I wanted his hands to be pinned. My hands to be stuck on there.

PC: Okay.

AS: Until he lets go. I figured he's gonna lose strength. If he wants to run away, he can try to run away. That way he gets his hands off my gun. I don't know what point it came, but he brought his knee up to my hip.

PC: Um huh.

AS: And tried to give a big tug to try to pull the gun out. And that's when I was, I was really concerned at the fact that all his strength is, is is really tougher than I thought.

PC: Um huh.

AS: So he put up his knees towards my hip and started pulling.

PC: So he's putting his knees up in your hip as trying to like pry your, like give leverage with your knee?

AS: Correct.

PC: To pull the gun out um, okay. So when he's doing that, I mean what are you doing now? You still have your hands on your gun or?

AS: Yes sir. I'm not gonna take it off.

PC: Okay.

AS: I'm not going to take it off.

PC: Okay, so uh, and I don't want to go how long do you think this, how long do you think this struggle happens, cause a lot of things slow down, but I mean is this a thirty second, a minute or, or do you even know?

AS: That's a good question sarg. I'm not. I don't know.

PC: Okay.

AS: Yeah. I don't.

PC: So now, when you're there, and um, just trying to remember what the next sequence was, was uh, you're in a stale mate. From the knee up to the chest, what do you do next? So you're not letting go and what do you remember next?

AS: What I remember is I was on top of him. What I don't remember is how I got there. All I remember is we were struggling and he, he does, he makes one move where I felt something where I, I was able to get on top of him. Uh I wish I could tell you sarg how it happened. But all I remember is we came up and then I was on top of him.

PC: Okay, now you're on top of him. Are you straddling his chest area?

AS: Correct.

PC: With both your knees?

AS: Correct.

PC: Like he's down?

AS: Correct.

PC: Face up? Still face to face?

AS: Correct.

PC: What I'd describe as uh, on his chest area where you can see his face. And, okay, where is his hands then and obviously...?

AS: On my weapon.

PC: Okay. Still? And you're still....even though you're straddling him, you still have?

AS: Correct.

PC: Okay. So now what happens with the um, is this the point where you felt the tase or the? Or where does that come in or?

AS: So he's pulling the weapon all right. I'm standing here and I, I thought I was in a position of advantage to do strikes or what have you to get the arm off. But there's something about someone pulling your gun that I did not want to let go. So all I had was my two legs okay. And he can, he was able to....do you understand sarg what I'm saying?

PC: Um huh.

AS: I mean I have no other uh, there's nothing up here that can stop me from doing things. Everything was going to be concentrated here, okay? So when he's, whatever he's doing, he's pulling and I'm mounting him. And I thought I could maybe just hold off here. But I did not want to let go of that, my one arm, to call for cover yet.

PC: Right.

AS: So I wanted to hold onto this and wait him out still. Wait him out. Maybe he'll let go, you know? But it came to the point where he's not. He pulled so hard, that his body's coming out of my mount. So then I had to crunch up and...I know it's tough. I'm sorry I can't articulate the feeling sarg.

PC: That's okay. I can try and articulate as best I can.

AS: So I came up, cause he's pulling. So my hip comes out to keep my balance. I don't want him on top of me. So that's when I went under and just bear hugged him. From the top. While he's laying down.

PC: Okay.

AS: His back to the back, and he's right here. He has two arms still right here.

PC: Um huh.

AS: So I'm still laying down. And then he takes one arm up. As he does so, I get up, 'Cover now! Cover now!'

PC: Okay.

AS: I go back under and I just, I just bear hug him and wait till the Calvary comes.

PC: Okay now as you're facing him still mounted, you pull your left hand behind his head and with one hand on your gun....I'm just trying to articulate what you just demonstrated here. So one hand is still on the gun and you reach around back to his back or his neck area and then are you hugging him?

AS: His hip area.

PC: His what?

AS: Hip.

PC: Hip?

AS: So I'm down like this. So he's, I told him....I put my face against his chest.

PC: Um huh.

AS: And just held it there. Just hold it here.

PC: And he's on his back?

AS: He's on his back.

PC: Okay. And now you said he had removed an arm or a hand?

AS: He moved one hand out?

PC: Okay, and what, what, where does that go? Do you recall or?

AS: I don't recall where it went.

PC: Um huh.

AS: But I remember looking at him and I said to him, you know, I said to him again, you know, 'Let go of the gun! Let go of the gun!' And then he had that look in his face like, you know, he's not going to give up. Uh, and so I said okay. I'll stay here. I'll stay here.

PC: Cause you had already called for cover?

AS: Correct.

PC: Okay. So you're staying as a stale mate in position. Still on top. Still straddled. Still he has his one hand now? Or two hand still on the gun or?

AS: He has one hand.

PC: And you have one hand?

AS: I had one hand, 'Cover! Cover now!'

PC: Yeah.

AS: Then it went back to two hands.

PC: Okay. With his one?

AS: With his one.

PC: And where was his other hand at that time or do you remember?

AS: I don't remember.

PC: Okay.

AS: Then I did bring out my other hand to make sure I hold him.

PC: Okay. So at that point um you're, you stated you're gonna just hold him down and wait until everybody comes because now you call for cover.

AS: Um huh.

PC: And then what happens in the interim when you're waiting for the Calvary to come, uh, what happens next?

AS: Then I get tased...I felt the numbing.

PC: Okay.

AS: In the back of my head.

PC: Okay.

AS: I'll leave the tase out cause I didn't know it was a tase yet.

PC: Okay.

AS: I just felt my body just paralyzed at that point.

PC: Okay. So this is, this is the next question. So you...where do you wear your taser at?

AS: It'd be my far back hip, left area right here. Left.

PC: Okay. And what kind of, the holster that the taser has?

AS: It's a leather snap on.

PC: Okay. Do you have to unsnap it or do you have to? So it's a leather one? It's not the plastic, you know the plastic ones?

AS: Yeah.

PC: That you flip?

AS: Yeah, I understand.

PC: Okay.

AS: I know it's a little one.

PC: Okay, so what's it held in place by? A button or a?

AS: Just one button.

PC: Just one snap?

AS: Um huh.

PC: Okay, so just all of a sudden you felt like, like you said, you didn't think you were being tased, but you felt electricity?

AS: Um huh.

PC: Right? Okay. Um, did you hear like the pop or did you think he grabbed your taser or?

AS: No I didn't. The taser was not even on my mind until I heard and smelled a burning.

PC: Um huh.

AS: Uh, I thought I was shot. That's what I thought because I was paralyzed. Nothing, there was no inclination of any type of taser that I thought at that moment. It wasn't until I realized when I, when I start to, to hear the 'tick, tick, tick' coming?

PC: Um huh.

AS: Because you understand when it first initially happened, I was just done. I was just frozen. And then there was a struggle and then things just went quiet. So I didn't hear anything. Then after a while it came back, and that's when I heard, 'tick, tick, tick, tick, tick, tick'. And that's when I realized I'm being tased.

PC: Okay, now just before you felt this burning, so just let me get your position right? So you're straddling him still on top of him and he's on the, your back. He's on the back and you're still straddling him. Kind of pulled him in like you had described. You're just holding and waiting for somebody to come?

AS: Correct.

PC: Right? Um, so you're in close quarters. Are you chest to chest or?

AS: You know what sarg? I don't know. Uh, I would say my head was to his stomach.

PC: Um huh.

AS: If that, if that's any better. I wasn't chest to chest.

PC: Okay.

AS: Definitely not. I was head towards his stomach or his chest.

PC: Um huh.

AS: But basically I was down here in his hip area.

PC: Okay. And you still, are you still holding on with one hand?

AS: Not, not letting go of him.

PC: Okay. So and he still has one hand on right?

AS: Um huh.

PC: So he's got one hand free?

AS: Um huh.

PC: So if he's laying, do you remember if it's right hand or left hand or? Cause you'd have to cross your body.

AS: Um huh.

PC: If I'm him and you're laying on me.

AS: Um huh.

PC: So is it? Do you remember or?

AS: Which hand is what?

PC: Which hand he has on?

AS: On my weapon?

PC: Yeah.

AS: It's his left hand.

PC: Okay. So his left hand. So that, cause it's on your right hand side, okay. So he's got one hand free. Uh, and then you carry your taser over on the left back?

AS: Correct.

PC: So, but just all of a sudden you never pulled your taser?

AS: Never pulled my taser.

PC: You never grabbed your taser or unstrapped it or?

AS: No.

PC: Okay.

AS: In fact I've, I've rarely used my taser at all.

PC: Okay, so the next thing you remember is you're holding him and waiting, is you just felt the burning and you can hear the sound that the taser makes. And it didn't, did it lock your body up? I mean you described how?

AS: Yeah, it locked my body up.

PC: So did you then, did you, did it make you let go of your weapon or?

AS: Negative. Negative.

PC: Okay.

AS: I wasn't gonna let go of that gun. My body was so constricted, I knew that if anything worse for that guy, that arm's not gonna go nowhere. It's gonna be stuck there because of the electricity.

PC: Okay.

AS: So it wasn't going nowhere.

PC: Okay. Did you hear any pop before you felt the shock or?

AS: No I didn't sergeant.

PC: Nothing? Okay. So after you feel the burning sensation, you're saying it's on the back of your neck, correct?

AS: Correct.

PC: Okay and then what happens after you realize that, you know, somebody's tasing me or?

AS: I didn't know it was a tase. I thought I got shot sarg.

PC: Okay.

AS: I thought I got shot.

PC: And then after you realized when you hear, you said you heard the ticking, then are you realizing it's a taser or?

AS: Correct.

PC: Okay.

AS: Correct.

PC: And then what happens next? What goes through your mind after that and what's he doing?

AS: I remember his face. He's looking, he's just looking at me like he's got me, you know? Um, like he outmaneuvered me. Uh, but at the same token, I had to get out of this. Uh, I don't know how I can explain it again to you sarg.

PC: Yeah.

AS: I had to fight my way out of that, that paralyzation.

PC: Right.

AS: I, that, that was my mind frame okay. And it's no joke when you see your family crossing your face and then you can hear the cycle, especially when your volume goes out, volume comes in. And then I can see my, my family. Then I can smell, and see the taser. At that point I knew I could get out of this shit. And that's when I said, 'Okay, I got to get out. I got to get out. I got to do everything I can to get out. I knew it was a taser. Whatever he had was in the back of my head. I don't know if someone else was tasing me. I don't know if he was tasing me.

PC: Now did you feel his arms up in that area? Cause if I have to hit you in the back of the neck, I have to have my hands up and around to do it. You know what I'm saying. Cause if his, if his.

AS: I hear you. I hear you. I didn't see anything or feel any arm.

PC: You just felt the...

AS: I just....

PC: you just his arm around you or anything else like that?

AS: Negative. All I felt was the snap on my neck.

PC: Did you feel any like wires, you know, or anything?

AS: Negative sarg.

PC: Just the direct....?

AS: Negative.

PC: Okay. So after that happens and uh you realize that, what's the next....did you roll out or explain that again? After all that went down?

AS: Well like I said, I did everything I can to make sure...I told myself if I can just concentrate my focus on my left arm to get it up to the taser. Cause I knew at that point I'm being tased. If I can at least get it to this area, I can at least hit it out. At least give me some distance so I can distance away from him. Uh, all I wanted to do was get that tase off so I can, I can feel like I'm back. Cause I wasn't back. I was literally stuck there. I knew the guys were coming, but still being stuck in that position, I don't, I knew I couldn't...I had to find a way out of it.

PC: Okay. And what do you do? Do you roll out or did you roll off after that?

AS: After I was able to hit it, that's when I hear a 'pop'. I do remember a 'pop' and then that's, that was my opportunity to get out. So as I, as I come back, I made a little distance and punched him out and that's when I came back. And he, his, he let go of that left arm. And that's when I came back.

PC: Okay, um, now the 'pop'. What was the popping sound? Or what do you?

AS: I don't know sarg.

PC: Okay.

AS: It could be the taser right?

PC: Okay. So let me back up here. So you finally....do you break away from him after the pop or?

AS: Yes sir.

PC: Okay. And that's when you, you roll off of him. And then what happens with him. Does he have a taser in it? Do you see him have your taser in his hand?

AS: No I don't.

PC: Okay. You never saw him?

AS: Nuh uh.

PC: Uh, handle it?

AS: Nuh uh.

PC: So once you roll off and you had described you pushed him away, or got distance from yourself. Then what happened?

AS: That's when I told him again, 'Drop it'. Cause then at that point once I saw, once I conveyed distance and I saw what's in front of me.

PC: Uh huh.

AS: He had the taser.

PC: Okay, so he did have the taser?

AS: That's when I saw it.

PC: Okay. Then he had the taser in his hand? Do you remember, right hand? Left hand?

AS: I don't remember sarg.

PC: Okay. He's on the ground and now you separate. And you're standing up right?

AS: Um huh.

PC: Or what's his position?

AS: He's on the ground.

PC: Okay, laying flat on his back or?

AS: No, he's up. He comes up like that. So he's, he's not lying on the ground like that. He just basically comes up.

PC: Okay, so he's kind of leaning up?

AS: Um huh.

PC: But not standing. He didn't stand up?

AS: No.

PC: And he's not on his knees or anything or?

AS: No. No.

PC: Okay, and then you see him. He has a taser and you tell him to drop the taser?

AS: Um huh.

PC: Okay, and what does he do?

AS: That's when he tried to get on his knees and comes towards me.

PC: Okay.

AS: And I was afraid that he was gonna tase me again, and that's when I just decided to end it right here and took the shot.

PC: Okay. And so as he's coming, so when you fire one round, he's on his knees getting to get up to come towards you?

AS: Um huh.

PC: And he still has the taser in his hand?

AS: Um huh.

PC: Do you see where the wires are, or could you see anything?

AS: Negative. Negative sarg.

PC: Okay. Did you see anything else on the ground or?

AS: Negative sarg.

PC: Okay. Um, let me ask you this and I mean to back you up on here. On your handgun, it's a Glock?

AS: Correct sir.

PC: They're made to put multiple grip, or guard. Do you have double or do, you know, on the back strap?

AS: Right.

PC: You know the backstrap.

AS: Right.

PC: Where you can clip on multiple uh...

AS: To make, you mean to make it ready?

PC: Yeah. Do you carry one or two or do you have....?

AS: You know I don't recall sarg.

PC: Okay.

AS: I don't recall.

PC: Okay. Okay. Um, do you have anything Lieutenant or?

PR: Yeah I just wanted to clarify that too. When he came, he's coming up on his knees and he's holding that taser, you didn't see any of the wires coming out of that or anything like that?

AS: No I didn't L.T.

PR: Do you remember what he was doing? He has the taser and you don't...do you remember which hand he had it in?

AS: I'm gonna say no L.T.

PR: Okay. Was he reaching towards you?

AS: He was trying to come at me.

PR: And when you moved off, you were saying like, you described yourself as semi crouching position, but standing up?

AS: Um huh.

PR: Do you remember, you said you aimed at his chest. Do you know where his arm was or anything when you fired that round?

AS: No I do not L.T.

PC: Okay. Um Amy?

AG: Nope. I think he's gone through it two, three, four times pretty thoroughly now.

PC: Sure, okay. All right. If there's no other questions, then I'll conclude the interview. It's 1:05.

At the conclusion of the interview, I escorted Officer AHFOOK and POA Attorney GORDON to the 6th floor processing room to document Officer AHFOOK's injuries. Crime Scene Specialist Karen McDONALD took several photographs of Officer AHFOOK's injuries. It should be noted these photographs were taken three days after the initial incident.

**SAN DIEGO POLICE DEPARTMENT
INVESTIGATOR'S REPORT**

DATE (occurrence): October 27, 2015 (Tuesday)
TIME (occurrence): 2246 Hours
LOCATION: 4875 North Harbor Drive
SUBJECT: OIS/Special Investigation – SDPD Case #15-046913
69 PC Resisting Executive Officer– SDPD Case #15-046912
Incident: #15100053009
Officer: AHFOOK, Sulimoni #5216 (Harbor Police)
Suspect: ASHFORD, Anthony, B/M (29) DOB: [REDACTED]

Call Out:

On October 27, 2015, at approximately 2310 hours, I received a call from Sergeant Paul CONLEY # 4673 from SDPD Homicide Team IV instructing me to respond to 4800 N. Harbor Drive to investigate an Officer Involved Shooting involving a Harbor Police officer. I was off duty and at home when I received the phone call. I left home and drove straight to the scene.

I arrived at the scene October 28, 2015 at approximately 0010 hours. The scene was located at the north parking lot of a Holiday Inn Hotel located at 4875 N. Harbor drive. The area is referred to as the Roseville/Fleet Ridge community of San Diego and is located in the San Diego Police service area beat 615.

When I arrived, I noticed uniformed patrol officers protecting the perimeter of the scene. The officers had access blocked off to vehicular and pedestrian traffic using patrol vehicles and police crime scene tape.

At the scene were several personnel from the San Diego Harbor Police Unit along with Sgt. Andrea MYERS #6221 from SDPD. I learned one (1) Harbor Police officer was involved in the shooting and he had been transported to UCSD Medical Center. The officer was later identified as Sulimoni AHFOOK.

BRIEFING:

The briefing consisted of Lieutenant Paul RORRISON #4305, Sergeant Paul CONLEY #4673, Detectives Al LOZANO #4819, Juan CISNEROS #5811, Jonathan DUNGAN #6137, and myself. Present from the Crime Laboratory were Criminalist Supervisor Frank HEALY #83701, Criminalist Marybeth SCIARRETTA #8193, and Crime Scene Specialist Karen MCDONALD #8161.

Outside Agencies present at the scene were, Harbor Police Chief John BOLDUC #5527, Lieutenants James JORDAN #3216, Eric WOMACK #4123, Sergeant Joe PARRA #2751, Officer C. HARDY #5012 (Scribe) and District Attorney Investigator Robert LOBATO.

Sergeant Andrea MYERS conducted the Homicide Briefing at 0119 hours. Sergeant MYERS stated the following:

Investigator's Report
Case Number: 15-046913

At 2251 hours on October 27th, 2015, San Diego Police Communications received a call from Harbor Police Communications informing SDPD of a "10-88" (Request for Cover) at 4875 N. Harbor Drive.

Officer S. AHFOOK #5216 first arrived on scene at 2246 hours. The decedent had not been identified. He was described as an African-American male, approximately mid-thirties in age.

Paramedic Unit 1 and Engine 22 arrived on scene to perform life saving measures. Paramedic Unit 1 was staffed by Andrew DELGADILLO #P12135 and Trevor ZACK #I2093. The African-American male was pronounced deceased by Paramedic CASCIO #301617 (Engine 22) at 2306 hours.

The decedent was located at the north-end parking lot of the Holiday Inn Hotel.

Officer AHFOOK contacted the decedent because he believed the decedent to be casing vehicles. The decedent engaged Officer AHFOOK and grabbed his handgun while it was holstered. The decedent used both hands and attempted to pull the handgun out from Officer AHFOOK's holster.

Officer AHFOOK and the decedent fell to the ground. While on the ground, the decedent took control of Officer AHFOOK's taser and fired it at the back of Officer AHFOOK's neck. Officer AHFOOK was able to fight thorough the taser and was able to create a small distance between himself and the decedent. Officer AHFOOK stood up, un-holstered his weapon and fired one round at the decedent. The decedent was struck once in the chest area.

A Harbor Police officer photographed CPR efforts being performed. A Harbor Police Traffic Unit is equipped with a "dash cam" and captured life saving measures upon arrival.

Vehicle 9211 was moved from its original location in order for Fire Department personnel to gain access to the decedent. Officer AHFOOK's vehicle (9218) is parked along the curb east of the north parking lot entrance.

Prior to Officer AHFOOK making contact with the decedent, there was a radio call of an African-American male causing a disturbance at a Holiday Inn.

Officer AHFOOK was transported to UCSD Hospital and was treated for minor injuries. Harbor Police officers checked the area for witnesses, none were found. Harbor Police Officer Michael WHITTAKER #3929 took photos of emergency personnel performing CPR on the decedent.

Sergeant MYERS spoke with Officer AHFOOK and obtained his initial statement prior to being transported to UCSD Hospital.

The briefing ended at 0135 hours on October 28th, 2015.

RECORDS AND BWC COLLECTION:

On 10-29-2015 at about 0715 hours, I went through ASHFORD rap sheet and local history to discover he had been a reported Missing Person to our agency (Case #15-041224) on 05-01-2015 by this mother Eveyly ASHFORD. The report was cancelled when he was contacted by California Department of Parks and Recreation on 09-24-2015. His mother was notified.

I noticed ASHFORD was relatively new to the San Diego County area. His first contact by the police was on 05-19-2015 in Escondido. He had contacts with San Diego Sheriff's Department, Carlsbad Police, Coronado Police, Chula Vista Police and Escondido Police. During two encounters with Escondido Police Department, ASHFORD was not truthful about his name and was acting peculiar. These incidents were recorded on body worn cameras.

I called Escondido Police Department and spoke with Sgt. PROVOST of Internal Affairs. She located the footage and provided me with the incident print outs and video. I picked the video up on October 29th, 2015 at Escondido Police Department around 1545 hours. I impounded the originals here at Headquarters under Barcode numbers #10549511 and 10549512. I reviewed the video and noted the following:

The first contact was on 06-29-2015 at 2327 hours. It was self generated by Officer T. HERRMANN who took notice of ASHFORD when he was standing in the middle of the roadway at 1700 E Valley Parkway. On the video it shows Officer HERRMAN contacting ASHFORD who was carrying a large stick (as tall or taller than him) that was tied to his right wrist. ASHFORD does not provide his proper name to the Officer, but give's him portions of it and continues to ramble with nonsensical ramblings. The contact was ended after ASHFORD identity was obtained and it was determined he didn't have any warrants for his arrest.

The second contact was on 07-21-2015 at 651 E Pennsylvania Avenue. A citizen called into report two transients camped out at the location and leaving bottles of urine at the reporting parties address. Unit's made contact with ASHFORD, but they have a hard time identifying him because he tells them he is Anthony ASH. Officer CRAIG arrived with a facial recognition device and it's discovered ASH is ASHFORD. ASHFORD once again appears to be either under the influence and/or suffering from mental issues.

On ASHFORD'S rap sheet, I found numerous past arrests and many were assault related, robbery, weapon charges, vandalism, arson, false information and narcotics. ASHFORD rap sheet did show ASHFORD was deemed as mentally incompetent and some of his time served was in State Mental Hospital.

I faxed requests to San Diego Sheriff's Department Records, Fairfield Police Department, San Joaquin County Sheriff's Department, Solano County Sheriff's Department, San Luis Obispo County Sheriff's Department requesting their records on ASHFORD.

I received records back from the following:

Fairfield Police Department
San Diego Sheriff's Department
Solano County Sheriff's Department
San Luis Obispo County Sheriff's Department.

Investigator's Report
Case Number: 15-046913

Fairfield Police Department had the most records on ASHFORD including a report that ASHFORD shot another male during a robbery in 2005 (see the attached reports from all agencies for further details).

REPORT NARRATIVE

SYNOPSIS:

On 8/26/15 at about 0934 hours, Anthony Ashford [REDACTED] exhibited the signs and symptoms of being under the influence of a controlled substance at Brengle Terrace Park, located at 1200 Vale Terrace Drive, City of Vista. When asked what his name was Ashford gave deputies a false name twice. Ashford's identity was verified by his California Driver's License photograph.

Ashford was arrested for 11550(a) H&S - Under the Influence of a Controlled Substance and two counts of 148.9 PC - False Identity to a Peace Officer to Ashford's Charges. Ashford was transported to the Vista Patrol Station for processing before being booked into the Vista Detention Facility.

ORIGIN:

On 8/26/15 at about 0917 hours, I was dispatched to investigate a report of a suspicious person at Brengle Terrace Park, located at 1200 Vale Terrace Drive, in the City of Vista and County of San Diego (CAD#E2766700).

BACKGROUND:

None

INVESTIGATION:

At about 0931 hours, I arrived. I saw a male, later identified as Anthony Ashford [REDACTED] who matched the suspect description. As I approached Ashford I noticed he was sweating profusely. Ashford's eyes were bloodshot and watery and his speech was slow and slurred. Ashford had a blank stare and could not seem to focus on what I was saying to him. I had to ask Ashford questions several times before he would reply. Some of Ashford's replies were random and off-topic. Ashford kept staring up at the sun as I spoke to him.

I explained to Ashford the Romberg Evaluation. I asked Ashford to tilt his head back, close his eyes and to estimate 30 seconds silently in his head. I told Ashford when he was done estimating 30 seconds to open his eyes, look at me and tell me to stop the timer. Ashford told me to stop the timer when 11 actual seconds had elapsed. (Normal range 30 seconds +/- 10 seconds) During the test I observed Ashford's eyelids fluttering continuously.

I measured Ashford's pupils using my pupilometer. They measured 2.0 mm (Normal range 3.0 mm to 6.5 mm) I used my flashlight to see if Ashford's pupils reacted to light. Ashford's pupils did not react to light.

Throughout the tests Ashford had a difficult time following simple directions and kept behaving erratically. From Ashford's performance on the evaluations and from my training and experience, I formed the opinion that Ashford was under the influence of a controlled substance. I arrested Ashford for 11550(a) HS - Under the Influence of a Controlled Substance. See attached Drug Influence Supplemental Report for further details.

When I asked Ashford what his name was, Ashford told me his name was Jesus Lazarus. I believed Ashford was lying about his name. Ashford did not have any identification on his person. Corporal Downes #3936 attempted to identify Ashford with facial recognition software, but was unable to find a match. I transported Ashford to the Vista Patrol Station (VPS) for processing.

When I arrived at VPS I asked Ashford again what his name and date of birth was. Ashford said his name was Anthony Ash with a date of birth of [REDACTED]. When I looked on SDLaw I could not find any one by that name. I found someone under the name of Anthony Ashford with a date of birth of [REDACTED] that matched Ashford's description. I verified Ashford's Identity utilizing his Driver's License photograph. I added two counts of 148.9 PC - False Identity to a Peace Officer to Ashford's Charges.

I read Ashford the Miranda Admonishment verbatim from my Deputy's Notebook. I asked him, if he understood his rights. Ashford refused to reply. I did not obtain a statement from Ashford.

When the phlebotomist arrived at VPS, Ashford refused to give blood. No blood or urine sample was obtained from Ashford.

I transported Ashford to the Vista Detention Facility (VDF). I took digital photographs of Ashford. Ashford was booked into VDF for two counts of 148.9 PC - False Identity to a Peace Officer and 11550(a) H&S - Under the Influence of a Controlled Substance.

REPORT NARRATIVE

Synopsis:

Anthony Ashford [REDACTED] was contacted during a radio call of a suspicious person. Ashford gave three different names and dates of birth before he was eventually identified as Anthony Ashford. Ashford was arrested for a violation of 148.9 PC- Give a false identity to a Peace Officer.

Ashford was booked into the Vista Detention Facility without incident.

Origin:

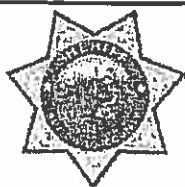

On 8-12-15 at approximately 1656 hours, I received a radio call of a suspicious person who was located on the corner of Arcadia Bluff Court and Turtle Point Way in the city of San Marcos. Per the text of the call, the subject in question was a male who had a shopping cart full of items.

Upon my arrival, I located a subject on the corner of Arcadia Bluff Court and Turtle Point Way who matched the description given by the reporting party. I approached a black male adult who was sitting on the curb. I asked the male what his name was and he told me it was Yo Waanek [REDACTED]. A records check showed no results for a Yo Waanek [REDACTED]. The male then told me his name was Yo-Waanek Ash-Rose [REDACTED]. I tried another records check on the name he provided, but records check provided no record.

Facial recognition software was used in an attempt to identify the male, but no match was found. The male then told me that his real name was Anthony Ashford and he was born on [REDACTED]. I then conducted a records check on the name and DOB given and a match was found. Sheriff's records provided me with physical descriptors that matched Ashford. I then placed Ashford under arrest for a violation of 148.9(A) PC-Give a False Identity to a Police Officer.

Ashford was booked into the Vista Detention Facility without incident.

Ashford had shopping cart full of clothing that he was not able to take to jail. Those items were taken and placed into evidence as safe keeping. Ashford also had several items that were labeled Julie Hardy. Ashford claimed that his other name was Julie Hardy. Due to the fact that a Julie Hardy was not able to be located at the time of the contact, the items that were labeled Julie Hardy were placed into evidence as found property.

This concluded my investigation.

FACTS:

On 3/12/14 at approx. 1622 hours, I was dispatched to the area of the Solano Town Center bus stop located on Gateway Blvd. near Sears reference a theft that had occurred in Vallejo. RP- [REDACTED] a Road Supervisor for Solano Transit, advised V- [REDACTED] had reported to him that a BMA had stolen his black duffle bag while they were at the Vallejo Transit hub and was on Bus 5035 en route to Fairfield.

Upon the arrival of the bus, Ofc. Oliver saw a BMA, later identified as S-Ashford, matching the description given by RP- [REDACTED] exit the bus. S-Ashford was carrying a black duffle bag and began walking away from the bus. Immediately upon contacting S-Ashford, he dropped the duffle bag and claimed he had found it.

S-Ashford was found to be on active parole. Incident to a parole search, a set of nunchaks was found upon searching the backpack he was wearing. Additionally, a search of the duffle bag found indicia inside for V- [REDACTED]

I attempted to call V- [REDACTED] but found the number given to RP- [REDACTED] and relayed to us was not a valid number. Vallejo PD advised they had not been contacted by V- [REDACTED] to make a theft report and they had no contact information for him in their RMS.

Based upon S-Ashford's statements that he had found the duffle bag but had made no attempts to contact V- [REDACTED], despite the indicia in the duffle bag, nor attempt to report his discovery or turn it in to representatives of Solano Transit, and then leaving the area with the duffle bag, S-Ashford was placed under arrest for misappropriation of found property. He was also arrested of the possession of nunchaks and CDCR was contacted, who authorized a parole violation hold on S-Ashford.

S-Ashford was transported and booked at SCJ. The duffle bag and nunchaks were into evidence.

DISPOSITION:
CLOSED BY ARREST.

S-ASHFORD, Anthony, DOB [REDACTED]

FACTS:

On 5-25-05 at approximately 1430 hours, I responded to the vicinity of Tilt at the Solano Mall regarding a shooting victim. While en route, Dispatch advised that the victim was on the first floor by Sears.

I arrived on scene and noticed that Officer Shaffer was already on scene and speaking with V- [REDACTED]. V- [REDACTED] was sitting on the floor, leaning up against a planter box. His right pant leg was rolled up above his knee. I saw a circular red mark, which appeared to be a gunshot wound, just above his right knee. I also noticed a blue handkerchief tied around V- [REDACTED] right leg just above the gunshot wound.

I asked V- [REDACTED] if there were any witnesses to this incident. V- [REDACTED] pointed toward a white male subject, later identified as V- [REDACTED]. He told me that V- [REDACTED] was with him when this incident occurred.

I contacted V- [REDACTED] who was speaking with a female mall security officer. V- [REDACTED] told me the following.

V- [REDACTED] stated that he and his brother, V- [REDACTED], met up with three subjects; two black male subjects approximately 20 years old, and a white male subject, approximately 20 years old, inside the mall by Tilt.

V- [REDACTED] and V- [REDACTED] inquired about buying some marijuana from the

subjects. The three subjects and V- [REDACTED] and V- [REDACTED] walked to a house on Michigan Street, just west of Second Street. The three subjects told V- [REDACTED] and V- [REDACTED] to stand in front of the house while they went inside to retrieve some marijuana. Several minutes later, the three subjects emerged from inside the house and one of the three subjects, later identified as S-Ashford, signaled for V- [REDACTED] and V- [REDACTED] to follow him into a blue van that was parked in the driveway in front of the residence.

V- [REDACTED] and V- [REDACTED] followed S-Ashford into the blue van at which time S-Ashford removed a small black revolver from his front waistband and pointed it at V- [REDACTED] and V- [REDACTED]. S-Ashford ordered them to empty their pockets. V- [REDACTED] was afraid for his safety. Therefore, he removed \$2.00 from his right front pants pocket and his wallet from his right rear pants pocket and handed it to S-Ashford. V- [REDACTED] said that V- [REDACTED] also handed over a bunch of stuff from inside his pockets.

S-Ashford then ordered V- [REDACTED] to give him V- [REDACTED] backpack. V- [REDACTED] said that V- [REDACTED] told S-Ashford that he had already taken everything from him. Therefore, he was not going to give him the backpack. S-Ashford grabbed the backpack and attempted to pull it away from V- [REDACTED]. V- [REDACTED] pulled his backpack away from S-Ashford. S-Ashford then proceeded to shoot V- [REDACTED] in his right leg. S-Ashford continued to point the gun at V- [REDACTED] and V- [REDACTED] and ordered them to run away.

V- [REDACTED] said that as they exited the blue van, S-Ashford wrapped his

V- [REDACTED] and V- [REDACTED] ran eastbound on Michigan Street and then northbound onto Second Street. V- [REDACTED] said that S-Ashford might have followed them northbound on Second Street and across Travis Boulevard and into Best Buy. However, V- [REDACTED] was not sure.

V- [REDACTED] said that he and V- [REDACTED] did not know that V- [REDACTED] had been shot in the right knee until they ran into Best Buy. V- [REDACTED] said that he had to carry V- [REDACTED] as he could not run or walk anymore.

I asked V- [REDACTED] where they were going. V- [REDACTED] said that they were going to go to NorthBay Medical Center to get treatment for V- [REDACTED].

I asked V- [REDACTED] if the other two subjects were involved in the robbery. S- [REDACTED] said that he did not think so as the subjects looked surprised when S-Ashford removed the handgun from his waistband and ordered V- [REDACTED] and V- [REDACTED] to empty their pockets.

V- [REDACTED] described S-Ashford as being a dark-skinned black male adult last seen wearing a white Raiders jersey, black pants, and a black sweatband around his head. He was also described as being approximately 5-7, slim build, with short hair.

V- [REDACTED] described S#2 as a dark-skinned black male adult, approximately six feet tall. He was last seen wearing a white T-shirt, blue shorts, a white du-rag covering the top half of his head, and flip

S#3 was described as a white male adult, approximately six feet tall with a shaved head. He was last seen wearing a red and blue baseball-type jersey.

I asked V- [REDACTED] if he could identify all three suspects if he saw them again. V- [REDACTED] stated that he possibly could.

While I interviewed V- [REDACTED] at the scene, V- [REDACTED] was being tended to by Fairfield Fire and Medic Ambulance personnel. He was later airlifted to John Muir Medical Center for treatment. Officer Shaffer obtained a statement from V- [REDACTED] before he was airlifted to John Muir Medical Center. Refer to Officer Shaffer's supplemental narrative.

I transported V- [REDACTED] to FPD for further questioning. While at FPD, I questioned V- [REDACTED] about the whole incident again. V- [REDACTED] basically corroborated his previous statement.

While I was questioning V- [REDACTED], I heard over the police radio that Officer Ledford and Officer Cesar had detained a subject on the Linear Trail just south of Travis Boulevard who possibly matched the description of one of the suspects. I advised Officer Ledford and Officer Cesar that I was en route with V- [REDACTED] from FPD to conduct an in-field line-up to see if V- [REDACTED] could identify the subject they had detained.

While en route, I heard Officer Cesar broadcast that another witness had positively identified the subject they had detained, S-Ashford, as being involved in the incident.

DATE/TIME OCCURRED: 052505 1400 hours DATE/TIME REPORTED: 052505 1430 hours

LOCATION OF OCCURRENCE: 1512 Michigan Street

I admonished V- [REDACTED] of the line-up admonishment prior to arriving at the scene. Upon arrival, I positioned my patrol car approximately thirty feet behind Officer Ledford's patrol car. Officer Ledford and Officer Cesar removed S-Ashford from the back of the patrol car and turned him around to face my patrol car. V- [REDACTED] immediately said, "That's him." I asked V- [REDACTED] if S-Ashford was the subject who shot V- [REDACTED] or if he was one of the other two subjects. V- [REDACTED] said that S-Ashford was the subject who shot V- [REDACTED] and robbed them of their personal property. I asked V- [REDACTED] if he was sure and he said "yes."

I advised Officer Ledford and Officer Cesar of the positive identification of S-Ashford.

V-Dryden was later released to his grandfather, Keith Breeman.

Officer Ledford and Officer Cesar transported S-Ashford to FPD for processing.

After I released V- [REDACTED], I contacted S-Ashford in the holding cell. Officer Ledford was performing a GSR kit on S-Ashford's hands and face. After Officer Ledford completed the GSR kit, I asked S-Ashford if he knew why he was under arrest. S-Ashford said that he did not. I advised S-Ashford that he had been identified by two witnesses as being the suspect in a shooting that occurred on Michigan Street and, therefore, I needed to talk to him about the incident.

I read S-Ashford his Miranda rights from my department-issued Miranda Card. I asked S-Ashford if he understood his rights. S-Ashford said "yes."

I asked S-Ashford if he wanted to talk to me about the incident. S-Ashford hesitated for approximately a minute and then said, "Yeah. I'll talk to you."

S-Ashford denied knowledge or involvement in the shooting. I asked S-Ashford if he had any business walking around the Linear Trail at Travis Boulevard. S-Ashford said he was walking home from his sister's apartment. I asked S-Ashford if he knew his sister's address and he said that he did not. He said that his sister lived somewhere by Little Caesar's Pizza on North Texas Street.

I asked S-Ashford where he was going from his sister's apartment. S-Ashford said that he was going home. I asked him where was home. He said, "On Waterman by Safeway." I asked S-Ashford why he did not take North Texas Street to Air Base to go home, which is a closer route. S-Ashford then changed his story and said that he wanted to go visit his girlfriend who lives somewhere on Idaho Street. However, he could not provide me with an address.

I asked S-Ashford how he got from his sister's apartment to where he was detained. S-Ashford first told me that he walked. He then quickly changed his story and said that he boarded a bus from North Texas Street to Travis Boulevard in front of the mall.

I continued to question S-Ashford at which time he did not want to talk to me anymore and requested to speak to a lawyer. No further questions were asked.

I contacted Officer Ledford and Officer Cesar and asked them if they recovered any evidence from S-Ashford. Officer Cesar and Officer Ledford advised me that they recovered a pair of black and white gloves along with a black sweatband from inside S-Ashford's pants pockets. Refer to the supplemental report of S-Ledford and S-Cesar.

While I was processing the evidence that Officer Ledford and Officer Cesar had located, Officer Ledford advised me that he had spoken to W- [REDACTED] before he was released and V- [REDACTED] told him that S-Ashford was wearing a pair of black gloves at the time of the shooting. Officer Ledford elaborated that S-Ashford had the handgun in his left hand when he shot V- [REDACTED].

After I completed my investigation and processed S-Ashford through AFIS, I transported him to the Solano County Jail where he was booked for the violations mentioned above.

All of V- [REDACTED] clothes were collected for evidence and later booked into Evidence at FPD along with the GSR kit, the black gloves, and the black sweatband.

DISPOSITION: Refer a copy to the District Attorney's Office for prosecution. Also, forward a copy to Investigations.

On 5/25/05 at approximately 1434 hours, I assisted Officer Xiong in the above-listed case. Officer Xiong had put out information in reference to the above incident. Officer Xiong stated that it had occurred on Michigan Street, just south of Second Street. Officer Xiong described a vehicle such as a blue van parked in the driveway of a residence on that street.

Prior to my arrival, Lt. Hill and Officer Beatty arrived on scene and

Officers Apley, Schneider, and Bertsch had also arrived on scene while I contacted W-[REDACTED], who resides at 1512 Michigan Street. I also contacted W-[REDACTED] son, W-[REDACTED], who also resides at that address.

I asked W- [REDACTED] if he might have heard anything in front of his residence prior to police arrival, and he stated that at approximately 1430 hours, he was in his bedroom, which used to be the garage area of the residence, which faces the street on Michigan; he said he observed what he believed to be the side slider door to his brother's van, which was parked in the driveway of the residence. W- [REDACTED] said he exited his residence and walked out front and observed two WMJs inside the van, and a BMJ and another WMJ just outside the van's slider door. W- [REDACTED] told all four subjects to "get out of here" and they immediately began to run away from the van in an eastbound direction on the sidewalk of Michigan Street towards Second Street.

W- [REDACTED] described the two WMJs in the van as being approximately 14 to 16 years of age. One was approximately 5-7, 100 to 125 pounds; the second suspect was approximately 5-5, between 85 and 100 pounds, both having blond hair. The taller of the two had short hair, and the shorter

of the two had what W- [REDACTED] described as scraggly, mid-length hair. W- [REDACTED] described the 5-7 WMJ as wearing a white shirt and beige pants. He described the 5-5 WMJ as wearing an unknown color button-up shirt and no further description on clothing. W- [REDACTED] described the BMJ as approximately 5-10, 120, wearing all dark clothing and wearing some type of headgear over his head. W- [REDACTED] described the last WMJ as being approximately 6-9, between 180 and 200 pounds, with short blond hair, wearing what he described as red and white sports-type shorts.

W- [REDACTED] said the 5-7 and 5-5 WMJs and the BMJ all ran together in an eastbound direction on the sidewalk on Michigan Street towards Second Street; the 6-0 WMJ was not too far behind them. W- [REDACTED] said he followed the subjects and observed them from the corner of Michigan and Second Streets; by the time he was there he observed the 5-5 and 5-7 WMJs and the BMJ already across Travis Boulevard at the Solano Mall. W- [REDACTED] said the 6-0 WMJ was still at the traffic light and crosswalk at the southeast corner of Second Street and Travis Boulevard. W- [REDACTED] said he walked back to his residence and closed the side slider door to the van.

W- [REDACTED] said at no time did he hear anything other than the slider door to the van open. W- [REDACTED] said he did not know the four subjects who were either in or standing outside of his brother's van.

I then spoke with W- [REDACTED]. I had asked her if we could obtain permission to search the vehicle, due to the information that was given to us that it might have been a possible crime scene. W- [REDACTED] said we

At this time, Detective Cohen arrived on scene to process the alleged crime scene.

Prior to Detective Cohen completing his investigation, Sgt. Bunting and Officer Shaffer had also arrived on scene.

Officer Kresha asked me if I could attempt to locate possible blood droppings from the alleged crime scene to Travis Boulevard, where all four subjects were last seen heading. I did not locate any type of blood droppings along the pathway in which all four subjects had traveled.

I then spoke to W-[REDACTED], who was in a parked vehicle across the street from the residence, and I asked her if she might have heard or seen anything. W-[REDACTED] said she was sleeping on the front seat of her vehicle; she did not see anything. However, W-[REDACTED] said she did hear a male voice say, "Leave my brother alone." Again, she said she did not see nor hear anything else in reference to the above incident.

SUPPLEMENTAL REPORT

V- [REDACTED]

V- [REDACTED]

S-ASHFORD, Anthony

FACTS:

On 5/25/05 at 1430 hours, Fairfield Police Department received a report of a shooting victim walking through the Westfield Shopping Mall located at 1350 Travis Boulevard, Fairfield. Several Fairfield police officers were dispatched to the location, including me. I arrived and contacted V- [REDACTED]. V- [REDACTED] and I recognized each other from my time as a School Resource Officer at Rodriguez High School.

I immediately noticed that V- [REDACTED] right pants leg was pulled up around his thigh and appeared to be soaked in blood. I noted what appeared to be a small gunshot wound to his right thigh, just above his right knee. Fire and medical personnel were called in and while V- [REDACTED] was being attended to by Fairfield Fire Department personnel, I obtained a statement from him.

V- [REDACTED] told me that at approximately 1345 hours, he and his brother, V- [REDACTED] had been at the Westfield Mall. He indicated they were in the upper level of the mall near the Tilt Arcade, where he had met a couple of BMs. He said he had never met the BMs before

but in speaking with them he arranged to purchase marijuana from one of the subjects and gave that subject \$10 for a "dime bag" of marijuana.

V- [REDACTED] said he and his brother were then led to an address on Michigan Street, which was later determined to be 1512 Michigan Street, by two of the BMs, neither of which was the one whom he made the arrangements for the drug purchase with.

V- [REDACTED] said when they arrived at the residence, there was an abandoned van parked in the driveway. V- [REDACTED] said his brother, one of the BMs, and he were directed to get into the back of the van, which they did. V- [REDACTED] said the other of the two BMs went inside the residence and he thought the subject was going inside the residence either to retrieve or purchase the marijuana to give to V- [REDACTED]. V- [REDACTED] said that a couple of minutes later two new subjects - a WM and a BM - came out and leaned into the door of the van. The BM was later identified through investigation as S-ANTHONY ASHFORD.

V- [REDACTED] described S-Ashford to me as a BMA, approximately 22 years of age, 5-11, with a skinny build. V- [REDACTED] indicated that S-Ashford was wearing a blue do-rag, a blue T-shirt, and black jeans. V- [REDACTED] described the WM as a WMA, approximately 20 to 21 years of age, with close-shaved blond hair. V- [REDACTED] described the WM as approximately 6-0, with a medium build, wearing a blue jersey and either jeans or jean shorts.

V- [REDACTED] said that S-Ashford pulled a small, black revolver out and

began pointing it in his and his brother's direction. V- [REDACTED] said S-Ashford told him, "Come out of pocket." V- [REDACTED] indicated that he believed this to be S-Ashford trying to rob him. V- [REDACTED] and V- [REDACTED] began telling S-Ashford that they did not have any money. V- [REDACTED] said that S-Ashford continued to demand money, at which point V- [REDACTED] pulled out several \$1 bills from his pocket and gave them to S-Ashford. Once S-Ashford demanded more, V- [REDACTED] told S-Ashford they did not have any more money. V- [REDACTED] did hand S-Ashford his backpack and then S-Ashford ordered V- [REDACTED] and V- [REDACTED] to take their clothes off. V- [REDACTED] said at that point he tried to stand up quickly in the van, at which point S-Ashford shot him in the right leg.

V- [REDACTED] said that immediately after S-Ashford shot him, S-Ashford told V- [REDACTED] and V- [REDACTED] to get out of the van. V- [REDACTED] said he first waited for his brother to exit the van and then he began to get out of the van. He said as he got out of the van, he quickly grabbed his backpack and began to run from the suspects at the residence. V- [REDACTED] said as he and his brother began to run, S-Ashford and the WM grabbed V- [REDACTED], his younger brother, so he stopped and turned and started back towards them to assist his brother. V- [REDACTED] said as he began going back towards his brother, his brother broke free and the two of them began running eastbound on Michigan Street and then turning northbound on Second Street. V- [REDACTED] said S-Ashford chased his brother and him across Travis Boulevard into the Best Buy parking lot at the Westfield Mall. V- [REDACTED]

said he and his brother then went inside the mall, where I shortly made contact with him.

V- [REDACTED] told me he had met the subjects approximately 30 minutes prior to being shot, which was approximately 15 minutes prior to my arrival.

Due to V- [REDACTED] injuries as a result of being shot, Fire and medical personnel opted to Life Flight V- [REDACTED] to John Muir Medical Center. Prior to V- [REDACTED] being loaded onto the Cal-Star helicopter, I took his pants for evidence purposes, which I later turned over to Officer Xiong to be booked into Fairfield Police Department Evidence.

After V- [REDACTED] was transported to air ambulance to John Muir Medical Center, I contacted the on-duty nursing supervisor and indicated that Fairfield Police Department needed to be contacted when the bullet was recovered from V- [REDACTED] leg for evidence purposes. I later completed this Supplemental Report to Officer Xiong's original report.

DISPOSITION: Attach to original report written by Officer Xiong.

FACTS:

On 5-25-05 at approximately 1430 hours, I responded to the area of Michigan and Second Street in regard to a shooting. When I arrived on scene, I was flagged down by W-Curiel. W-[REDACTED] stated that he was traveling in his vehicle eastbound on Travis Boulevard at Gateway Boulevard when he noticed two white males, one who was later identified as V-[REDACTED]. V-[REDACTED] was hobbling across the intersection of Travis Boulevard and Gateway Boulevard as if he had been injured. W-[REDACTED] stated that he then noticed a black male subject, later identified as S-Ashford, chasing V-[REDACTED] and the subject he was with.

W-[REDACTED] explained that he then pulled his vehicle into the Best Buy parking lot and noticed the three subjects standing together. W-[REDACTED] stated that the subjects were in a verbal altercation. W-[REDACTED] explained that he then noticed S-Ashford shake hands with V-[REDACTED]. W-[REDACTED] stated that S-Ashford then ran from the scene, heading northbound in the parking lot. W-[REDACTED] explained that this seemed strange to him, so he was going to contact V-[REDACTED] and the subject he was with to see if they needed any help.

W-[REDACTED] stated that it was at the time that he noticed that V-[REDACTED] leg was covered in blood. W-[REDACTED] then contacted V-[REDACTED]

and asked him what had happened to his leg. V- [REDACTED] told W- [REDACTED] that S-Ashford had shot him in his leg. W- [REDACTED] stated that V- [REDACTED] told him that S-Ashford told him not to say anything about the shooting. W- [REDACTED] stated that V- [REDACTED] told him not to report this incident and that he would take care of it on his own. W- [REDACTED] stated that V- [REDACTED] and the other subject he was with then went inside the Solano Mall.

While speaking with W- [REDACTED], he provided me with a description of S-Ashford. A short time after the suspect description was broadcast, Officer Ledford and Officer Cesar contacted S-Ashford walking on the Linear Trail between Travis Boulevard and Second Street. I then drove W- [REDACTED] to Officer Ledford's location to conduct an in-field line-up of S-Ashford. Prior to this, I read W- [REDACTED] the in-field line-up admonishment, which he understood.

As I arrived at Officer Ledford's location, W- [REDACTED] positively identified S-Ashford in approximately five seconds. W- [REDACTED] stated that he was one hundred percent sure that S-Ashford was the subject he saw running from the scene and who V- [REDACTED] stated had shot him.

S-Ashford was then taken into custody by Officer Ledford and Officer Cesar.

FOLLOW-UP INVESTIGATION

(211 P.C.)

NAMES:

S-Ashford, Anthony

V- [REDACTED]

FACTS:

On 05/25/2005 at approximately 1430 hrs, dispatch advised of a possible shooting in which a subject had been shot and was inside of the Solano Mall, located at 1350 Travis Blvd. Dispatch advised that the shooting had actually taken place on Michigan Street near Second St. I was working a two-man unit partnered with Ofc. Cesar.

Ofc. Cesar and I responded to the area and began to conduct an area check attempting to locate the suspect(s). An initial description of the suspect broadcasted via the radio was a black male approximately 22 years old, 5-11, thin, wearing a blue shirt, black jeans, blue "do rag", with corn rows. They further advised that there was another black male and a white male suspect; however, they could not provide any further description.

We were driving westbound on Travis Blvd approaching the Linear Trail when we observed a black male, later identified as S-Ashford walking northeast on Linear Trail approaching Travis Blvd. Michigan Street backs up to Linear Trail and could be used as an escape route. Ofc. Cesar and I observed S-Ashford look at our vehicle. Immediately after doing so, S-Ashford quickly turned around and began heading southwest on Linear Trail at which time I lost sight of him behind a large group of bushes. Ofc. Jacobsen was traveling a few cars behind us in an unmarked vehicle and advised me via Nextel that as soon as S-Ashford saw my patrol vehicle, he staggered a couple of steps towards us, then turned around and dropped quickly into a crouching position. He then got up and began to jog the opposite direction on Linear Trail away from us, the whole time looking

back over his shoulder towards us. Based upon this information and the close proximity to the shooting, Ofc. Cesar and I decided to contact S-Ashford.

As I drove onto Linear Trail from Travis Blvd, I observed S-Ashford walking in a southwest direction on Linear Trail. As we approached him from behind, he was continually reaching into his waist area as if he were attempting to conceal something. As we got closer, I observed him stuff a black headband and black gloves into his pants pocket.

Immediately upon contacting S-Ashford, he began to shake as if he were nervous and had a large amount of sweat on his head and face. He was wearing a white t-shirt and black jeans. He also had black sweatpants on underneath his jeans. Based upon the fact that S-Ashford had been reaching into his waistband area, Ofc. Cesar conducted a Pat search of his person to ensure he had no weapons on him. No weapons were located.

I asked S-Ashford where he was coming from and he related that he had just rode the bus from E. Travis Blvd. I asked him if he had been to the mall and he stated that he had just walked from the mall. He then changed his story and stated that he was at the mall during the morning hours and he had just come from his sister's house.

At this point, Ofc. Piro advised that he had contacted another witness to the shooting who related that the suspect was a black male approximately 21 years old, 5-09/140, wearing a baggy white t-shirt and black shorts. Based upon this description and the fact that it was similar to S-Ashford's physical description, we requested Ofc. Piro and Ofc. Augusto responded to our location with the witness to conduct an in-field show up. They responded to our location and advised the witness positively identified S-Ashford as the shooter.

S-Ashford denied being involved in any shooting and said he did not have a firearm.

Ofc. Cesar and I transported S-Ashford to the Fairfield Police Department Detention area. Numerous other officers canvassed the area attempting to locate the firearm; however they were not able to locate the firearm.

Once at the Fairfield Police Department, I conducted a Gun Shot Residue Kit on S-Ashford's hands and face, which I provided to Ofc. Xiong, who booked it into the evidence locker.

I advised S-Ashford of his Miranda Rights and he stated that he understood his rights and indicated that he wished to speak to me by answering my questions. I asked S-Ashford if there was any reason why gun shot residue would be on his hands. He said the he had been touching his cousin's (NFI) hunting rifle two days ago and that he had handled it a lot. He said this may be why he would have some gun shot residue on his hands. He stated that he did not shoot the rifle and that he did not handle a firearm since then. I asked S-Ashford if he was right or left handed and he advised me that he was left-handed.

I then spoke to V- [REDACTED] in the break room of the Fairfield Police Department. V- [REDACTED] also positively identified S-Ashford as the suspect who had shot V- [REDACTED]. V- [REDACTED] further told me that S-Ashford was wearing a black headband and black gloves at the time of the shooting. He also stated that S-Ashford held the firearm in his left hand when he shot V- [REDACTED].

It should be noted that at the time Ofc. Cesar and I contacted S-Ashford, he was attempting to place a black headband and black gloves into his pants pocket. Those items were taken as evidence and booked into the evidence locker by Ofc. Xoing.

S-Ashford, Anthony

5/25/05

FACTS:

On 5/25/05, at approximately 1450 hours, I overheard the incident identified by this case number occurring. Based on the severity of the crime, I chose to conduct an area check for the suspect(s). While doing this, I was operating in an undercover capacity, in an unmarked, undercover car. While listening to the radio traffic, I heard that the incident occurred in the area of Michigan Street and Second Street. Based on this, I conducted my area check around that location.

While traveling westbound on Travis Blvd. in between Pennsylvania Ave. and the Solano Mall entrance, I observed a black male adult walking eastbound on the linear trail between Travis Blvd. And Second St. While I was driving, I additionally observed that Officer Ledford and Cesar were driving in front of me in a fully marked police car. As the police car and I approached the entrance to Solano Mall, I observed that the subject walking on the linear trail, noticeable observed the marked police car. I observed the subject look directly at the police car and stop walking suddenly. Immediately after this, the subject turned and rapidly moved in the opposite direction of Travis Blvd. As the subject did this he continually looked back at the marked patrol car. The subject additionally began to crouch down and became out of my view by the bushes he was next to. The subject then returned into my view as he stood up and briskly

continued to walk away.

Based on the subject's actions, which in my opinion and observations led me to believe that he intentionally wanted to avoid police, along with his close proximity to the robbery and shooting scene, I believed that he was possibly either a participant in the crime or a witness to the crime. Based on this I notified Officer Ledford of my observations and the subjects location. Officer Ledford acknowledged my information and advised me that he had also seen the subject. I provided Officer Ledford of a description which included a black male adult, in the twenties age bracket, wearing a baggie white t-shirt and dark colored pants.

Officer Ledford and Cesar contacted the subject and found him to be S-Ashford. Ashford was subsequently arrested in connection to the crime documented under this case number.

FACTS:

On 12/22/03, Game Crazy, located at 1846 North Texas Street, reported theft of over 350 PlayStation 2 videogames (see FPD case 03-19612).

On 12/23/03, W-[REDACTED] telephoned EB Games at 1630 Gateway Plaza and notified them of the theft. At approximately 1407 hours, S-ANTHONY ASHFORD entered EB Games and attempted to sell back 106 PlayStation 2 videogames. W-[REDACTED] was the cashier who was assisting S-Ashford; he found it odd that S-Ashford knew nothing about any of the games. W-[REDACTED] notified his manager, W-[REDACTED], who remembered the phone call from W-[REDACTED], and he notified the Fairfield Police Department.

I arrived on scene and detained S-Ashford. He told me that his "play cousin," Tony Johnson, had given him the games for an unknown reason.

S-Ashford was very fidgety and I believed he might try to run. I placed S-Ashford into handcuffs, which I double locked and checked for tightness.

I conducted a search for weapons on the suspect's pockets, which were full of numerous large items. While removing items from the suspect's

pockets, several items fell to the floor, including two transparent, plastic bindles, which contained an off-white, powdery substance, which I recognized as being consistent with cocaine HCL.

I placed S-Ashford under arrest and transported him to the Fairfield Police Department. At the Fairfield Police Department, I was met by W- [REDACTED], who brought with him a typed list of the stolen PlayStation 2 videogames. W- [REDACTED] told me there were no duplicates on the list. We conducted a cross-inventory and determined that all 106 of the videogames that I recovered from S-Ashford were games listed on the stolen property list. Furthermore, W- [REDACTED] personally identified several of the videogames as being some of the items that had been stolen the day before.

I additionally charged S-Ashford with possession of stolen property.

I conducted a preliminary field test on the suspected cocaine HCL, with positive results. I placed the cocaine into a Fairfield Police Department Evidence Locker, with a request for lab services.

I returned the videogames to W- [REDACTED].

I booked S-Ashford at the Fairfield Police Department, and I transported him to the Solano County Jail.

V- [REDACTED]

W- [REDACTED]

S-ASHFORD, Anthony

FACTS:

On 3/30/02 at approximately 1500 hours, V- [REDACTED] and S-ASHFORD were sitting on a porch of V- [REDACTED] grandmother's house at 2843 Owens Street.

S-Ashford, V- [REDACTED] cousin, lives at the address with his grandparents. V- [REDACTED] began calling S-Ashford, "stupid" numerous times. S-Ashford told V- [REDACTED], "Do it again." V- [REDACTED] again called S-Ashford stupid. S-Ashford then slapped V- [REDACTED] with his right hand across the left side of her face. Following the assault, S-Ashford fled the scene.

V- [REDACTED] was not injured as a result of the assault and did not require any medical attention.

On 3/31/02 at approximately 2000 hours, I met with V- [REDACTED] mother, W- [REDACTED]. W- [REDACTED] explained an incident that had occurred at her residence that day involving S-Ashford.

W- [REDACTED] explained that S-Ashford was very disrespectful in her house and made threats to assault her children. W- [REDACTED] then learned that her daughter, V- [REDACTED] had been slapped by S-Ashford on the previous day.

COPIES TO: DA PROB DOJ INV YSB SOD RO PRESS OTHER: _____

DATE/TIME OCCURRED: 033002/1500 hrs.

DATE/TIME REPORTED: 033102/2000 hrs.

LOCATION OF OCCURRENCE: 2843 Owens Street

W- [REDACTED] was unsure on whether she wanted to press charges against S-Ashford for the assault on V- [REDACTED] the previous day. I told W- [REDACTED] that I would speak with S-Ashford and see whether or not this case could be resolved without filing formal charges.

I met with S-Ashford at his residence located at [REDACTED]. S-Ashford told me that he did in fact slap V- [REDACTED] across her face, however, they were playing and it was not meant as an assault.

I returned to W- [REDACTED] residence and explained to her that S-Ashford stated that he was only playing and that he was sorry if he had offended her or her family.

At this point, W- [REDACTED] was satisfied with the outcome of this case.

Approximately two days later, I received a voice mail message from W-Raphael stating that she now wished to press charges against S-Ashford for the assault on her daughter, V- [REDACTED].

When I spoke with V- [REDACTED], she stated that she was not satisfied with the punishment S-Ashford was getting from his grandparents.

On 4/7/02 at approximately 1830 hours, I attempted to contact S-Ashford and issue him a citation for 242 PC - Assault.

I spoke to S-Ashford's grandparents and explained to them that W- [REDACTED] wished to press charges against S-Ashford for the assault. S-Ashford was not present and I have not yet been able to contact him to sign the citation.

(242 PC)

V- [REDACTED]
S-ASHFORD, Anthony

FACTS:

I received a request for further investigative information from the Solano County District Attorney's Office to interview V- [REDACTED]

During the initial investigation I had interviewed V- [REDACTED] and V- [REDACTED] told me that she and her cousin, S-Ashford, had been playing, however, when he had slapped her she did not take it as playing.

V- [REDACTED] was undecided whether she wished to press charges against S-Ashford, however, her mother was adamant that charges be filed.

DISPOSITION: Refer to Solano County District Attorney's Office.

CASE SUMMARY

S AND V-1 ARE BOYFRIEND AND GIRLFRIEND. V-1 REPORTED THAT S BECAME JEALOUS WHEN A MALE FRIEND BROUGHT HER HOME. V-1 SAID THAT S BECAME VERY ANGRY AS THEY ARGUED AND THEN HIT HER. V-1 SAID SHE TRIED, V-2, TRIED TO HELP HER AND S PUSHED HER DOWN. V-1 SAID HE DOES NOT WANT TO PRESS ANY CHARGES AGAINST S.

I TALKED TO S VIA TELEPHONE, WHEN HE CALLED TO PROLOGUE TO V-1. S ADMITTED TO HARRASSING V-1 BECAUSE HE WAS ANGRY.

I NOTIFIED BOTH PARTIES THAT THIS REPORT WAS GOING TO BE LIMITED.

CASE CLOSED PER REQUEST OF V-1.

INVESTIGATOR'S REPORT**

DATE (occurrence): October 27, 2015 (Tuesday)
TIME (occurrence): 2246 Hours
LOCATION: 4875 North Harbor Drive
SUBJECT: OIS/Special Investigation – SDPD Case #15-046913
69 PC Resisting Executive Officer– SDPD Case #15-046912
Incident: #15100053009
Officer: AHFOOK, Sulimoni #5216 (Harbor Police)
Suspect: ASHFORD, Anthony, B/M (29) DOB: [REDACTED]

SUBJECT INTERVIEWED: [REDACTED]

CDL: [REDACTED]

SYNOPSIS:

On October 27, 2015, at 2314 hours, I received a telephone call from Homicide Sergeant Paul CONLEY #4673 instructing me to respond to North Harbor Drive and Nimitz Boulevard to assist in an officer involved shooting investigation. Sergeant CONLEY informed me a Harbor Police Officer had been involved in a shooting. On October 28, 2015, at approximately 0010 hours, I arrived on scene and joined the other members of Homicide Team IV. Sergeant Andrea MYERS #6221 conducted the homicide briefing which began at 0119 hours.

During the briefing, we learned Harbor Police Officer Sulimoni AHFOOK #5216 attempted to contact a male (unidentified at the time of briefing, but later identified as Anthony ASHFORD) in front of the Holiday Inn at 4875 N. Harbor Drive. The suspect immediately attempted to grab Officer AHFOOK'S gun and a struggled ensued. Both of them fell to the ground and the suspect took control of Officer AHFOOK'S taser. The suspect tased Officer AHFOOK'S neck, but Officer AHFOOK fought through it and was able to push away from the suspect. Officer AHFOOK stood up and fired one round at the suspect hitting him in the chest.

Paramedics responded, but ASHFORD was pronounced deceased at 2306 hours. Officer AHFOOK was transported to UCSD with minor injuries (including an injury to his neck consistent with being tased). A witness check was conducted, but no witnesses were located. Officers made contact at the Holiday Inn, 4875 N. Harbor Drive, and learned the suspect may have been involved in a disturbance with security in the hotel about thirty minutes prior to the incident.

The briefing ended at approximately 0135 hours.

WITNESS STATEMENT:

After the briefing, Sergeant CONLEY asked Detective CISNEROS and me to make contact with the security guard at the Holiday Inn. We walked into the front lobby and made contact with Charles [REDACTED]. [REDACTED] works for US Security Associates, and is assigned as a security guard at the Holiday Inn. [REDACTED] confirmed he was the security guard who had contact with ASHFORD prior to the incident.

I digitally recorded my conversation with [REDACTED] and the following statement is a synopsis only. It is not meant to be a word for word account of my conversation with [REDACTED]. For complete details refer to the audio recording which was impounded on barcode number 10548502. [REDACTED] told me basically the following:

One of the night managers told me a male, who she thought she might have recognized from previous incidents, was wandering around the property and going in and out of the hotel. I looked all over the property for him, but when I couldn't find him I came back to the lobby. While I was in the lobby writing my reports, I saw a male who looked like the guy the manager described walk into the lobby. I looked over at the manager who was at the front counter and she nodded her head, confirming it was the guy.

He appeared to be a possible transient. I didn't smell any odor, but his hair was disheveled. His hair possibly had a couple of braids in it, but it was a "shaggy cut." He was wearing a red t-shirt and possibly dark pants. He looked like he was about 28 or 29 years old. He had "slight" facial hair. I did not know him or recognize him from any previous incidents.

He walked by me and straight over to the computer. He didn't get on the computer; he just kind of stood there. I walked over to him and asked him if he was a registered guest at the hotel. He mumbled something unintelligible. I told him if he was not a registered guest he would need to leave. I think he may have had mental issues, because he just totally ignored the fact that I was talking to him. I asked him a second time to leave the hotel. After I asked him the second time, he just slowly walked out of the hotel. As he exited the front doors he dropped a can of chewing tobacco. I told him he had dropped something and he replied, "No you dropped something." He kept walking and said something else, but I couldn't understand it. He also mentioned something about "blowing something up" as he continued to walk away, but I don't know exactly what was said.

After he left the parking lot, I saw him walking west on the center median of North Harbor Drive. I called the security guard patrolling the Holiday Inn property just west of here to let him know the guy was possibly headed in his direction.

It wasn't anything out of the ordinary and we are used to removing transients from the hotel. It wasn't anything more than that, so we did not call the police to report anything.

[REDACTED] showed me the can of tobacco he saw ASHFORD drop. It was just outside of the hotel, next to a trashcan. [REDACTED] told me it was initially in the walkway, but he kicked it out of the way

before he knew the male was involved in an incident with the police. [REDACTED] did not have any additional information for me, so I concluded my interview with him.

OFFICERS OBSERVATIONS AND ACTIONS:

ON 10-27-15, AT APPROXIMATELY 2248 HOURS, I WAS ASSIGNED AS T12B. I WAS AT HARBOUR POLICE HEADQUARTERS IN THE PARKING LOT WHEN I HEARD A RADIO CALL FOR COVER NOW AT 4900 NORTH HARBOUR DRIVE. I JUMPED IN VEHICLE 9040 AND RESPONDED CODE 3 (LIGHTS AND SIRENS). VEHICLE 9040 IS EQUIPPED WITH A DASHCAM, WHICH WAS ACTIVATED WHEN I TURNED ON MY EMERGENCY LIGHTS.

WHILE ENROUTE TO THE SCENE, I HEARD SOMEONE BROADCAST SHOT FIRED. I ALSO HEARD SOMEONE ADVISE CPR IN PROGRESS.

WHEN I ARRIVED ON SCENE OFFICERS WERE PERFORMING CPR ON A SUBJECT LYING IN THE PARKING LOT ON THE EAST SIDE.

I OBSERVED OFFICER S. AHFOOK STANDING TO THE LEFT OF THE DOWN SUBJECT BENT OVER. I BEGAN TO CHECK OFFICER AHFOOK FOR INJURES AND OFFICER R. COLON ARRIVED TO ASSIST. OFFICER AHFOOK HAD A KNIFE IN HIS HAND. OFFICER R. COLON REMOVED THE KNIFE AND DROPPED WHERE HE KEPT IT. OFFICER R. COLON PLACED THE KNIFE IN OFFICER AHFOOK'S LEFT SIDE CARGO PANTS POCKET. SINCE THE KNIFE WAS FIXED BLADE KNIFE, I REMOVED IT FROM OFFICER'S AHFOOK POCKET TO PREVENT INJURY AND PLACED IT ON THE DASH BOARD PASSENGER SIDE OF VEHICLE 9040.

OFFICER'S ON SCENE ASKED IF WE HAD A VEHICLE WITH A DASH CAM. I STATED I DID. I MOVED MY VEHICLE FROM THE NORTH WEST SIDE OF THE INTERSECTION AND PARKED IN FACING NORTH EAST VIEWING OFFICERS PERFORMING CPR ON THE SUBJECT. I PLACED THE WIRELESS MIC IN THE FRONT POCKET OF OFFICER A. GUTIERREZ VEST. I THEN RETURN TO OFFICER AHFOOK AND OFFICER COLON.

OFFICER COLON AND I BEGAN TO DOCUMENTING INJURIES THAT OFFICER AHFOOK SUSTAINED. OFFICER R. COLON PHOTOGRAPHED ALL THE VISIBLE INJURIES.

I OBSERVED THE FOLLOWING INJURIES ON OFFICER AHFOOK ABRASIONS WHICH WERE BLEEDING ON THE KNUCKLES OF HIS LEFT HAND, A TEAR IN THE LEFT KNEE OF HIS PANT, HIS LEFT HAD ABRASIONS THAT WERE BLEEDING, A CUT TO HIS LEFT EAR, TASER MARK ON THE BACK LEFT SIDE OF HIS NECK, AND ABRASIONS TO HIS RIGHT KNEE. OFFICER AHFOOK HAD BLOOD ON HIS UNIFORM AND THE TIPS OF HIS BOOT.

ONCE DONE DOCUMENTING OFFICER AHFOOKS INJURIES, OFFICER R. COLON LEFT AND I REMAIN WITH OFFICER AHFOOK FOR PEER SUPPORT AND TO MONITOR HIS CONDITION.

SAN DIEGO FIRE MEDIC 1 MET WITH OFFICER AHFOOK AT APPROXIMATELY 2305 HOUR FOR A MEDICAL EVALUATION. SAN DIEGO FIRE MEDICS ANDREW DELGADILLO AND TREVOR ZACK PROVIDED MEDICAL TREATMENT ON SCENE AND THEN TRANSPORTED OFFICER AHFOOK TO UCSF MEDICAL CENTER.

AT THIS POINT I WAS RELEASE FROM ON-SCENE DUTIES AND RESPONDED TO HARBOR POLICE HEADQUARTERS TO PICK UP AND DEPLOY OUR COMMAND VAN.

ON 10/27/15, AT ABOUT 2246 HOURS, I RESPONDED TO A COVER-NOW RADIO CALL NEAR THE HOLIDAY INN BAYSIDE HOTEL. SERGEANT S. COLIN (2728) AND I RESPONDED IN VEHICLE 9123C, CODE 3, FROM HARBOR POLICE HEADQUARTERS. UPON OUR ARRIVAL AT THE SCENE, SERGEANT COLIN WENT TO ASSIST OTHER OFFICERS WHILE I SECURED THE VEHICLE AND BEGAN A WITNESS CHECK. I LOCATED TWO SECURITY OFFICERS FROM THE HOLIDAY INN STANDING AT THE SOUTHWEST CORNER OF THE HOTEL (OLD TOWER). AS I OBTAINED THEIR IDENTIFICATION, I OBSERVED SEVERAL OFFICERS RENDERING AID AND PERFORMING CPR ON SOMEONE WEST OF MY LOCATION.

AT 2258 HOURS, I OBTAINED THE FOLLOWING INFORMATION FROM THE FIRST SECURITY OFFICER:

4 PROVIDED THE FOLLOWING STATEMENT:

WAS ON DUTY INSIDE THE DAYSIDE HOTEL (NEW TOWER) WHEN HE HEARD SIRENS AND EXITED THE LOBBY. DID NOT SEE OR HEAR ANYTHING FROM OUTSIDE THE BUILDING PRIOR TO HEARING THE SIRENS. SAW MANY POLICE VEHICLES ARRIVE.

WHEN ASKED IF ANYTHING UNUSUAL TOOK PLACE AT THE HOTEL TONIGHT, SAID HE KICKED A BLACK MALE ADULT OUT OF THE LOBBY ABOUT 30-45 MINUTES AGO. AT ABOUT 2215 HOURS, WAS SITTING IN THE HOTEL LOBBY WHEN AN UNKNOWN BLACK MALE ENTERED AND WALKED TOWARD THE COMPUTERS. THE MALE APPEARED TRANSIENT AND WAS WEARING A RED SHIRT AND BLUE JEANS. ASKED THE MALE IF HE WAS A REGISTERED GUEST AND THE MALE JUST MUMBLED. ADVISED THE SUBJECT HE NEEDED TO LEAVE THE PREMISES OR HE WOULD BE DETAINED OR ARRESTED. THE SUBJECT EXITED THE LOBBY, DROPPING A TOBACCO CAN FROM SOMEWHERE ON HIS PERSON, AS HE LEFT. TOLD THE SUBJECT HE DROPPED SOMETHING, BUT THE MALE SAID IT WASN'T HIS. WATCHED THE SUBJECT LEAVE THE PROPERTY WALKING ONTO N. HARBOUR DRIVE. THE SUBJECT SHOUTED SOMETHING TWICE ABOUT BLOWING UP SOMETHING. SAW THE SUBJECT WALK ON THE CENTER MEDIAN TOWARD SCOTT STREET AND LOST SIGHT OF HIM ABOUT TWO-THIRDS OF THE WAY DOWN THE BLOCK.

LATER SHOWED ME THE TOBACCO CAN DROPPED BY THE SUBJECT AND I EXTENDED THE PERIMETER TAPE TO INCLUDE THE AREA.

OFFICER'S STATEMENT:

On 10/27/15 at approx 2250 hrs, OFFICER GUTIERREZ #5556 and I responded to a 'cover now' call at 4900 N. HARBOR DR. Responding from rampside, gate 35 at the San Diego Int'l Airport, we arrived on scene approx 2 mins later. Officer Gutierrez exited the van and from the driver's seat and went towards the officers performing CPR the suspect. I was assigned to scribe but was asked to first initiate witness statements from citizens standing out on their balconies of their hotel rooms at the BEST WESTERN Hotel adjacent to the scene.

[REDACTED] (later identified by her valid Netherlands passport) was questioned from her balcony of room 202. She was standing outside upon arrival. According to [REDACTED], she did not witness the incident. She came outside on her balcony after she heard the sirens. [REDACTED] informed me that her father and her father's girlfriend were staying in the room with her. I spoke to the other occupants, [REDACTED] and [REDACTED] (later identified by their valid Netherlands passport). Both individuals stated that they heard sirens but did not witness the incident.

OFFICER'S STATEMENT:

On 10-27-15, at approximately 2249 hours, I responded to a cover now call at 4900 N. Harbor Drive to assist Harbor Police Officer Ahfook #5216 in an Officer Involved Shooting call. I responded along with two other Harbor Police units, Officer Mendoza #5555 and Seelicke #5250 by patrol vessel. Once the patrol vessel was docked, I responded to the area of 4900 N. Harbor Drive near the entrance of the Holiday Inn Hotel. Once on scene, I walked back across the street towards Pizza Nova and asked two bystanders if they witnessed the incident. They stated they did not. I then walked back over to the entrance of the Holiday Inn and was immediately assigned to interview possible witnesses to the incident inside the Holiday Inn where the rooms faced the incident location. A few moments later, prior to heading to conduct the interviews, Lieutenant Jordan #3216 told me to disregard the witness interviews as he was going to assign it to another officer. He then instructed me to provide peer support to Officer Ahfook and to stay with him.

Medic 1 arrived on scene and began to provide medical treatment to Officer Ahfook. Medic 1, which consisted of Delgadillo #67637 and Zack #81828, recommended to Officer Ahfook he be seen at the hospital for further evaluation. Sgt. George #4439 told me to take possession of Officer Ahfook's duty belt. Officer Ahfook handed me his duty belt and radio and I placed it in Sergeant George's patrol vehicle. He immediately picked it up and took possession of it. I then accompanied Officer Ahfook in Medic 1 and we were transported to UCSD Hospital. While at the hospital I continued to provide peer support for Officer Ahfook.

Officer Ahfook was assigned to room #17 in the emergency room. After Officer Ahfook changed into a hospital gown, I gathered his police uniform shirt, pants and boots and placed them in separate brown paper bags. I sealed the bags with hospital tape. Nurse [REDACTED] Dr. [REDACTED] and Dr. [REDACTED] treated Officer Ahfook for his injuries. Sergeant Colin #2728 was also on scene at the hospital. I photographed Officer Ahfook's injuries with Sgt. Colin's patrol vehicle camera.

At approximately 0202 hours, a San Diego Police Department Homicide team, consisting of Detective Collier, K. #5537 and Crime Scene Specialist McDonald #8161, arrived at the hospital and took several photos of Officer Ahfook's injuries. SDPD took possession of the Officer Ahfook's bagged uniform. I provided SDPD with the camera disk containing the photos I took.

Once Officer Ahfook was released from the hospital at approximately 0315 hrs, Sgt. Colin and I drove Officer Ahfook back to Harbor Police Headquarters. I took possession of Officer Ahfook's vehicle and Sgt. Colin and I accompanied Officer Ahfook to his residence. I departed his residence and returned back to Harbor Police Headquarters with no further action taken.

OFFICER STATEMENT:

On October 27, 2015 at approximately 2246 hours, I was on duty, in uniform, and in a marked San Diego Harbor Police vehicle. At the time of this incident, I was assigned as Unit 740C – a graveyard shift vehicle unit assigned to patrol the Air Operations Area (AOA) at the San Diego International Airport. I was monitoring the patrol unit frequency on my vehicle radio, while the airport unit radio frequency was being broadcast on my handheld radio.

At approximately 2247 hours, I monitored a radio transmission from Harbor Police Officer Ahfook (# 5216) broadcast that he was making contact with a subject in the 4900 block of North Harbor Drive. I also heard Officer Ahfook broadcast a brief description of the subject – something to the effect of 'a black male, red shirt, tan shorts' at 4900 Harbor Drive. I continued to monitor the radio frequency and, a short time later, I heard Officer Ahfook broadcast "COVER NOW, COVER NOW" over the radio.

I immediately began driving from the area of Gate 3 to 11 (commonly referred to as the 'Southwest Rotunda') toward an entrance/exit gate on Winship Lane. As I reached the gate and exited the AOA, I activated my emergency lights and siren and began driving to the scene from Winship Lane and North Harbor Drive. As I drove to the scene, I continued to monitor the radio traffic regarding the incident and heard Officer Ahfook broadcast "SHOTS FIRED."

I continued driving toward the location of the incident and arrived approximately four minutes later. As I arrived on scene, I noted there were several Harbor Police Vehicles and Harbor Police Officers in a parking lot immediately west of the Holiday Inn San Diego Bayside (4875 North Harbor Drive). Upon noticing there were sufficient officers tending to the subject who was shot and Officer Ahfook, I turned around and drove back to the intersection of North Harbor Drive and Nimitz Boulevard to block the roadway off. I remained at the intersection, providing traffic control, until approximately 2325 hours. At that time, Harbor Police Sergeant Taylor (#4112) directed me to return to the AOA. Harbor Police Officer Hontucan (#5101) took my traffic control position and I returned to the airport grounds.

During the incident, I did not contact Officer Ahfook, the subject who had been shot, or any witnesses to the incident.

INDIVIDUAL/S**REPORT NARRATIVE****Officer Statement:**

On 102715 at approximately 2247, I heard a radio broadcast from a Harbor Police Officer advising "cover now" at 4900 N. Harbor Drive. I responded with Corporal Schmidt from Harbor Police Headquarters. A short time later, I heard the same officer broadcast that shots had been fired.

Upon our arrival, I ran to the subject who had been shot. Officer E. Wheeldon #5211 was performing chest compressions on the subject. As Officer A. Gutierrez arrived a few minutes later and applied the AED pads on the male. No shock was advised. Officer A. Gutierrez then relieved Officer Wheeldon and resumed chest compressions, while Officer Wheeldon assisted with the male with an ambu-bag. Once again chest compressions were resumed by Officer Wheeldon. I then relieved Officer Wheeldon of chest compressions. San Diego Fire Engine #22 arrived and told me to continue with chest compressions.

I continued with chest compressions while San Diego Fire applied their chest pads. A few minutes later San Diego Fire told me the subject was deceased.

REPORT NARRATIVE

On 10/27/2015, Officer Ahfook contacted a, (yet to be identified), Black Male Adult in the area of 4900 North Harbor Dr. Officer Ahfook and the Suspect became involved in a physical altercation where ultimately an officer involved shooting occurred. The suspect was pronounced dead at the scene by paramedics. San Diego Police Department Homicide Team responded and took over the investigation. See their case # 15-100053009.

On 10/28/2015 at approximately 0500 hours I contacted the on duty clerk, identified as [REDACTED] to review and obtain video from the Bottle Shop Liquor Store which is attached to the Holiday Inn Hotel. The Bottle Shop is located on the south west corner of the Holiday Inn property and has security cameras located within the shop. One of the cameras (camera 1) covers the width of the shop and has a limited view of the outside parking lot (incident location). [REDACTED] contacted hotel General Manager [REDACTED] who facilitated HPD Investigations with obtaining a copy of the video.

INVESTIGATIVE NARRATIVE

Decedent: Anthony L. Ashford

Antemortem Events:

The following information was provided on 10/28/15, during a personal interview with San Diego Police Department Homicide Team 4 Sergeant Conley and Detective Lozano, while at the scene. The decedent was a 29-year-old Black male. Originally the decedent was reported as an unidentified Black male. He was positively identified as Anthony L. Ashford on 10/28/15, at 1310 hours. On the night of 10/27/15, an on duty Harbor Police Department officer was patrolling along the 4000 block of N. Harbor Boulevard, in San Diego. While driving along N. Harbor Boulevard he noted the decedent exhibiting suspicious behavior, he appeared to be casing vehicles, and he pulled his vehicle over to the side of the road and parked along the north side of N. Harbor Boulevard. The officer exited his vehicle and approached the decedent to speak with him. As he made contact with the decedent at 2246 hours, a fight began and the officer and decedent struggled over the officer's conductive electrical weapon, a Taser X26, or his duty weapon, a Glock 40. Moments later the conductive electrical weapon was deployed and the officer was able to separate himself from the decedent. He then pulled out his service weapon and one shot was fired striking the decedent. The decedent collapsed to the ground and the officer contacted dispatch for assistance. San Diego Harbor Police Department dispatch received the call at 2251 hours, and officers responded to the scene. San Diego Fire Department Engine 22 and Paramedic Unit 1 responded to the scene arriving at 2259 hours. Upon arrival paramedics initiated cardiopulmonary resuscitation to no avail and death was pronounced at 2303 hours. San Diego Harbor Police contacted San Diego Police Department Homicide Division and detectives responded to the scene arriving shortly thereafter. The Medical Examiner's Office was notified of the death at 0320 hours, and the scene was secured pending my arrival.

Past Medical, Surgical, and Social History:

The following information was obtained on 10/29/15, by Investigator Storey during a telephone conversation with the decedent's father Andre Ashford. The decedent had a medical history significant for schizophrenia and Bipolar disorder and was on multiple medications. According to his father, when the decedent was on his medications he would be normal, kind, and fine. When he was off his medications he would be in a "different world" and would have to be convinced to take his medications again. He had been hospitalized at several mental institutions. The decedent had also had trouble with the law and at one point was reportedly arrested for selling marijuana and possibly other stuff. While in jail he would cause problems such as setting his mattress on fire. He had spent time in Solano County Jail, Stockton jail/prison, and Tracy Prison. The decedent was no longer on parole. He had spent time in Sacramento with him and then Vallejo with his mother. He then decided to go to San Diego where maternal family lived. At one point the decedent was on a Missing Persons list, however his name was removed once it was learned by family that he had attended some type of county interview.

Scene Description:

On 10/28/15, at 0450 hours, Deputy Medical Examiner Stabley, Forensic Pathology Fellow Di Loreto and I arrived at the scene which was the parking lot of the Holiday Inn located at 4875 N. Harbor Drive, in San Diego. The Holiday Inn is on the north side of the street and the parking lot where the decedent was located is on the west side of the hotel. The decedent was observed lying on the ground covered with a yellow emergency blanket. Medical paraphernalia was noted on the ground around the decedent. The conductive electrical weapon, a Taser X26, was observed on the ground south of the decedent. The officer's duty weapon, a Glock .40, had been collected by law enforcement personnel prior to our arrival at the scene. At the time of the

incident it was dark, the weather was clear, and there was limited lighting provided by the lampposts in the area. No suicide type note was found.

Body Description:

During the above mentioned scene investigation the decedent was viewed in the presence of Deputy Medical Examiner Stabley, Forensic Pathology Fellow Di Loreto and San Diego Police Department personnel. The decedent, a Black male, was observed lying supine on the ground. For a more detailed body description, refer to the autopsy report.

On 10/28/15, 0541 hours, a yellow identification band was placed on the decedent's right ankle. His hands were bagged at 0540 hours, his feet were bagged at 0541 hours, and his head was bagged at 0543 hours. 92M Transport personnel E. Arenas and A. Yancy placed the decedent in a new white pouch and red tamper evident seal 2390482 was affixed at 0550 hours, for transport to the Medical Examiner's Office.

Date of autopsy: October 28, 2015; 0943 Hours

CAUSE OF DEATH: GUNSHOT WOUND OF LEFT UPPER EXTREMITY AND TORSO

MANNER OF DEATH: HOMICIDE

AUTOPSY SUMMARY:

- I. Penetrating gunshot wound of left upper extremity and torso:
 - A. Entrance: left axilla with no stippling or soot deposition.
 - B. Perforations of left lung, pericardium, heart, and aorta with left hemothorax (1500 ml) and hemopericardium (20 ml).
 - C. Projectile recovered from left chest cavity.
 - D. Direction: leftward, downward, and backward.
- II. Puncture consistent with barb of conductive electrical weapon, left thigh.
- III. No significant natural disease.

OPINION: According to the investigators report and preliminary information provided by the San Diego Police Department, on the night of October 27, 2015, this 29-year-old man was involved in a struggle with a Harbor Police Department officer. The officer's conductive electrical weapon was fired, and the officer shot the decedent with his service weapon. The officer contacted dispatch for assistance. Upon arrival, paramedics initiated cardiopulmonary resuscitation to no avail, and death was pronounced at the scene. According to the decedent's father, the decedent had a medical history significant for schizophrenia and bipolar disorder.

The autopsy was performed on October 28, 2015 at the San Diego County Medical Examiner's Office and documented a penetrating gunshot wound of the left upper extremity and torso. There was no soot or stippling around the entrance wound. The bullet entered the chest, fracturing the left 3rd rib, and perforated the left lung, the heart, and the aorta with 1500 ml of left hemothorax and 20 ml of hemopericardium. A puncture was on the left thigh, corresponding to a barb from a conductive electrical weapon that pierced the left side of the decedent's pants. There was no other significant trauma. There was no significant natural disease. Toxicological testing detected no alcohol, drugs of abuse, or medications (base and acid/neutral screens).

Based on the autopsy findings and the circumstances surrounding the death, as currently understood, the cause of death is **gunshot wound of left upper extremity and torso**, and the manner of death is **homicide**.

SCENE NOTE

On the early morning of October 28, 2015, I, the above signed, was contacted by Medical Examiner Investigator S. Stolberg regarding a San Diego Police Department request for presence at an officer involved shooting scene. I traveled to the scene with MEI Stolberg and Dr. Robert Stabley and arrived at the address of 4875 North Harbor Drive in San Diego, California at 0450 hours. I was met by law enforcement personnel and shortly thereafter briefed by Sgt. Conley and Detective Lozano. Preliminary report indicated that on the night of October 27, 2015, an on duty Harbor Police Department officer was patrolling the 4000 block of North Harbor Boulevard when he observed the decedent displaying suspicious behavior. The officer pulled over, exited his vehicle, and approached the decedent. A struggle ensued, the officer's conductive electrical weapon was fired, and the officer fired one shot from his service weapon, striking the decedent. The officer contacted dispatch for assistance. Upon arrival, paramedics initiated cardiopulmonary resuscitation to no avail and death was pronounced at 2303 hours. The firearm used was a GLOCK .40 caliber pistol. The firearm had been secured and collected by SDPD prior to my arrival.

The death location consisted of a parking lot adjacent to a Holiday Inn. The Holiday Inn was on the north side of the street, and the parking lot was located on the west side of the hotel. The lighting was poor. The decedent was observed on the ground covered by a yellow tarp, which was subsequently removed. He was lying supine across a white line painted on the ground delineating a parking space, with his feet facing north and his head toward the street. His legs were straight, and his arms were at his sides with his left elbow slightly bent. A moderate amount of blood was present behind his head and left shoulder, with a stream continuing away from the left side of his body. A black conductive electrical weapon (CEW) was located a few feet from his head on his right side. Two orange colored wires attached to the CEW continued beneath the decedent's torso and between his legs and wrapped around his left leg. A small green piece of plastic was located a few inches to the right of his head, and another small green piece of plastic was located at his left side, between his arm and his torso. There were pieces of yellow and pink confetti scattered around the body.

Body examination began at 0512 hours. The decedent was clothed in a blood soaked red short-sleeved T-shirt that had been previously cut, a pair of soiled light colored pants with a black string laced through the belt loops, a pair of soiled light colored underwear, and a pair of light colored athletic shoes. A dark colored rubber band was around his right wrist. A metal fish was laced through the black string around his pants. A barb attached to one of the previously noted orange colored wires pierced the left side of his pants and underwear anterior to the opening of the left front pocket. The barb attached to the second orange colored wire was entwined in the T-shirt near the bottom seam on the flap of the shirt on the left side of the body. A pair of glasses with black metal frames was found beneath the right side of the body. Medical paraphernalia

consisted of defibrillator pads affixed to the chest and electrocardiogram pads affixed to the upper extremities and left lower quadrant of the abdomen. The body was warmer than ambient temperature with full rigor mortis in the lower extremities and mild to moderate rigor mortis in the upper extremities. Livor mortis was imperceptible. The head hair was black and curly, the eyes were brown, and the complexion of the skin was dark. There was smeared blood on the face, torso, and upper extremities, with a greater amount on the left side of the body. There was an irregular gunshot wound on the left axilla, measuring approximately 2-1/2 – 3 inches in greatest dimension. A red abrasion was on the top of the left shoulder. No other injuries were identified, and no subcutaneous projectile fragments were palpated.

The decedent was placed onto a white sheet. White paper bags secured with adhesive tape were placed over the hands at 0540 hours. A yellow tag with the decedent's name ("Doe, John") and case number was fastened around the right ankle and brown paper bags secured with adhesive tape were placed over the feet at 0541 hours. A brown paper bag secured with adhesive tape was placed over the head at 0543 hours. The decedent was placed in a white zip-front body bag that was sealed with red tamper-evident tag number "2390482" at 0550 hours. I left the scene with MEI Stolberg and Dr. Stabley at 0556 hours. The examination was scheduled with San Diego Police Department for 0930 hours on October 28, 2015.

AUTOPSY

IDENTIFICATION AND BODY RECEIPT: The body is received in a supine position in a white zip-front body bag closed by tamper-evident red seal number "2390482" which is opened at 0943 hours. A yellow Medical Examiner's identification band bearing the decedent's case number and the name "Doe, John" is fastened around the decedent's right ankle. A blue Medical Examiner's identification band is made and placed around the decedent's right ankle at autopsy.

The body bag is opened to show that the body is wrapped in a blood-stained sheet. There are paper bags secured over the head, hands, and feet. After the paper bags are removed from the head, hands, and feet, it is noted that there is a small amount of smeared dried blood on the dorsum of both hands and on the palmar surface of the right hand, especially over the hypothenar eminence. There is no soot deposition or stippling on the hands. There is a small amount of smeared dried blood on the face, especially on the right side of the forehead. There is a variable amount of smeared dried blood on the dorsal aspect of the left forearm and on the lateral aspect of the left arm. There is a moderate amount of smeared and dried blood on the neck, chest, and abdomen.

WITNESSES: In attendance from the San Diego Police Department are Detective A. Lozano and Forensic Evidence Technician K. McDonald. Assisting is Forensic Autopsy Specialist Fabian King, Sr.

CLOTHING: When initially viewed, the body is clad in an inside out red T-shirt that has been previously cut, a pair of orange pants, a pair of light blue boxer brief-type underwear, and gray and green athletic shoes. A black shoe string is laced through the belt loops of the pants, and a gray metal fish that says "JESUS" on one side hangs from it. There is a dark colored rubber band around the right wrist. Orange colored wires are underneath the torso and continue between the legs, wrapping around the anterior aspect of the left thigh. A gray metal barb attached to the end of one of the wires pierces the left side of the pants anterior to the left front pocket and the underwear beneath. The other wire courses through multiple defects on the lower aspect of the left side of the T-shirt, and the attached barb pierces the shirt near the seam. The T-shirt is blood soaked, predominantly on the back and left side. There are numerous defects on the left sleeve of the shirt, corresponding to a gunshot entrance wound (described in "Injuries" below). No soot deposition is present around the defects. In the right front pocket of the pants is a 1.5 fluid ounce bottle of shave gel, a partially burned cigar, three cigarette butts, an empty matchbook, and a AAA battery. In the left front pocket of the pants is a single black sock, a partially burned cigar and a metal key.

EVIDENCE OF MEDICAL THERAPY: In place are the following items:

1. External defibrillator pads x2, right anterior chest and left lateral chest.
2. EKG pads x2, left lateral arm and left lower quadrant of abdomen.

EXTERNAL EXAMINATION

Injuries are described in a separate section below.

GENERAL: The body is that of a normally developed and well-nourished, thin, dark-complexioned male appearing consistent with the listed age of 29 years. The length is 66 inches, and the weight is 140 pounds as received. The body is well preserved, cold, and has not been embalmed. Rigidity is fully developed in the jaw and extremities. Lividity is imperceptible.

HEAD: The scalp is covered with black and dark brown, curly hair measuring up to 2 inches on the top of the head when straightened. There is a black beard measuring up to 1-3/4 inches with a moustache measuring up to 1/2 inch. The ears are normally formed and without drainage. The earlobes each have two piercings. The irides are brown, the corneas are clear, and the bulbar and palpebral conjunctivae are free of petechiae. The sclerae exhibit slightly yellow discoloration. The nose is intact, and the nares are clean and unobstructed. The lips are normally formed. The teeth are natural and in fair condition. The maxillary central incisors are chipped.

NECK: The neck is symmetrical and without injury.

CHEST AND ABDOMEN: There are injuries of the chest that will be described below. The chest is normally formed, symmetrical, and without palpable masses.

The abdomen is flat and soft. No masses are palpable.

EXTERNAL GENITALIA: The external genitalia are those of an uncircumcised adult male with both testes palpable in the scrotum.

BACK: The back is straight and symmetrical. The anus is atraumatic.

ARMS: There are injuries of the upper extremities that will be described below. The arms are normally formed. No needle punctures are noted. The fingernails are cut short and do not extend beyond the fingertips. There is dried blood and dark debris beneath the nails and around the nailbeds.

LEGS: There are injuries of the lower extremities that will be described below. The legs are normally formed and have no edema, amputations, or deformity. The toenails are short and have dark debris beneath them.

BODY MARKINGS (SCARS AND TATTOOS):

Scars:

1. There are two hypertrophic obliquely oriented scars in the right antecubital fossa, measuring $1/2 \times 1/4$ inch and $3/8 \times 1/4$ inch.
2. There is a $3 \times 3/16$ inch obliquely oriented scar with multiple $3/16 - 5/16$ inch linear scars along its superior and inferior edges on the dorsal aspect of the right forearm.
3. A $1/8 \times 3/16$ inch obliquely oriented scar with multiple $3/16 - 5/16$ inch linear scars along its superior and inferior edges is on the ventrolateral aspect of the right forearm.
4. There are three perpendicular, horizontally oriented linear scars on the ventral aspect of the right forearm, measuring $1-1/2 - 3-1/4$ inches. An oval $1/4 \times 5/16$ inch scar is positioned on the superomedial edge of the most proximal scar, and a $3/8 \times 5/16$ inch oval scar is located adjacent to the medial edge of the most distal scar.
5. Just proximal to the right wrist are two roughly vertically oriented scars measuring $1 \times 3/16$ inch and $7/8 \times 1/4$ inch.
6. A $5/16 \times 1/16$ inch horizontally oriented scar is on the lateral aspect of the right wrist.
7. There are four perpendicular, horizontally oriented linear scars on the ventral aspect of the left forearm, measuring $1 - 3-1/4$ inches. An obliquely oriented $11/16$ inch scar overlaps the most distal scar.

Tattoos:

1. There is a monochromatic teardrop-shaped tattoo on the lateral aspect of the left eye with extensive scarring.

2. There are two illegible monochromatic tattoos on the anterior aspect of the left side of the chest.
3. There is a partially legible monochromatic tattoo on the ventral aspect of the left forearm that says "RIP Hassan".
4. There are illegible tattoos on the dorsal aspects of the second, third, and fourth digits of the left hand just distal to the metacarpophalangeal joints.

INJURIES, EXTERNAL AND INTERNAL

There is a penetrating gunshot wound of the left upper extremity and torso. The directions are stated with reference to standard anatomic planes.

PENETRATING GUNSHOT WOUND OF LEFT UPPER EXTREMITY AND TORSO:

ENTRANCE: A gunshot entrance wound is on the anterior-superior aspect of the left axilla centered 15-1/4 inches below the top of the head, 5 inches below the top of the left shoulder, and 7 inches to the left of the anterior midline. It is a 2-3/4 x 2-3/4 inch irregular defect with an asymmetrical, incomplete collar of pink abrasion measuring 1/16 inch from the 1 - 2 o'clock positions, 1/8 inch from the 2 - 3 o'clock positions, and 1/16 inch from the 3 - 6 o'clock positions. Along the 2 - 3 o'clock edge of the wound is a 1/2 inch rim of punctate pink abrasions. No definitive stippling of the adjacent skin is present. There is no soot.

PATH: The bullet perforates the skin, subcutaneous tissue, and pectoralis muscles and enters the chest cavity through a 1 x 5/16 inch defect between the left 2nd and 3rd ribs, fracturing the 3rd rib. It perforates the left upper lobe of the lung, the pericardium, the posterior wall of the left ventricle of the heart, and the aorta at the level of the T10 - T12 vertebral bodies, and grazes the left side of the T12 vertebral body. There is extensive adventitial hemorrhage surrounding the aorta. There are 1500 ml of liquid blood in the left chest cavity and 20 ml of liquid blood in the pericardial sac.

PROJECTILE/SITE OF LODGMENT: Recovered free-floating in the left chest cavity along the posterior wall is a gray metallic, orange metal jacketed projectile with a round base, measuring 3/8 inch in diameter, and a mushroomed tip with six petals. The projectile is photographed and turned over to the forensic evidence technician.

DIRECTION: The direction this bullet traveled is left to right, downward, and backward.

OTHER INJURIES:

There is a 1/8 inch vertically oriented, dark red, linear abrasion on the nape of the neck at the midline and a 1-1/2 x 1-1/4 inch vertically oriented, faint, red striated abrasion on the back overlying the superior aspect of the left shoulder. A 1-1/2 x 1-1/4 inch red abrasion is on the top of the left shoulder.

A 5/8 x 3/8 inch cluster of red abrasions is on the dorsal aspect of the right forearm just above the wrist. There is a 9/16 x 1/2 inch dark red abrasion on the lateral aspect of the left forearm. A 1/4 inch round lesion consistent with an unroofed vesicle is on the palmar surface of the left hand on the thenar eminence. There are scattered, randomly situated dark-red to brown crusted abrasions at various stages of healing on the dorsal surface of the left hand, measuring 1/16 – 1/8 inch in greatest dimension. A 1/4 x 1/8 inch red abrasion is on the dorsal surface of the third digit of the left hand, overlying the proximal interphalangeal joint.

There are four brown abrasions across the right knee, measuring 1/2 - 5/8 inch in greatest dimension. There is a 1-1/4 x 1 inch cluster of brown crusted punctate abrasions on the lateral aspect of the right shin. There is a 3/8 x 1/4 inch cluster of brown crusted punctate abrasions on the medial aspect of the right shin. A puncture is on the lateral aspect of the left thigh, corresponding to the previously described barb that pierced the left side of the decedent's pants. A 7/8 x 1/2 inch orange-pink abrasion is on the left knee. Slightly inferior to this are two dark red abrasions on the left knee, measuring 1/4 x 1/8 inch and 7/8 x 5/8 inch. There is a 3/8 x 1/8 inch orange abrasion with contraction of the surrounding skin on the left shin. Slightly below this is a 1/2 x 1/16 inch obliquely oriented, interrupted, linear brown crusted abrasion. A 3/4 x 1/16 inch curvilinear, interrupted brown, crusted abrasion is on the medial aspect of the left shin.

INTERNAL EXAMINATION

BODY CAVITIES: See "Injuries" section above. The abdominal fat layer measures up to 0.8 cm in thickness. The right chest cavity and the abdominal cavity have no hemorrhage or abnormal fluid. The serosal surfaces are smooth, glistening, and without adhesions. The organs are normally located.

CARDIOVASCULAR SYSTEM: See "Injuries" section above. The heart weighs 270 grams and is not enlarged. It has a normal shape with a smooth, glistening epicardium. The coronary arteries have a normal origin and distribution with right dominance. The coronary arteries have no atherosclerotic stenosis and are widely patent.

The myocardium is red-brown, firm, and uniform without focal fibrosis, softening, or hyperemia. The ventricles are not dilated or hypertrophied. The right ventricle, left ventricle, and interventricular septum measure 0.4 cm, 1.5 cm, and 1.6 cm, respectively.

The endocardium is intact, smooth, and glistening. The cardiac valve leaflets are of normal number, pliable, intact, and free of vegetations. The atrial and ventricular septa are free of defects.

The aorta follows its usual course and has rare fatty streaks. There are no vascular anomalies or aneurysms. The vena cavae and pulmonary arteries are without thrombus or embolus.

RESPIRATORY SYSTEM: See "Injuries" section above. The right and left lungs weigh 500 and 260 grams, respectively, and have the usual lobation. The pleura are smooth and glistening; the lungs have moderate anthracotic pigment. The right lung is well expanded and crepitant, and the left lung is collapsed. The parenchyma is pink-dark red and exudes moderate amounts of fluid. The lungs have no consolidation, infarct, tumor, gross fibrosis, or enlargement of airspaces. There is hemorrhage of the left upper lobe associated with the previously described injuries. The bronchi contain no foreign material and have pale tan mucosa.

HEPATOBIILIARY SYSTEM: The liver weighs 1130 grams. The intact capsule is smooth and glistening. The parenchyma is red-brown and uniform without mass, hemorrhage, yellow discoloration, or palpable fibrosis.

The gallbladder is contracted and contains minimal bile and no stones. Its mucosa is uniform and the wall is not thickened.

The pancreas has a normal size, shape, and lobulated structure. The parenchyma is pink-tan, firm, and uniform.

HEMOLYMPHATIC SYSTEM: The spleen weighs 50 grams. The capsule is smooth and intact. The parenchyma is maroon, firm, and uniform.

There is no enlargement of the lymph nodes in the neck, chest, or abdomen.

ENDOCRINE SYSTEM: The thyroid gland is not enlarged, and the lobes are symmetrical. The parenchyma is uniform, firm, and red-brown.

The adrenal glands have the usual size and shape. The cortices are thin, uniform, and yellow, and there is no hemorrhage or tumor. The pituitary gland is not enlarged.

GASTROINTESTINAL SYSTEM: The esophagus and gastroesophageal junction are unremarkable. The stomach contains approximately 75 ml of thick tan fluid with numerous fragments of a white, hard, flat material. There are no visible pills or pill residue. The gastric and duodenal mucosae are intact and unremarkable. The small and large intestines and appendix are unremarkable to inspection and palpation.

GENITOURINARY SYSTEM: The kidneys each weigh 80 grams, and have a normal shape and position. The cortical surfaces are smooth. The kidneys have the usual corticomedullary structure without tumors. There are two cortical cysts of the right kidney

measuring 0.5 cm and 0.7 cm. The pelves and ureters are not dilated or thickened. The bladder contains 10 ml of clear yellow urine. The mucosa is intact, and the bladder wall is not hypertrophied.

The prostate gland is of average size and grossly unremarkable.

NECK: The tongue, strap muscles, and other anterior neck soft tissues have no hemorrhage. The hyoid bone and the cartilaginous structures of the larynx and trachea are normally formed and without fracture. The airway is unobstructed, lined by smooth, pink-tan mucosa, and contains no foreign material. The cervical vertebrae have no displacement, hypermobility, or crepitus.

MUSCULOSKELETAL SYSTEM: See "Injuries" section above. The musculoskeletal system is well developed and free of deformity. There are no fractures of the clavicles, sternum, or pelvis. The ribs are not brittle. The skeletal muscle is dark red and firm.

HEAD: The scalp is free of hemorrhage. The calvarium and base of the skull are normally configured and have no fractures. The dura is intact, and there is no epidural or subdural hemorrhage.

CENTRAL NERVOUS SYSTEM: The unfixed brain weighs 1230 grams. The leptomeninges are glistening and transparent without underlying hemorrhage, exudate, or cortical contusions. The hemispheres are symmetrical and have a normal gyral pattern. There is no flattening of the gyri, narrowing of the sulci, midline shift, or evidence of herniation. The arteries at the base of brain have no atherosclerotic changes or aneurysms.

Sections through the cerebral hemispheres have a uniform, intact cortical ribbon and uniform white matter. The basal ganglia, thalami, hippocampi and other internal structures are symmetrical and without focal change. The ventricles are not enlarged, and the linings are smooth and glistening. Sections of the brainstem and cerebellum show an intact structure without focal lesions.

SPECIMENS RETAINED

TOXICOLOGY: Samples of chest blood, peripheral blood, vitreous humor, gastric contents, urine, and liver are retained for toxicology.

EVIDENCE: Evidence collected by law enforcement during autopsy examination is as separately documented and includes: paper bags from head, hands and feet; head hair sample; blood sample; rib sample; oral swabs; fingerprints; palm prints; fingernail scrapings; gunshot residue swabs; hand swabs; projectile; conducted electrical weapon barb; and all clothing and personal property present at autopsy.

HISTOLOGY: Representative sections of organs and tissues are retained. Sections of the heart (1), lungs (2), liver (1), and kidney (1) are submitted for histology.

Cassette summary:

Cassette 1: Liver and kidney.

Cassette 2: Lungs.

Cassette 3: Left ventricle.

PHOTOGRAPHS: Digital identification photographs, overall photographs, and photographs of clothing, hands, recovered projectile, injuries, and selected internal findings are taken.

RADIOGRAPHS: Postmortem radiographs of the entire body are made and retained. These show a retained projectile in the left chest cavity, a barb from a conductive electrical weapon on the left side of the body, medical therapy, clothing, and personal property.

MICROSCOPIC EXAMINATION

HEART: One section shows organized cardiac myocytes with no inflammation, fibrosis, or necrosis.

LUNGS: Sections show thin and delicate alveolar septa. There is vascular congestion with some extravasation of red blood cells into alveolar spaces. There are numerous intra-alveolar pigment laden macrophages. There is no acute inflammation, increased eosinophil population, basement membrane thickening, muscular hypertrophy, or glandular hyperplasia. The section from the left lung demonstrates diffuse atelectasis.

LIVER: One section of liver shows intact lobular architecture with no steatosis, fibrosis, necrosis, or increased portal inflammation.

KIDNEY: One section shows normocellular glomeruli. There is no tubulointerstitial inflammation or interstitial fibrosis. The tubules are unremarkable. The vessel walls are not thickened.

**SAN DIEGO POLICE DEPARTMENT
INVESTIGATOR'S REPORT**

DATE (occurrence): October 27, 2015 (Tuesday)
TIME (occurrence): 2246 Hours
LOCATION: 4875 North Harbor Drive
SUBJECT: OIS/Special Investigation – SDPD Case #15-046913
69 PC Resisting Executive Officer– SDPD Case #15-046912
Incident: #15100053009
Officer: AHFOOK, Sulimoni #5216 (Harbor Police)
Suspect: ASHFORD, Anthony, B/M (29, [REDACTED])

INVESTIGATOR'S REPORT:

On December 10, 2015, I checked out barcode number 10547592, item 7, an X26 Taser, serial number X00-668322, and took the taser to the San Diego Harbor Police Department for the purpose of downloading the data from the taser.

Sergeant Mikel MCLEAN assisted me by downloading the taser. Sergeant MCLEAN converted the data to a PDF file and transferred the data onto a compact disc for preservation.

I returned the taser back into evidence and impounded the compact disc under barcode number 10574849. A printed version of the Taser download is attached to the Homicide Book.

Suspect: ASHFORD, Anthony, B/M (29) DOB: [REDACTED]

INVESTIGATIVE FOLLOW UP:

RE: Taser Download and Time Discrepancy:

On October 27, 2015, Homicide Team IV was assigned to investigate an Officer Involved Shooting (OIS) at 4875 North Harbor Drive involving Harbor Patrol Officer Sulimoni AHFOOK. During the investigation, it was learned AHFOOK had been “drive stunned” with his department Taser by the suspect ASHFORD while on the ground during the struggle. Officer AHFOOK was able to fight through the taser hit and ultimately ended up discharging his weapon striking ASHFORD ending the altercation.

Homicide Team IV conducted the investigation and Detective LOZANO was assigned to conduct the Crime Scene Investigation. During the collection of evidence, Officer AHFOOK’s Taser, identified as an X26 Taser, serial number X00-668322, was collected as evidence. It was later downloaded by Harbor Police Sergeant Mikel MCLEAN for the purpose of obtaining the history data associated with the taser deployment (see Investigative Follow-up by Detective LOZANO for details).

Upon viewing the taser download data, the information revealed the last activity and discharge was on 10-28-2015 at 23:03:01 hours. The taser deployment duration showed the taser was active for a 10 second discharge. This was the incident where ASHFORD used the taser to “drive stun” Officer AHFOOK.

In reviewing the time the taser was deployed, it was noted there was an approximate 15 minute time discrepancy from when Officer AHFOOK called for cover (22:48:06) to when the taser deployment occurred (23:03:01). While reviewing the records, I contacted Officer Warren LOVELL from the SDPD Operational Support Division who issues our department Tasers. I pointed out the time discrepancy and asked why the times were off. Officer LOVELL explained unless the taser is brought into the office for calibration on a regular basis, the internal clock becomes inaccurate. This would explain the time difference from the time of the call for cover occurred and the time the taser was deployed.

When Detective LOZANO brought the taser back to the Harbor Police for downloading, the last two line on the download (lines 690 and 691) showed the time correcting itself from the “Old Time” to the “New Time.” The calibration showed an approximately 20 minute gap that had been corrected when the taser was downloaded and calibrated.

**SAN DIEGO POLICE DEPARTMENT
INVESTIGATOR'S REPORT**

DATE (occurrence): October 27, 2015 (Tuesday)

TIME (occurrence): 2246 Hours

LOCATION: 4875 North Harbor Drive

SUBJECT: OIS/Special Investigation – SDPD Case #15-046913
69 PC Resisting Executive Officer– SDPD Case #15-046912
Incident: #15100053009
Officer: AHFOOK, Sulimoni #5216 (Harbor Police)
Suspect: ASHFORD, Anthony, B/M (29) [REDACTED]

INVESTIGATIVE FOLLOW-UP VIEWING OF BOTTLE STOP SECURITY VIDEO :

On 10/27/2015, at approximately 2300 hours members of SDPD Homicide Team IV were called out to investigate an Officer Involved Shooting at 4875 N. Harbor Drive. The shooting involved Harbor Police Officer Sulimoni AHFOOK.

During the course of the investigation, Harbor Police obtained surveillance video from the Bottle Shop liquor store located at 4875 N. Harbor Drive. On 10/29/2015, Harbor Police Officer Dye #5087 provided Detective Sergeant CONLEY with a CD containing the surveillance video of the business.

The front entrance to the Bottle Shop liquor store is located approximately 20 yards from where the shooting incident occurred (See Detective LOZANO's crime scene report for further details).

The CD contains four separate interior camera angles. There are no exterior cameras on the building. "Camera 2" is located on the East wall of the business and captures the West side of the liquor store, including the front entrance. The West wall of the liquor store is primarily glass including the front entrance doors. Camera 2 captures a portion of the exterior West parking lot where the shooting incident took place.

The camera's video is in black and white and is extremely grainy due to the time of night of the footage. Per Officer Dye's report, the video time stamp is 8 minutes faster than the actual time.

At 22:57:00 hours the video footage shows the movement of at least 1 person in the parking lot where the shooting incident took place. Due to the poor quality of the video footage it is unclear who the person is and what is actually occurring.

At 22:57:46 hours, video footage then captures several patrol vehicles enter the scene with overhead emergency lights activated.

Nothing else of note was observed from Camera 2. Cameras 1, 3 and 4 only capture the interior of the store and did not capture footage of the incident. The CD containing the video footage was impounded by

Synopsis

On October 27, 2015 Officer Ahfook was working his normally assigned midnight shift as a vehicle patrol unit. While on routine patrol, he observed an unidentified African American male looking into cars in the area of 4904 North Harbor Dr. Officer Ahfook eventually contacted this subject based upon his suspicion that he was casing vehicles to break into. Upon contacting the suspect in the parking lot at Holiday Inn Bayside, the suspect refused to comply with verbal commands to stop. Officer Ahfook noticed that the subject exhibited abnormal behavior and became concerned that the suspect would attempt to flee on foot. Officer Ahfook also noticed that the suspect had both hands in his pockets and was unsure if he had a weapon. Officer Ahfook then attempted to physically stop the suspect by grabbing his arms in order to prevent his escape and to take control of his hands that were in his pockets. A struggle ensued and the suspect grabbed ahold of Officer Ahfook's holstered weapon in an apparent attempt to disarm him. During the struggle for Officer Ahfook's pistol, both he and the suspect ended up on the ground. While on the ground, the suspect removed Officer Ahfook's Taser, from its holster on Officer Ahfook's belt, and drive stunned Officer Ahfook on the back of his neck. Officer Ahfook was able to fight through the stun and then draw his weapon from his holster. He warned the suspect to drop the Taser and when the suspect refused, Officer Ahfook fired one shot hitting the suspect in the chest, killing him.

Details

I was assigned to review this officer involved shooting by Chief J. Bolduc. As per SDHP Policy 302: Deadly Force Review, I reviewed the criminal case conducted by the San Diego Police Department Homicide Team 4 in its entirety as well as the findings of the Officer of the San Diego District Attorney dated May 26, 2016. In addition I reviewed Officer Ahfook's Harbor Police Training Records and potentially applicable policy sections. Finally, I responded to the scene the night of this incident and acted as the Department's liaison with San Diego Police Homicide for the duration of this case.

Officer Ahfook Gave a voluntary statement to the San Diego Harbor Police Investigators and the transcript is included in the final report. Therefore, there was no need to interview Officer Ahfook as part of this review.

In District Attorney Bonnie Dumanis review, she concluded that, "Officer Ahfook was attempting to physically detain Mr. Ashford for suspicion of criminal activity. Ashford removed himself from Ahfook's hold and attempted to take Ahfook's pistol from its holster. While Ahfook and Ashford struggled for control of the pistol, Ashford took Ahfook's Taser and stunned Ahfook. Ahfook recovered from the stun and shot Ashford once as Ashford was moving toward Ahfook with the Taser. The Taser was capable of delivering additional "drive stun" applications. Ashford was pronounced dead at the scene. Based upon these circumstances, it is apparent that Ahfook fired in self-defense and therefore bears no criminal liability for his actions."

Based upon my review of the aforementioned documents this shooting will be classified as **WITHIN POLICY**.

Using the criminal investigation and Officer Ahfook's statement, the following aspects of this incident were considered in this administrative review:

Initial Contact:

Shortly after the midnight shift briefing, Officer Ahfook began to drive through his beat to conduct a cursory overview of his beat, as was his stated normal practice. When he arrived to the area of 4904 North Harbor Dr., he noticed Ashford looking into vehicles. Based on his training and experience Officer Ahfook thought that Ashford might be casing vehicles, so he made a U-turn to drive into the parking lot. As he slowly drove past Ashford, Officer Ahfook asked him, "How you doing Sir?" to which he received no response. Officer Ahfook drove out of the lot to get back on N. Harbor Dr. and made another U-turn to return to the area because he believed Ashford's behavior was suspicious. By the time Officer Ahfook got back to the area, Ashford had crossed the street and was near the Holiday Inn Express. As Officer Ahfook approached Ashford in his patrol car, Ashford glanced at him and then quickly turned away, which further heightened Officer Ahfook's suspicion that Ashford was engaged in some sort of criminal activity. Because he was concerned that Ashford might run from him, Officer Ahfook drove past him about ten yards and then stopped and got out of the car. Prior to getting out of his car, Officer Ahfook notified HPD communications of his location, that he would be conducting a pedestrian stop, and the pedestrian's description.

After getting out of his patrol car, he told Ashford, "Sir, I need to talk to you." In response, Ashford looked at Officer Ahfook and then looked away and continued walking. Based upon his demeanor, Officer Ahfook believed that Ashford might be mentally ill in addition to potentially engaging in criminal activity.

Analysis: In the area where Ashford is first observed, it is rare to see people loitering in the area during this time of night and this area has been subject to criminal activity in the past. Additionally, after the initial observation and the contact, Ashford's resulting actions would pique an officer's suspicions. Based upon Officer Ahfook's statement, the justification for the contact and tactics used to conduct the pedestrian stop are consistent with accepted police practices and Harbor Police Policy.

Use of Force:

Officer Ahfook noticed that Ashford's hands were in his pocket and based upon his behavior and his lack of cooperation, Officer Ahfook approached Ashford from behind and decided to grab both of his arms at his elbows in order to stop Ashford from escaping and/or potentially removing a weapon from his pockets. Officer Ahfook had intended on calling for assistance on his radio, but Ashford turned his head to look at Officer Ahfook and then spun around, breaking Officer Ahfook's grip. Once facing Officer Ahfook, Ashford grabbed at Officer Ahfook's holstered pistol and began to pull on it with both hands in an apparent effort to remove it from its holster. Officer Ahfook, in an attempt to prevent the taking of his gun, trapped Ashford's hands with both of his hands. Because both hands were occupied, Officer Ahfook was unable to use his radio to call for assistance. While struggling for control of the weapon, both Officer Ahfook and Ashford fell to the ground, causing Officer Ahfook to hit his head on the concrete. While still struggling for control of the gun, Officer Ahfook was eventually able to get on top of him. At one point, Ashford let go of Officer Ahfook's weapon with one hand and Officer Ahfook used the opportunity to use his radio to call for "Cover Now". Officer Ahfook decided at this point that he was comfortable in his current position and could maintain control of Ashford until cover arrived.

Shortly thereafter, Officer Ahfook felt "numb in his whole body" and then felt like he "got shot in the head". He then heard the "tick, tick, tick" of a Taser deploying as well as smell the distinct scent that the Taser produces when it is deployed. The Taser hit caused Officer Ahfook to lose feeling in his arms, but he eventually regained it and was able to regain control of his weapon and draw it from its

Investigator Initials EW

holster. He got some distance between himself and Ashford and then ordered him to drop the Taser. When Ashford did not comply, Officer Ahfook fired one shot, aiming for and hitting Ashford's chest. Immediately after the shooting, Officer Ahfook attempted to start CPR, but cover units arrived on scene and took over first aid efforts from him.

During the contact, Officer Ahfook stated that he repeatedly gave commands to Ashford to let go of his weapon and to stop resisting.

During his statement, Officer Ahfook expressed his fear for his life and that he believed that his life was in immediate danger.

Analysis: Officer Ahfook had developed a reasonable suspicion that Ashford was engaged in some criminal activity and gave Ashford a reasonable opportunity to comply. Because of his failure to comply, Officer Ahfook had an articulable fear that Ashford might be in possession of a weapon and choose to mitigate this by grabbing him at his elbows to trap the movement of his hands. After this initial decision, Officer Ahfook was forced to react to Ashford's actions in order to protect himself.

During the struggle, Officer Ahfook's Taser was taken from his leather like, level one retention holster. This department issued holster was carried on Officer Ahfook's utility belt on the left side, (non-dominate), as prescribed by policy. Because Officer Ahfook was understandably preoccupied with protecting his pistol from being taken, he did not notice that the suspect was attempting to take his Taser.

Based upon Officer Ahfook's statement and the physical evidence collected by SDPD Homicide, Officer Ahfook's actions are within Harbor Police Policy.

Recommendations

Training:

Officer Ahfook's training file was reviewed as well as his Daily Training Bulletin Report. Officer Ahfook was up to date on all his qualifications and certificates. His DTB report showed that he was up to date. Additionally, Officer Ahfook is a Department Defensive Tactics instructor and as such as received more training than your average officer.

Therefore, there are no additional training recommendations as a result of this incident.

Equipment:

Officer Ahfook was wearing all issued safety gear and a full uniform. All of the issued equipment was in working order.

The Taser holster has a level one retention level. The Department has since moved to a Level 2 retention holster that would better protect the Taser from being taken in this type of situation.

**Re: Fatal shooting of Mr. Anthony Ashford on October 27, 2015 by San Diego Harbor
Police Officer Sulimoni W. Ahfook, SDPD Case No. 15-046913, DA Special Operations
Case No. 15-202PS; Deputy District Attorney assigned: Paul Reizen**

Dear Chief Bolduc:

We have reviewed the reports and other materials compiled by the San Diego Police Department's Homicide Division concerning the fatal shooting of Mr. Anthony Ashford by San Diego Harbor Police Officer Sulimoni Ahfook on October 27, 2015. A District Attorney Investigator responded to the scene and was briefed by San Diego Homicide investigators. This case was presented to the District Attorney's Office for review on January 19, 2016.

Persons Involved

Mr. Anthony Ashford was 29 years-old and traveled to San Diego from Vallejo, CA.

Officer Sulimoni Ahfook had been a police officer with the San Diego Harbor Police Department for 9 years when this incident occurred. Ahfook was in full uniform and was assigned to patrol duties on the night shift.

Summary

Officer Ahfook was patrolling the area of North Harbor Drive, near the Holiday Inn hotel in Point Loma. Ahfook saw Mr. Ashford peering into some parked and unattended vehicles in the hotel's parking lot. Ahfook greeted Ashford as he drove past him but received no response. Ahfook got out of his marked police vehicle and walked toward Ashford to determine whether Ashford was engaging in criminal activity. Ahfook again greeted Ashford. Ashford ignored Ahfook and began to walk away. Ahfook stood behind Ashford and grasped his arms above the elbows to detain him. Ashford spun around and released himself from Ahfook's grasp. Ashford grabbed and tried to pull Ahfook's pistol from its holster. Ashford and Ahfook engaged in a struggle. Both fell to the ground. Ashford gained control of Ahfook's Taser and used it to stun Ahfook on the back of his neck. Ahfook recovered and was able to un-holster his pistol and fire once, striking Ashford above his left armpit. Ashford was pronounced dead at the scene. Ahfook was not equipped with a body-worn camera as the Harbor Police Department did not use body-worn cameras at the time of the incident. Nor is there any other known video of the incident.

Background

Mr. Ashford had a criminal history dating back to 2002. In 2005, Ashford robbed two victims at gunpoint shooting one of the victims in the leg. He was deemed to be mentally incompetent and was committed to the Napa State Hospital. While in custody in July of 2006, Ashford attempted suicide. In January of 2007, Ashford was charged with an assaulting a custodial deputy. Ashford was deemed mentally incompetent by the court and committed to the Atascadero State Hospital. Ashford attempted suicide four additional times and then was released from custody on July 31, 2012. On November 28, 2013, Ashford again attempted suicide stating he was depressed because he felt he was "not amounting to anything."

In September 22, 2015, Mr. Ashford's mother filed a missing person's report stating Mr. Ashford was bipolar and missing since May 2015. From May 2015 to the instant incident, Ashford had several contacts with San Diego County law enforcement for suspected narcotics use, illegal lodging, trespass, theft, and providing a false identity. The majority of the contacts with law enforcement in San Diego documented Ashford as transient.

Officer-Involved Shooting

On the evening of October 27, 2015, Officer Ahfook was beginning his patrol shift and drove past the 4800 block of North Harbor Drive. Ahfook knew this to be an area of frequent car burglaries and vandalism. At about 10:40 p.m., Ahfook saw Mr. Ashford, looking into parked vehicles in an unattended parking lot on the south side of the road. Ahfook made a U-turn to investigate the possibility Ashford was prowling vehicles. Ahfook drove near Ashford and asked how he was doing. Ashford did not respond. Ahfook drove to the next street light and noticed Ashford had crossed the street and was looking into a vehicle in the parking lot of the Holiday Inn hotel. Ahfook decided to park his vehicle and approach Ashford on foot. Ahfook broadcast his location on the police radio and informed the dispatcher he was about to contact Ashford.

Officer Ahfook walked up to Mr. Ashford and said he wanted to speak with him. Ashford walked past Ahfook without acknowledging him. Ashford had both hands in his pants pockets. Ahfook approached Ashford from behind and grasped his arms above the elbows. Ashford spun around and released himself from Ahfook's grip. Ashford grabbed the officer's holstered pistol with both hands and attempted to pull it out. Ahfook placed both of his hands on the pistol to keep it in place. Both men struggled and fell to the ground. Ahfook managed to broadcast a request for assistance and continued struggling with Ashford. Ashford gained control of the officer's Taser weapon and stunned Ahfook by placing it directly on the back of the officer's neck and pulling the trigger. Ahfook was able to recover and draw his pistol from its holster. Ahfook warned Ashford to drop the Taser. Ashford did not drop it. Ahfook fired once into Ashford's chest. Ahfook used his portable radio and announced "shots fired." Ahfook cut the front of Ashford's shirt open to commence CPR. Other police officers arrived at that time and relieved Ahfook. Ahfook collapsed to his knees and was transported the UCSD Medical Center in Hillcrest for treatment of his injuries.

Officer Ahfook's Statement

Officer Ahfook provided his statement on October 30, 2015. Ahfook stated he believed Mr. Ashford was involved in criminal activity. After Ashford ignored Ahfook's initial attempt to speak to Ashford, Ahfook approached Ashford from behind and grasped both elbows. Ashford unexpectedly spun around. Ahfook immediately felt a tug on his holstered pistol. Ahfook said, "So all my adrenaline, everything was concentrated on holding his hand, his two hands down. I don't know which hand he had on the handle but he had hands on there." Ahfook described how his strength was depleting after the intense struggle for the pistol and how nervous he (Ahfook) was becoming. Ahfook said they both fell and Ahfook hit his head on the ground. Ahfook looked at Ashford's face and said, "Let go of the gun. Let go of the gun." Ahfook said Ashford had a stone cold expression on his face and maintained his grip after Ahfook's repeated requests to let go. Ahfook said, "I was plain and simple, scared." Ashford placed his knee on Ahfook's hip and was able to increase his leverage while pulling on the pistol grip. Ahfook had a "cotton mouth" feeling from the exertion but maintained his grip on the pistol. Ahfook was able to roll on top of Ashford and gain a position of advantage. Ahfook noticed Ashford took one hand off of the pistol. Ahfook was able to use his portable radio at that point and called for cover. Both men maintained their grasp of Ahfook's pistol. Ashford was on his back and Ahfook was on top of him, with his (Ahfook's) head on Ashford's chest. Ahfook then said, "Next thing I know, I feel numb in my whole body. It just went numb." Ahfook described the sensation of having electricity running through his body and then experiencing a convulsion. Ahfook said, "Then things went, went silent. It just went silent. I thought I got shot in the head." Ahfook felt temporarily paralyzed but gradually regained his strength. Ahfook smelled the odor from the electrical current on his skin. Ahfook heard the ticking sound from his Taser being deployed and realized Ashford or someone behind him (Ahfook) had control of his Taser and had used it on the back of his neck. Ahfook managed to regain enough strength to punch Ashford in the chest and create some distance between the two. Ahfook got to his feet and drew his pistol. Ahfook aimed at Ashford and told him to drop the Taser and stay down. Ashford did not release the Taser and began to get on his knees and advance towards Ahfook. Ahfook was afraid Ashford was going to use the Taser again on Ahfook. Ahfook aimed for Ashford's chest and fired one round. Ahfook broadcast, "Shots fired," then used his knife to tear the front of Ashford's shirt to expose the injury. Ahfook was about to begin CPR efforts when he was relieved by responding officers. Ahfook said, "All of a sudden my body just dumped." Ahfook went to his knees and felt like collapsing.

Investigation

The crime scene was secured and an investigation was conducted by San Diego Police Homicide Team IV. Officer Ahfook was not equipped with a body-worn camera. Ahfook's police vehicle dashboard camera did not capture this event. There were no independent witnesses to this event. The investigation and DNA evidence determined Mr. Ashford armed himself with Ahfook's Taser during this incident. Two expended Taser barbs were recovered from Ashford's body with conductive wires attached. One barb was located in the front hemline of Ashford's t-shirt. The second barb was embedded into the left waistline area of his trousers. A puncture, consistent with the barb point from the Taser was located on Ashford's left outer thigh. The Taser was recovered over four feet above and to the right of Ashford's body. A download of the internal

data from the Taser showed the trigger was depressed once for a 10-second period of time during this incident. A discrepancy in the internal time recorder of the Taser was noted. The data download itself caused the mechanism to re-calibrate itself to the accurate Greenwich Mean Time as well as the local Pacific Standard Time. The textured areas of Ahfook's pistol, gun belt and Taser were swabbed for DNA. The examination results included Ashford's DNA on the exterior of the Taser, visible areas of Ahfook's holster for the Taser, visible areas of Ahfook's pistol holster, visible areas of Ahfook's gun belt and the top portion of Ahfook's portable radio as well as the top half of Ahfook's oleoresin capsicum canister. Ashford measured approximately 5 feet, 5 inches in height and weighed about 140 pounds. Some superficial cuts and abrasions to Ashford's hands, left shoulder, and legs were noted during the autopsy exam. They were consistent as evidence of a struggle. Ashford received one penetrating gunshot wound to his torso via the area adjacent to his left armpit. The round traveled in a downward to backward angle, resting in Ashford's chest cavity. Toxicology testing detected no alcohol, drugs of abuse or medications in Ashford's system. Ahfook measured approximately 5 feet 7 inches in height and weighed about 200 pounds. Various superficial cuts and abrasions were documented on Ahfook's head, hands, and knees. Two side-by-side indentations, consistent with a direct-contact wounds from Taser electrodes (drive stun), were located at the left base of Ahfook's neck. It appears from the Taser's internal data download, Ahfook's neck wounds and statement, DNA evidence, and the location of the Taser barbs and wires on Ashford's person that during the ground struggle Ashford gained access to Ahfook's Taser with his right hand, pulled the trigger striking himself with the Taser barbs, and then continued to depress the trigger using the Taser to "drive stun" Ahfook in the neck.

Crime lab and investigative reports, crime-scene photographs, morgue-scene photographs, dashboard-camera video, and audio-recorded interviews, as well as audio recordings from the SDPD and Harbor PD dispatchers were reviewed for this investigation.

Legal Analysis

This review was conducted pursuant to the joint protocol between this office and all San Diego law enforcement agencies calling upon the District Attorney to conduct an independent assessment of the circumstances surrounding the use of deadly force.

Under California law, peace officers may use deadly force to protect themselves from the threat of death or great bodily harm and to use reasonable force in making an arrest. California Penal Code section 835a allows an officer to use reasonable force to make an arrest and to overcome resistance by a person for whom he has reasonable cause to believe has committed a public offense. That section states the officer need not retreat or end his effort to make an arrest because of that person's resistance. Penal Code section 196 declares that homicide is justifiable when committed by public officers when necessarily committed in overcoming actual resistance in the discharge of any legal duty.

In accordance with Penal Code section 196, peace officers may use deadly force in the course of their duties under circumstances not available to members of the general public. We are mindful, however, that certain limits on the use of deadly force apply to peace officers. The U.S.

Police Chief Bolduc

Ninth Circuit Court of Appeals, in the case of *Scott v. Henrich* (9th Cir. 1994) 39 F.3d 912, delineated those circumstances under which deadly force may be used:

[P]olice may use only such force as is objectively reasonable under the circumstances. An officer's use of deadly force is reasonable only if 'the officer has probable cause to believe that the suspect poses a significant threat of death or serious physical injury to the officer or others.' All determinations of unreasonable force 'must embody allowance for the fact that police officers are often forced to make split-second judgments – in circumstances that are tense, uncertain, and rapidly evolving – about the amount of force that is necessary in a particular situation.'" [Citations omitted.]

Irrespective of any laws applicable to situations where peace officers use deadly force in accomplishing their duties, the law of self-defense is available to any person. Homicide is justifiable in accordance with Penal Code 197 when resisting any attempt by a person to commit great bodily injury on or kill any person.

Conclusions

Officer Ahfook was attempting to physically detain Mr. Ashford for suspicion of criminal activity. Ashford removed himself from Ahfook's hold and attempted to take Ahfook's pistol from its holster. While Ahfook and Ashford struggled for control of the pistol, Ashford took Ahfook's Taser and stunned Ahfook. Ahfook recovered from the stun and shot Ashford once as Ashford was moving toward Ahfook with the Taser. The Taser was capable of delivering additional "drive stun" applications. Ashford was pronounced dead at the scene. Based on these circumstances, it is apparent that Ahfook fired in self-defense and therefore bears no criminal liability for his actions.

A copy of this letter, along with the materials submitted for our review will be retained in our files.

Body Armor

1022.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1022.2 POLICY

It is the policy of the San Diego Harbor Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1022.2.1 USE OF SOFT BODY ARMOR

- (a) The Department requires all on-duty uniformed officers to wear soft body armor.
 - 1. Exceptions:
 - (a) Uniformed administrative officers while working inside the headquarters building or any other Harbor Police satellite facility. However, soft body armor must be worn when leaving said property.
 - (b) Uniformed officers publicly participating in any ceremonial event (i.e. Parade)
- (b) Sworn administrative officers wearing business clothing are not required to wear soft body armor. However, when assigned to a , stakeout, service of arrest warrant(s), or, are serving a search warrant, the wearing of a body armor is mandatory.
- (c) A stakeout, for purposes of this section, is a pre-planned event where time and practicality allow officers to put on body armor in anticipation of encountering armed or dangerous suspects or circumstances.

Body armor must be either department-issued or department-approved.

1022.3 ISSUANCE OF BODY ARMOR

The Training Sergeant shall ensure that body armor is issued to all officers when the officer begins service at the San Diego Harbor Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Department designee shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised. Sworn staff, shall notify the department designee if they discover their vest is worn to the point of becoming compromised. Sworn staff should also verify their vest is current and not expired. If they find their vest is expired or nearing expiration they should contact the department designee to arrange replacement.

San Diego Harbor Police Department

Policy Manual

Body Armor

1022.3.1 INSPECTIONS OF BODY ARMOR

Supervisors should ensure that body armor is worn and maintained in accordance with this policy through routine observation and periodic documented inspections. Annual inspections of body armor should be conducted by an authorized designee for fit, cleanliness, and signs of damage, abuse and wear.

1022.3.2 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions. Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

1022.4 RANGEMASTER RESPONSIBILITIES

The Weapons Training Unit Supervisor should:

- (a) Monitor technological advances in the body armor industry for any appropriate changes to Department approved body armor.
- (b) Assess weapons and ammunition currently in use and the suitability of approved body armor to protect against those threats.
- (c) Provide training that educates officers about the safety benefits of wearing body armor.

Investigation and Prosecution

600.1 PURPOSE AND SCOPE

The purpose of this policy is to set guidelines and requirements pertaining to the handling and disposition of criminal investigations.

600.1.1 DEFINITION OF DETECTIVE

Officer's and Corporal's assigned special assignment duties as Investigations and Intelligence Section Investigators will utilize the title of "Detective" for ease of recognition throughout the region.

Sergeant's assigned special assignment duties as Administrative Unit Investigators/Supervisors will utilize the title of "Detective Sergeant" for ease of recognition throughout the region.

The use of the title "Detective" shall not be seen as a change of class specification or duties, but only a change of title used to allow other law enforcement agencies and the public in general to better recognize the role of the Administrative Unit investigations personnel. This title shall be in effect for the duration of the special assignment.

600.2 PHOTOGRAPHIC IDENTIFICATION OF SUSPECTS

When practicable, the employee composing and the employee presenting the photo lineup should not be directly involved in the investigation of the case. When this is not possible, the employee presenting the lineup must take the utmost care not to communicate the identity of the suspect in any way.

The following precautions should be taken by any employee presenting a photographic lineup:

- (a) The person of interest or suspect in the photo lineup should not stand out from the other persons depicted in the photos.
- (b) At no time prior to, during or after the presentation of a photographic lineup should it be suggested to a witness that any person depicted in the lineup is a suspect or was in any way connected to the offense.
- (c) It is preferable that the employee presenting the photographs to a witness should not know which photograph depicts the suspect.
- (d) The employee presenting the photographs to a witness should do so sequentially (i.e., showing the witness one photograph at a time) and not simultaneously. The witness should view all photographs in the lineup.
- (e) The position of the suspect's photo and filler photos should be placed in a different random order for each witness.
- (f) In order to avoid undue influence, witnesses viewing a photographic lineup should do so individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the photographic lineup with other witnesses.

San Diego Harbor Police Department

Policy Manual

Investigation and Prosecution

- (g) An admonishment should be given to each witness that the suspect's photograph may or may not be among those in the lineup and that the witness is not required to make an identification.

The procedure employed and the results of any photographic lineup should be documented in the case report. A copy of the photographic lineup presented to the witness should be included in the case report. Witness comments of how certain he/she is of the identification or non-identification should be quoted in the appropriate report.

600.3 POLICY

It is the policy of the San Diego Harbor Police Department to investigate crimes thoroughly and with due diligence, and to evaluate and prepare criminal cases for appropriate clearance or submission to a prosecutor.

600.4 INITIAL INVESTIGATION

600.4.1 OFFICER RESPONSIBILITIES

An officer responsible for an initial investigation shall complete no less than the following:

- (a) Make a preliminary determination of whether a crime has been committed by completing, at a minimum:
 - 1. An initial statement from any witnesses or complainants.
 - 2. A cursory examination for evidence.
- (b) If information indicates a crime has occurred, the officer shall:
 - 1. Preserve the scene and any evidence as required to complete the initial and follow-up investigation.
 - 2. Determine if additional investigative resources (e.g., investigators or scene processing) are necessary and request assistance as required.
 - 3. If assistance is warranted, or if the incident is not routine, notify a supervisor or the Watch Commander.
 - 4. Make reasonable attempts to locate, identify and interview all available victims, complainants, witnesses and suspects.
 - 5. Collect any evidence.
 - 6. Take any appropriate law enforcement action.
 - 7. Complete and submit the appropriate reports and documentation.
- (c) If the preliminary determination is that no crime occurred, determine what other action may be necessary, what other resources may be available, and advise the informant or complainant of this information.

San Diego Harbor Police Department

Policy Manual

Investigation and Prosecution

600.4.2 CIVILIAN MEMBER RESPONSIBILITIES

A civilian member assigned to any preliminary investigation is responsible for all investigative steps, except making any attempt to locate, contact or interview a suspect face-to-face or take any enforcement action. Should an initial investigation indicate that those steps are required, the assistance of an officer shall be requested.

600.5 CUSTODIAL INTERROGATION REQUIREMENTS

Suspects who are in custody and subjected to an interrogation shall be given the *Miranda* warning, unless an exception applies. Interview or interrogation of a juvenile shall be in accordance with the Temporary Custody of Juveniles Policy.

600.5.1 AUDIO/VIDEO RECORDINGS

Any custodial interrogation of an individual who is suspected of having committed any violent felony offense should be recorded (audio or video with audio as available) in its entirety. Regardless of where the interrogation occurs, every reasonable effort should be made to secure functional recording equipment to accomplish such recordings.

Consideration should also be given to recording a custodial interrogation, or any investigative interview, for any other offense when it is reasonable to believe it would be appropriate and beneficial to the investigation and is otherwise allowed by law.

No recording of a custodial interrogation should be destroyed or altered without written authorization from the prosecuting attorney and the Investigative Bureau supervisor. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

Recordings should not take the place of a thorough report and investigative interviews. Written statements from suspects should continue to be obtained when applicable.

600.6 DISCONTINUATION OF INVESTIGATIONS

The investigation of a criminal case or efforts to seek prosecution should only be discontinued if one of the following applies:

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.
- (b) The perpetrator of a misdemeanor has been identified and a warning is the most appropriate disposition.
 - 1. In these cases, the investigator shall document that the person was warned and why prosecution was not sought.
 - 2. Warnings shall not be given for felony offenses or other offenses identified in this policy or by law that require an arrest or submission of a case to a prosecutor.

San Diego Harbor Police Department

Policy Manual

Investigation and Prosecution

- (c) The case has been submitted to the appropriate prosecutor but no charges have been filed. Further investigation is not reasonable nor has the prosecutor requested further investigation.
- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, and further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse Sexual Assault Investigations and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

600.7 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

600.8 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other Internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the Internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the Internet should not be archived or stored in any manner other than department-established record keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.8.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses,

San Diego Harbor Police Department

Policy Manual

Investigation and Prosecution

requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an Internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.8.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

600.9 CELLULAR COMMUNICATIONS INTERCEPTION TECHNOLOGY

The Investigation Captain is responsible for ensuring the following for cellular communications interception technology operations (Government Code § 53166):

- (a) Security procedures are developed to protect information gathered through the use of the technology.
- (b) A usage and privacy policy is developed that includes:
 - 1. The purposes for which using cellular communications interception technology and collecting information is authorized.
 - 2. Identification by job title or other designation of employees who are authorized to use or access information collected through the use of cellular communications interception technology.
 - 3. Training requirements necessary for those authorized employees.
 - 4. A description of how the Department will monitor the use of its cellular communications interception technology to ensure the accuracy of the information collected and compliance with all applicable laws.
 - 5. Process and time period system audits.
 - 6. Identification of the existence of any memorandum of understanding or other agreement with any other local agency or other party for the shared use of cellular communications interception technology or the sharing of information collected through its use, including the identity of signatory parties.

San Diego Harbor Police Department

Policy Manual

Investigation and Prosecution

7. The purpose of, process for and restrictions on the sharing of information gathered through the use of cellular communications interception technology with other local agencies and persons.
8. The length of time information gathered through the use of cellular communications interception technology will be retained, and the process the local agency will utilize to determine if and when to destroy retained information.

Members shall only use approved devices and usage shall be in compliance with department security procedures, the department's usage and privacy procedures and all applicable laws.

600.10 MODIFICATION OF CHARGES FILED

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a Captain or the Chief of Harbor Police. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

Personal Conduct Policy

340.1 PURPOSE AND SCOPE

This policy establishes standards of conduct that are consistent with the values and mission of the San Diego Harbor Police Department and are expected of all department members. The standards contained in this policy are not intended to be an exhaustive list of requirements and prohibitions but they do identify many of the important matters concerning conduct. In addition to the provisions of this policy, members are subject to all other provisions contained in this manual, as well as any additional guidance on conduct that may be disseminated by this department or a member's supervisors.

340.2 POLICY

The continued employment or appointment of every member of the San Diego Harbor Police Department shall be based on conduct that reasonably conforms to the guidelines set forth herein. Failure to meet the guidelines set forth in this policy, whether on- or off-duty, may be cause for disciplinary action.

340.3 DIRECTIVES AND ORDERS

Members shall comply with lawful directives and orders from any department supervisor or person in a position of authority, absent a reasonable and bona fide justification.

340.3.1 UNLAWFUL OR CONFLICTING ORDERS

Supervisors shall not knowingly issue orders or directives that, if carried out, would result in a violation of any law or department policy. Supervisors should not issue orders that conflict with any previous order without making reasonable clarification that the new order is intended to countermand the earlier order.

No member is required to obey any order that appears to be in direct conflict with any federal law, state law or local ordinance. Following a known unlawful order is not a defense and does not relieve the member from criminal or civil prosecution or administrative discipline. If the legality of an order is in doubt, the affected member shall ask the issuing supervisor to clarify the order or shall confer with a higher authority. The responsibility for refusal to obey rests with the member, who shall subsequently be required to justify the refusal.

Unless it would jeopardize the safety of any individual, members who are presented with a lawful order that is in conflict with a previous lawful order, department policy or other directive shall respectfully inform the issuing supervisor of the conflict. The issuing supervisor is responsible for either resolving the conflict or clarifying that the lawful order is intended to countermand the previous lawful order or directive, in which case the member is obliged to comply. Members who are compelled to follow a conflicting lawful order after having given the issuing supervisor the opportunity to correct the conflict, will not be held accountable for disobedience of the lawful order or directive that was initially issued.

San Diego Harbor Police Department

Policy Manual

Personal Conduct Policy

The person countermanding the original order shall notify, in writing, the person issuing the original order, indicating the action taken and the reason.

340.3.2 SUPERVISOR RESPONSIBILITIES

Supervisors and managers are required to follow all policies and procedures and may be subject to discipline for:

- (a) Failure to be reasonably aware of the performance of their subordinates or to provide appropriate guidance and control.
- (b) Failure to promptly and fully report any known misconduct of a member to his/her immediate supervisor or to document such misconduct appropriately or as required by policy.
- (c) Directing a subordinate to violate a policy or directive, acquiesce to such a violation, or are indifferent to any such violation by a subordinate.
- (d) The unequal or disparate exercise of authority on the part of a supervisor toward any member for malicious or other improper purpose.

340.4 GENERAL STANDARDS

Members shall conduct themselves, whether on- or off-duty, in accordance with the United States and California Constitutions and all applicable laws, ordinances and rules enacted or established pursuant to legal authority.

Members shall familiarize themselves with policies and procedures and are responsible for compliance with each. Members should seek clarification and guidance from supervisors in the event of any perceived ambiguity or uncertainty.

Discipline may be initiated for any good cause. It is not mandatory that a specific policy or rule violation be cited to sustain discipline. This policy is not intended to cover every possible type of misconduct.

340.4.1 WRITTEN REPRIMANDS

(a) An employee receiving a Letter of Reprimand may request within ten (10) calendar days of the date of receipt of the Letter of Reprimand an appeal to the Chief of Harbor Police. The hearing will be scheduled no later than fourteen (14) calendar days after the request for appeal, unless both sides agree to an extension. Upon request, the employee may have representation at the appeal hearing. The employee's representative may be any person of his or her choosing as long as the person was not involved in the underlying events. It is the responsibility of the employee to ensure the representative is able, in a timely manner, to attend the hearing. The employee shall submit the written request for an appeal hearing to the Office of the Chief of Harbor Police. The following procedure clarifies the roles and the protocol for the Written Reprimand Administrative Appeal Process Hearing.

1. The Hearing Officer for the Written Reprimand Appeal is responsible for conducting the hearing pursuant to the following guidelines:

- (a) Time Limit:

San Diego Harbor Police Department

Policy Manual

Personal Conduct Policy

1. It is necessary to stay within the four (4) hour time frame allotted for the appeal.

(b) Recording of Proceeding:

1. It is essential that the Hearing Officer record the hearing. The Hearing Officer must provide a copy of the tape and/or transcripts to the appealing party, if requested.

(c) Conduct of Hearing:

1. The Hearing Officer needs to recognize that he/she is in charge of the hearing.

d) Order:

1. The Hearing Officer should remember that he/she is the ranking officer and it is his/her responsibility to maintain order and to keep the atmosphere relaxed and non-adversarial. If necessary, the Hearing Officer can call for breaks during moments of tension.

(e) Impartiality/Fairness:

1. The Hearing Officer shall be a neutral party considering testimony and evidence from both parties.

(f) Burden of Proof:

1. The Department bears the burden of proof in sustaining the reprimand.

2. The Hearing Officer should begin the session with an introductory statement which includes:

(a) Purpose of the hearing with date and time

(b) Who is present and his/her title and/or role

(c) Location of hearing

(d) Statement that the proceedings are being tape recorded

The Hearing Officer shall request whether parties have entered any stipulations as to the issues to be resolved by the hearing.

3. The appealing officer shall be afforded the opportunity to be represented by a trained representative or an attorney at their own cost. The representative or attorney shall:

(a) Only provide argument, but not testimony

(b) Meet with the PSU Lieutenant, Sergeant, or proposing officer prior to submission of a witness list to identify any witnesses, stipulations, or issues to be considered at the hearing. This information may also be exchanged in writing.

The Harbor Police Department is not responsible to make available to appealing party any witnesses without five (5) business days advance notice. Unavailability of departmental witnesses shall constitute good cause for a continuance.

An attorney present for the Port District will generally be in attendance to ensure due process at the hearing and to assist the Hearing Officer as to the conduct of the hearing.

San Diego Harbor Police Department

Policy Manual

Personal Conduct Policy

4. The purpose of the hearing is to allow the appealing party to explain why he/she does not think the written reprimand is the appropriate level of discipline under the circumstances.
5. The Hearing Officer may examine the appealing party's personnel file to review additional information, regardless of whether the appealing party consents. However, if the personnel file is examined, the Hearing Officer must make the appealing party aware of the intent to examine the file and note any objections.
6. The Hearing Officer shall be afforded full access to internal investigation files bearing on the reprimand at the hearing for purposes of rendering a final decision. The appealing party may also submit written materials for consideration by the Hearing Officer, if desired.
7. At the hearing, each party may examine witnesses as necessary.
8. Prior to rendering a decision, the Hearing Officer may consult with the Port District's attorney.
9. The Hearing Officer may take the matter under submission prior to rendering a decision. A decision in the matter must be rendered within ten (10) calendar days following the hearing. The Hearing Officer may make a finding on either the factual basis of the case or the level of discipline associated with the case. The Hearing Officer has the discretion to modify or reduce the level of reprimand. The Hearing Officer may only uphold or reduce the level of reprimand. The Hearing Officer may not increase the level of discipline. A reprimand may be reduced to:
 - (a) A Counseling Notice;
 - (b) A Station File entry;
 - (c) A statement of disagreement with sustained argument

Firearms

312.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

312.2 POLICY

The San Diego Harbor Police Department will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

312.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Weapons Training Unit Supervisor. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the Department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Captain. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

312.3.1 HANDGUNS

The authorized department-issued handgun is the are the Glock Models 22, 23, and 35 for uniformed duty use. The Glock 27 subcompact is issued to plainclothes and administrative personnel. Any officer wishing to carry a personally owned firearm must have the firearm approved by the Weapons Training Unit and must complete any necessary transition training prior to doing so. Current firearms approved for use are as follows:

MAKE	MODEL	CALIBER
Beretta	92 models, 96 models, Cougar	.45 ACP, .40 S&W, 9mm
Colt	1911 commander or full size	.45, 9mm
Ed Brown	1911 full size, or 4-inch	.45, 9mm
Glock	17, 19, 21, 22, 23, 34, 35, 41	.45 ACP, .40 S&W, 9mm

Smith and Wesson	M&P Models, 3rd Gen TDA	.45 ACP, .40 S&W, 9mm
Springfield Armory	1911 models (barrel 4" or more) XD and XDm Models	.45 ACP, .40 S&W, 9mm

Any alternate firearm must have a minimal barrel length of 3.6 inches, and a trigger pull of at least 4.0 lbs. for single action pistols.

312.3.2 SHOTGUNS

The authorized department-issued patrol and less lethal shotguns are as follows:

MAKE	MODEL	CALIBER	Assignment
Remington / Scattergun Technologies Wilson Combat	870 "Profeessional"	12 Gauge	Patrol Shotgun
Remington	870 Marine Magnum	12 Gauge	Less Lethal Dedicated System

When not deployed, the shotgun shall be properly secured in a locking weapons rack in the patrol vehicle with the magazine loaded, the action closed on an empty chamber, the trigger pulled to release the hammer and the safety in the safe position.

312.3.3 PATROL RIFLES

The authorized department-issued patrol rifle is the Colt M-4 and Colt LE Carbine. Only the department issued patrol rifle will be used by sworn staff in the field.

Members may deploy the patrol rifle in any circumstance where the member can articulate a reasonable expectation that the rifle may be needed. Examples of some general guidelines for deploying the patrol rifle may include, but are not limited to:

- Situations where the member reasonably anticipates an armed encounter.
- When a member is faced with a situation that may require accurate and effective fire at long range.
- Situations where a member reasonably expects the need to meet or exceed a suspect's firepower.

Policy Manual

Firearms

- (d) When a member reasonably believes that there may be a need to fire on a barricaded person or a person with a hostage.
- (e) When a member reasonably believes that a suspect may be wearing body armor.
- (f) When authorized or requested by a supervisor.
- (g) When needed to euthanize an animal.

When not deployed, the patrol rifle shall be properly secured in a locking weapons rack in the patrol vehicle with the chamber empty, magazine loaded and inserted into the magazine well, the bolt forward with the dust cover closed. The trigger will not be pulled so the hammer remains cocked, and the selector lever will be in the safe position .

312.3.4 PERSONALLY OWNED DUTY FIREARMS

Members desiring to carry an authorized but personally owned duty firearm must receive written approval from the Weapons Training Unit Supervisor or the authorized designee. Once approved, personally owned duty firearms are subject to the following restrictions:

- (a) The firearm shall be in good working order and on the department list of approved firearms.
- (b) No weapons will be of a uncharacteristic color/finish. Generally weapons will only have a blued / stainless style finish.
- (c) The firearm shall be inspected by the Weapons Training Unit Supervisor prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (d) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.
- (e) Staff will complete any required training needed prior to carrying the weapon on duty.
- (f) Members shall provide written notice of the make, model, serial number and caliber of the firearm to the Weapons Training Unit Supervisor, who will maintain a list of the information.

312.3.5 AUTHORIZED SECONDARY / OFF-DUTY HANDGUN

Members desiring to carry department or personally owned secondary handguns are subject to the following restrictions:

- (a) The secondary handgun shall be in good working order and is subject to approval by Weapons Training Unit Staff.
- (b) No rimfire cartridges are allowed as backup / secondary / off duty weapons.
- (c) The purchase of the secondary handgun shall be the responsibility of the member unless the handgun is provided by the Department.
- (d) The member will only carry the department issued ammunition if the weapon is in the following calibers:

1. .40 S&W
2. .45 ACP

Policy Manual

Firearms

3. 9mm
 4. .38 Special / .357 Magnum
 5. .380 ACP
 6. If the weapon is not one of the above calibers, the member will need to get Weapons Training Unit approval for whatever modern hollowpoint ammunition they carry in the weapon.
- (e) The secondary handgun shall be carried in such a manner as to prevent unintentional cocking, discharge or loss of physical control, and generally be concealed.
- (f) The secondary handgun may be carried in such situations where this is appropriate (plainclothes, training, etc.). In such cases the secondary handgun shall be carried securely in a belt holster that prevents unintentional cocking, discharge, or loss of physical control.
- (g) The secondary handgun shall be inspected by the Weapons Training Unit Supervisor prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (h) Ammunition shall be the same as department issue. If the caliber of the secondary handgun is other than department issue, the Chief of Harbor Police or the authorized designee shall approve the ammunition.
- (i) Prior to carrying the secondary handgun, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the handgun functions properly.
- (j) Members shall provide written notice of the make, model, serial number and caliber of a secondary handgun to the Weapons Training Unit Supervisor, who will maintain a list of the information.

312.3.6 AUTHORIZED OFF-DUTY FIREARMS

The carrying of firearms by members while off-duty is permitted by the Chief of Harbor Police but may be rescinded should circumstances dictate (e.g., administrative leave). Members who choose to carry a firearm while off-duty, based on their authority as peace officers, will be required to meet the following guidelines:

- (a) The member may use his/her duty firearm or may use a personally owned firearm that is carried and inspected in accordance with the Personally Owned Duty Firearms requirements in this policy. A member carrying his/her duty firearm will be deemed to have complied with (d), (e) and (f) of this section.
1. The purchase of the personally owned firearm and ammunition shall be the responsibility of the member.
- (b) The firearm shall be carried in such a manner as to prevent accidental and / or unintentional cocking, discharge or loss of physical control and generally be concealed.
- (c) The secondary handgun may be carried " in such situations as appropriate (plainclothes, training, etc.). In such cases the weapon shall be carried securely in a belt holster that prevents unintentional cocking, discharge, or loss of physical control.

Policy Manual

Firearms

- (d) It will be the responsibility of the member to submit the firearm to the Weapons Training Unit Supervisor for inspection prior to being personally carried. Thereafter the firearm shall be subject to periodic inspection by the Weapons Training Unit Supervisor.
- (e) Prior to carrying any off-duty firearm, the member shall demonstrate to the Weapons Training Unit Supervisor that he/she is proficient in handling and firing the firearm and that it will be carried in a safe manner.
- (f) The member will successfully qualify with the firearm prior to it being carried.
- (g) Members shall provide written notice of the make, model, serial number and caliber of the firearm to the Weapons Training Unit Supervisor, who will maintain a list of the information.
- (h) Members shall only carry department-issued ammunition for weapons in the following calibers: .45 ACP, .40 S&W, 9mm, .38 Special/.357 Magnum, and .380 ACP. If the off-duty weapon is not from one of these above calibers, the officer must get permission from the WTU supervisor to determine the appropriate / approved ammunition.
- (i) When armed, officers shall carry their badges and San Diego Harbor Police Department identification cards under circumstances requiring possession of such identification

312.3.7 AMMUNITION

Members shall carry only department-issued ammunition unless as specified above (312.3.6(h)). Members shall be issued fresh duty ammunition in the specified quantity for all department-issued firearms during the member's firearms qualification. Replacements for unserviceable or depleted ammunition issued by the Department shall be dispensed by the Weapons Training Unit Supervisor when needed, in accordance with established policy.

Members carrying personally owned, authorized firearms of a caliber that is not issued by the Department shall be responsible for obtaining fresh duty ammunition in accordance with the above, at their own expense.

312.4 EQUIPMENT

Firearms carried on or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

312.4.1 REPAIRS OR MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Weapons Training Unit Supervisor.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Weapons Training Unit Supervisor.

Any repairs or modifications to the member's personally owned firearm shall be done at his/her expense and must be approved by the Weapons Training Unit Supervisor.

San Diego Harbor Police Department

Policy Manual

Firearms

312.4.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

312.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Weapons Training Unit Supervisor. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

312.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Weapons Training Unit Supervisor. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

312.5 SAFE HANDLING, INSPECTION AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Weapons Training Unit Supervisor. Members shall not dry fire or practice quick draws except when conducted in a safe manner with an unloaded weapon.
- (c) Members shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing can be done safely. Whenever possible a clearing barrel shall be used.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into the jail section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section.
- (f) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Weapons Training Unit Supervisor approved by the Department for inspection and repair. Any firearm deemed in need of repair or service

San Diego Harbor Police Department

Policy Manual

Firearms

by the Weapons Training Unit Supervisor will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

312.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Firearms may be safely stored in lockers or another approved location at the end of the shift.

Handguns may remain loaded if they are secured in an appropriate holster. Shotguns shall be left loaded in their assigned vehicles to be checked at the beginning of each shift. Rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate storage location..

312.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil and criminal liability (Penal Code § 25100).

312.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on or off-duty, who has consumed an amount of an alcoholic beverage that would cause impairment, or has taken any drugs or medication that would cause impairment, or who has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

312.6 FIREARMS TRAINING AND QUALIFICATIONS

In addition to any other training, all members will qualify at least annually with their duty firearms. Members will qualify with off-duty and secondary firearms at least once a year. Training and qualifications must be on an approved range course.

312.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.

San Diego Harbor Police Department

Policy Manual

Firearms

- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 - 1. Unauthorized range make-up
 - 2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

312.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to his/her supervisor immediately. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with his/her Captain or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, a written report shall be submitted or recorded statement provided no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

312.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, TASER® device, oleoresin capicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed or becomes impractical.

312.7.2 INJURED ANIMALS

With the approval of a supervisor, a member may euthanize an animal that is so badly injured that human compassion requires its removal from further suffering and where other dispositions are impractical (Penal Code § 597.1(e)).

Injured animals (with the exception of dogs and cats) may only be euthanized after a reasonable search to locate the owner has been made (Penal Code § 597.1(b)). Injured dogs and cats found

San Diego Harbor Police Department

Policy Manual

Firearms

without their owners shall be taken to an appropriate veterinarian for determination of whether they should be treated or humanely destroyed.

312.7.3 WARNING AND OTHER SHOTS

Generally, warning shots or shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective and reasonably safe.

312.8 WEAPONS TRAINING UNIT SUPERVISOR OR RANGEMASTER DUTIES

The range will be under the exclusive control of the Weapons Training Unit Supervisor. All members attending will follow the directions of the Weapons Training Unit Supervisor. The Weapons Training Unit Supervisor will maintain a roster of all members attending the range and will submit the roster to the Training Sergeant after each range date. Failure of any member to sign in and out with the Weapons Training Unit Supervisor may result in non-qualification.

The range shall remain operational and accessible to Department members during hours established by the Department.

The Weapons Training Unit Supervisor has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Weapons Training Unit Supervisor has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm and it will not be returned to service until inspected by the Weapons Training Unit Supervisor.

The Weapons Training Unit Supervisor has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Weapons Training Unit Supervisor shall complete and submit to the Training Sergeant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Weapons Training Unit Supervisor should keep accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Training Sergeant.

Conducted Energy Device

309.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of TASER devices.

309.2 POLICY

The TASER® device is intended to control a violent or potentially violent individual, while minimizing the risk of serious injury. The appropriate use of such a device should result in fewer serious injuries to officers and suspects.

309.3 ISSUANCE AND CARRYING TASER DEVICES

Only members who have successfully completed department-approved training may be issued and carry the TASER device.

TASER devices are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department's inventory.

Officers shall only use the TASER device and cartridges that have been issued by the Department. Uniformed officers who have been issued the TASER device shall wear the device in an approved holster on their person. Non-uniformed officers may secure the TASER device in the driver's compartment of their vehicle.

Members carrying the TASER device should perform a spark test on the unit prior to every shift.

Officers shall perform their daily operational checks in a safe and professional manner.

When carried while in uniform officers shall carry the TASER device in a holster on their duty belt on the side opposite the duty weapon. If carrying the Taser Device on a load bearing vest the Taser device shall be carried in an area of the vest that is not directly above the duty weapon.

- (a) All TASER devices shall be clearly and distinctly marked to differentiate them from the duty weapon and any other device.
- (b) officers shall carry two cartridges on their person when carrying the TASER device.
- (c) Officers shall be responsible for ensuring that their issued TASER device is properly maintained and in good working order.
- (d) Officers should not hold both a firearm and the TASER device at the same time.

309.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the TASER device should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.

San Diego Harbor Police Department

Policy Manual

Conducted Energy Device

- (b) Provide other officers and individuals with a warning that the TASER device may be deployed.

If, after a verbal warning, an individual is unwilling to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, display the electrical arc (provided that a cartridge has not been loaded into the device), or the laser in a further attempt to gain compliance prior to the application of the TASER device. This shall not constitute a use of force for reporting purposes. The aiming laser should never be intentionally directed into the eyes of another as it may permanently impair his/her vision.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the TASER device in the related report.

309.4.1 MULTIPLE APPLICATIONS OF THE DEVICE

If, after a single application of the TASER, an officer is still unable to gain compliance from an individual and circumstances allow, the officer should consider whether or not the probes or darts are making proper contact, or if the use of the TASER is limiting the ability of the individual to comply, or if other options or tactics may be more appropriate. This, however, shall not preclude any officer from multiple, reasonable applications of the TASER on an individual.

309.4.2 TARGETING CONSIDERATIONS

While manufacturers generally recommend that reasonable efforts should be made to target lower center mass and to avoid intentionally targeting the head, neck, chest and groin, it is recognized that the dynamics of each situation and officer safety may not permit the officer to limit the application of the TASER darts to a precise target area. As such, officers should take prompt and ongoing care to monitor the condition of the subject if one or more darts strikes the head, neck, chest or groin until he/she is released to the care of paramedics or other medical personnel.

309.4.3 EVIDENCE COLLECTION

The following evidence should be collected when the TASER has been used operationally:

- (a) Photographs of the affected area should be taken after the dart or darts are removed.
- (b) The officer will collect the air cartridge, wire leads, darts, and AFIDS.

309.4.4 REPORT OF USE

All TASER discharges shall be documented in the related arrest/crime report or ARJIS-9, and notification made to a supervisor in compliance with Policy § 300.4.1. Any report documenting the discharge of a TASER cartridge will include the cartridge serial number and an explanation of the circumstances surrounding the discharge.

Photographs of probe sites should be taken, Anti-Felon Identification (AFID) tags should be collected and the expended cartridge along with both probes and wire should be submitted by the officer collecting the cartridge into evidence for future reference. The cartridge serial number

San Diego Harbor Police Department
Policy Manual

Conducted Energy Device

should be noted and documented on the evidence paperwork. The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

309.5 USE OF THE TASER DEVICE

The Taser device has limitations and restrictions requiring consideration before its use. The Taser device should only be used when its operator can safely approach the subject within the operational range of the device. Although the Taser device is generally effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

Absent extenuating circumstances or unavailability, only qualified personnel, including certified paramedics, should carefully remove TASER darts from a person's body. Used TASER darts shall be considered a sharp biohazard, similar to a used hypodermic needle. Universal precautions should be taken accordingly.

All persons who have been struck by TASER darts or who have been subjected to the electric discharge of the device shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The TASER darts are lodged in a sensitive area (e.g., groin, female breast, near the eyes).
- (e) The person requests medical treatment.

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called excited delirium) or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death and should be examined by qualified medical personnel as soon as practicable. Any individual exhibiting signs of distress after such an encounter shall be medically cleared prior to booking.

If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports.

If an audio recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person receiving custody or any person placed in a position of providing care that the individual has been subjected to the application of the TASER.

San Diego Harbor Police Department

309.5.1 APPLICATION OF THE TASER DEVICE

The TASER device may be used in any of the following circumstances, when the circumstances perceived by the officer at the time indicate that such application is reasonably necessary to control a person:

- (a) The subject is violent or presents an immediate threat.
- (b) The subject has demonstrated, by words or action, an intention to be violent or to actively resist, and reasonably appears to present the potential to harm officers, him/herself or others.

Mere flight from a pursuing officer, without other known circumstances or factors, is not good cause for the use of the TASER device to apprehend an individual.

309.6 DOCUMENTATION

Officers shall document all TASER device discharges in the related arrest/crime report. Notification shall also be made to a supervisor in compliance with the Use of Force Policy.

309.7 QUESTIONING OF SUSPECTS AFTER USE OF THE TASER DEVICE

- (a) It is suggested that officers allow a suspect sufficient time to recover from the TASER™ deployment before attempting to Mirandize and question the suspect. The burden to show that a waiver of 5th Amendment rights was knowing and voluntary rests with law enforcement/prosecution. Thus, unless there is some articulable necessity to start questioning the subject, officers should consider waiting 60 minutes before questioning to ensure subject has regained his or her normal cognitive function. That the subject has regained normal cognitive function may be shown by other observable facts. This may not be possible if case involves an under the influence prosecution.
- (b) Officers should document the time between the TASER™ deployment and the reading of Miranda. As always, documentation should indicate whether the TASER™ was used in the drive-stun or probe mode.

Control Devices and Techniques

308.1 PURPOSE AND SCOPE

To reduce and minimize altercation-related injuries to officers and suspects, the Department authorizes the use of selected control devices. Certain control devices are provided in order to control violent or potentially violent suspects. It is anticipated that the use of these devices will generally result in fewer altercation-related injuries to officers and suspects. The below procedures are for the use and maintenance of control devices (e.g., baton, oleoresin capsicum (OC) spray and tear gas). Only those control devices that have been approved by the Chief of Harbor Police or his/her designee are authorized to be carried by members of this department.

308.1.1 WHEN DEVICES MAY BE USED

When a decision has been made to restrain or arrest a violent or threatening suspect, an approved control device may only be used when its use appears reasonable under the circumstances.

308.1.2 TRAINING FOR CONTROL DEVICES

(a) Only officers trained and having shown adequate proficiency in the use of any control device and this agency's Use of Force policy are authorized to carry the device. Proficiency training must be monitored and documented by a certified weapons or tactics instructor.

(b) All training and proficiency for control devices will be documented in the officer's training file.

(c) Officers failing to demonstrate proficiency with the weapon or knowledge of this agency's Use of Force policy will be provided remedial training. If, after two additional attempts, an officer still cannot demonstrate proficiency with a weapon or knowledge of this agency's Use of Force policy, the officer may be subject to discipline.

308.2 POLICY

Impact weapons are those devices used primarily for striking and are used secondarily for control hold techniques. Control devices (OPN) are used primarily for control hold techniques and secondarily for striking.

The baton is authorized for use when, based upon the circumstances perceived by the officer, such force reasonably appears justified and necessary to result in the safe control of the suspect.

The need to immediately incapacitate the suspect must be weighed against the risk of causing serious injury. The seriousness of the threat and the officers belief that he/she cannot overcome the resistance or assault, or gain compliance of the suspect by use of lesser force options must also be taken into consideration.

Generally, the head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted except when the officer reasonably believes the suspect may cause serious bodily injury or death to the officer or others. Each tactical situation must be evaluated on the totality of circumstances at the time of deployment.

San Diego Harbor Police Department

Policy Manual

Control Devices and Techniques

Striking a prisoner who is handcuffed or restrained is generally prohibited.

Generally, first aid for a person against whom an impact weapon force option has been used, is the responsibility of the officer using the impact weapon.

308.2.1 AUTHORIZED IMPACT WEAPONS

Sworn personnel will carry only the type of impact weapon for which they have received training. Officers shall carry their impact weapon while in the field on uniformed patrol. The following impact weapons are approved for use by Harbor Police personnel.

(a) Fixed rigid side handle baton (b) Fixed rigid straight baton (c) Expandable batons (straight or side handle) (d) Orcutt Police Nunchaku (OPN)

308.2.2 FLASHLIGHTS

The primary purpose of a flashlight is illumination. Sworn personnel may encounter threats from persons while holding their flashlight. If an officer is attacked while holding a flashlight, the flashlight can be used as an impact weapon within the scope of this policy (also see SOP 300).

308.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Harbor Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

308.4 RESPONSIBILITIES

Only authorized personnel may possess and maintain department issued oleoresin capicum spray. Chemical agents are weapons used to minimize the potential for injury to officers, offenders, or other persons. They should be used only in situations where such force reasonably appears justified and necessary.

Oleoresin capicum spray may be used on handcuffed prisoners where the prisoner has become violent and is likely to cause injury to him/herself or others, or cause damage to property.

308.4.1 WATCH COMMANDER RESPONSIBILITIES

All personnel authorized to carry oleoresin capicum spray, shall complete the required course of instruction prior to possessing and using the oleoresin capicum spray.

San Diego Harbor Police Department

Policy Manual

Control Devices and Techniques

308.4.2 RANGEMASTER RESPONSIBILITIES

Uniformed field personnel, regardless of rank, shall carry the issued oleoresin capsicum device in its holster on the equipment belt. Plainclothes and non-field personnel may carry the oleoresin capsicum spray as authorized, consistent with the needs of their assignment or at the direction of their supervisor.

Canisters involved in any type of malfunction or damage shall be turned in to the Supply Clerk for exchange.

308.4.3 USER RESPONSIBILITIES

Pepper projectiles are plastic spheres that are filled with a derivative of oleoresin capsicum (OC) powder. A compressed gas launcher delivers the projectiles with enough force to burst the projectiles on impact, releasing the OC powder. The potential exists for the projectiles to inflict injury if they strike the head, neck, spine or groin. Therefore, personnel deploying a pepper projectile system should not intentionally target those areas, except when the officer reasonably believes the individual may cause serious bodily injury or death to the officer or others. The use of a pepper projectile system is subject to the following requirements:

(a) Officers encountering a situation that requires the use of a pepper projectile system shall notify a supervisor as soon as practicable. A supervisor shall respond to all pepper projectile system deployments where the suspect has been hit. The supervisor shall ensure that all notifications and reports are completed as required by the Use of Force Policy.

(b) Only personnel certified as having completed department-approved training on the use of pepper projectile systems shall be allowed to deploy and use pepper projectile systems.

(c) Each deployment of a pepper projectile system shall be documented. This includes situations where the launcher was directed toward the suspect, whether or not the launcher was used. Accidental discharges shall be promptly reported to a supervisor and documented on the appropriate report form. Only non-incident deployments, such as training and product demonstrations, are exempt from the reporting requirement.

308.4.4 TREATMENT FOR OC SPRAY EXPOSURE

Generally, it is the responsibility of the arresting officer to ensure proper first aid is administered to a person with whom a chemical agent was used. First aid consists of exposure to fresh air as soon as possible, followed by a cold water flush within 30 minutes of application.

If an officer applies a chemical agent to a prisoner while enroute to a designated detention facility, it is the responsibility of the officer to inform detention facility staff to ensure first aid is provided.

Those persons who complain of further severe effects shall be afforded a medical examination by competent medical personnel.

308.4.5 REPORT OF USE

All uses of chemical agents shall be documented in the related arrest/crime report.

San Diego Harbor Police Department

Policy Manual

Control Devices and Techniques

308.5 BATON GUIDELINES

This department is committed to reducing the potential for violent confrontations when suspects are encountered. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury.

308.5.1 DEPLOYMENT GUIDELINES

Approved munitions are justified and may be used to compel an individual to cease his or her actions when such munitions present a reasonable option for resolving the situation at hand.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer(s) determine that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons, and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

(a) Deploying Less Lethal:

1. The deployment and use of less lethal force will be at the discretion of the officer in charge at the scene.
2. Officers deploying less lethal will ensure that other officers on-scene in the field are aware that a less lethal option is available. Dispatch shall also be notified.
3. Officer deploying less lethal munitions will have a cover officer with lethal force as backup.
4. When firing less lethal munitions, the deploying officer shall communicate to others that less lethal is being deployed to prevent contagious or sympathetic fire.
5. After firing less lethal munitions, and only after gaining compliance and submission to authority of the target subject, the take down team will affect the arrest.

308.5.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider the following factors:

- (a) Severity of the crime or incident
- (b) Subject's capability to pose an imminent threat to the safety of officers or others
- (c) If the subject is actively resisting arrest or attempting to evade arrest by flight
- (d) The credibility of the subject's threat as evaluated by the officers present, and physical capacity/capability
- (e) The proximity of weapons available to the subject
- (f) The officer's versus the subject's physical factors (e.g., age, size, relative strength, skill level, injury/exhaustion, the number of officer(s) versus subject(s)).
- (g) The availability of other force options and their possible effectiveness
- (h) Distance and angle to target
- (i) Type of munitions employed

San Diego Harbor Police Department

Policy Manual

Control Devices and Techniques

(j) Type and thickness of subject's clothing

(k) The subject's actions dictate the need for an immediate response and the use of control devices appears appropriate

308.5.3 DEPLOYMENT DISTANCES

The recommended optimum distance for deployment is 5 to 20 yards. However, it is recognized that based on a subject's actions as perceived by the officer at the time of deployment, the use of less lethal munitions at distances of less than 5 yards may be deemed an appropriate use of force.

Under these circumstances, the head, neck, throat, chest, spleen, liver and kidney areas should not be targeted. An exception would be if the only force option available at the time of deployment appears to be the use of deadly force. Each tactical situation must be evaluated on the totality of circumstances at the time of deployment.

308.5.4 SHOT PLACEMENT

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted when deadly force is not reasonably justified.

Officers should generally follow the manufacturer's recommendations regarding minimum deployment distances and target areas; however, any target area or distance may be considered when it reasonably appears necessary to accomplish immediate incapacitation in order to prevent serious injury or death and other reasonable methods have failed or reasonably appear ineffective.

308.5.5 APPROVED MUNITIONS

Only department approved kinetic energy munitions shall be carried and deployed.

308.5.6 PATROL READY PREPARATION

Kinetic energy projectiles are approved by the Department and are fired from Remington 870 12 gauge shotguns. The less lethal shotgun shall be carried with five (5) department issued, less lethal rounds. No other ammunition may be loaded into these weapons.

Personnel will inspect this shotgun at the beginning of each shift to ensure that it is in proper working order and loaded with approved projectiles only.

The specially marked shotgun will normally be carried in the trunk of each unit.

308.5.7 TRAINING REQUIRED FOR USE

Personnel who have successfully completed an approved departmental training course shall be authorized to use kinetic energy projectiles. Officers deploying kinetic energy projectiles will complete an annual recertification course.

308.6 TEAR GAS GUIDELINES

San Diego Harbor Police Department

Policy Manual

Control Devices and Techniques

308.6.1 WATCH COMMANDER RESPONSIBILITIES

The Watch Commander shall monitor the use of control devices in the same manner as all other use of force incidents.

(a) The Watch Commander may authorize the use of a control device by selected personnel or members of specialized units provided the person(s) authorized has/have the required training. The request for a control device should be made through the Watch Commander.

(b) The Watch Commander shall review each use of control devices by any personnel within his or her command.

(c) The department shall ensure training on the use of control devices is provided as needed.

308.6.2 MAINTENANCE RESPONSIBILITIES

A Weapons Training Unit (WTU) representative shall control the inventory and maintenance of all less lethal weapons.

All damaged and/or inoperative less lethal weapons shall be returned to a WTU representative for repair.

308.6.3 MAINTENANCE RESPONSIBILITY

With the exception of less lethal weapons (as detailed in section 308.6.2), all normal maintenance, charging or cleaning of any control device shall remain the responsibility of trained personnel using the various devices.

308.7 OLEORESIN CAPSICUM (OC) GUIDELINES

308.7.1 OC SPRAY

The Watch Commander shall monitor the use of control devices in the same manner as all other use of force incidents.

308.8 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should provide the owners or available occupants with notice of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned. Such notice should include advisement that clean up will be at the owner's expense. Information regarding the method of notice and the individuals notified should be included in related reports.

308.9 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Deadly Force Review

302.1 PURPOSE AND SCOPE

This policy establishes a process for the San Diego Harbor Police Department to review the use of force by its employees. This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly force.

302.2 POLICY

The San Diego Harbor Police Department is charged with the important responsibility of objectively evaluating the use of deadly force. It is the policy of this department to conduct an internal administrative review when the use of deadly force by an employee results in injury or death to a person. The administrative review will also be employed to investigate the circumstances surrounding every accidental or intentional discharge of a firearm, whether the employee is on or off duty, excluding range training or recreational use. The Chief of Harbor Police may order an administrative review to investigate the circumstances surrounding any use of force incident. All use of deadly force incidents may also be investigated or reviewed by the member city's Officer Involved Shooting team and the District Attorney's Office.

302.2.1 RESPONSIBILITIES OF THE PROFESSIONAL STANDARDS UNIT

The Harbor Police Professional Standards Unit is empowered to conduct an administrative investigation into the circumstances of an incident. The Professional Standards Unit may request further investigation and call persons to present information. Involved employees will be notified of the review and may be represented by legal counsel and/or other representation through all phases of the review process. If it appears that the actions of the employee(s) may result in criminal charges or disciplinary action by the Department, the Professional Standards Unit will conduct the interviews in accordance with Department disciplinary procedures. Upon conclusion of the administrative review, the Professional Standards Unit will determine one of the following findings:

(a) The employee's actions were within department policy and procedures. (b) The employee's actions were in violation of department policy and procedure

The Professional Standards Unit will submit the written findings of the administrative review to the Chief of Harbor Police. After review by the Chief of Harbor Police, a copy of the findings will be forwarded to the involved employee's Captain for review and appropriate action.

At the conclusion of the review process, a copy of all relevant reports and information will be filed with the Chief of Harbor Police.

Once the Professional Standards Unit has reached its specific finding, the Training Sergeant may review the finding for the purpose of addressing training needs. No specific reference will be made to the incident.

San Diego Harbor Police Department

Policy Manual

Deadly Force Review

302.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or use of force in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Harbor Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable use of force. While there is no way to specify the exact amount or type of reasonable force to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial and reasonable manner.

300.1.1 PHILOSOPHY

The use of force by law enforcement personnel is a matter of critical concern both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied human encounters and when warranted, may use force in carrying out their duties. The use of force will only be utilized to effect lawful objectives in accordance with the circumstances authorized by law and the procedure of this and all other related Department Instructions.

Officers must have an understanding of, and true appreciation for, the limitations of their authority. This is especially true with respect to officers overcoming resistance while engaged in the performance of their duties. When the use of force has been determined to be necessary, only that force which is reasonable may be used to bring an incident under control.

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. It is also understood that vesting officers with the authority to use reasonable force and protect the public welfare requires a careful balancing of all human interests. Any use of force which is unreasonable or excessive is prohibited and shall not be tolerated.

300.1.2 DEFINITIONS

Definitions related to this policy include:

Deadly force - Force reasonably anticipated and intended to create a substantial likelihood of causing death or very serious injury.

Force - The application of physical techniques or tactics, chemical agents or weapons to another person. It is not a use of force when a person allows him/herself to be searched, escorted, handcuffed or restrained.

300.2 POLICY

The use of force by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

San Diego Harbor Police Department

Policy Manual

Use of Force

The Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to use reasonable force and to protect the public welfare requires monitoring, evaluation and a careful balancing of all interests.

300.2.1 DUTY TO INTERCEDE

Any officer present and observing another officer using force that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intercede to prevent the use of unreasonable force. An officer who observes another employee use force that exceeds the degree of force permitted by law should promptly report these observations to a supervisor.

300.2.2 FACTORS TO DETERMINE THE REASONABLENESS OF FORCE

When determining whether or not to apply any level of force and evaluating whether an officer has used reasonable force, a number of factors should be taken into consideration. These factors include, but are not limited to:

- (a) The conduct of the individual being confronted (as reasonably perceived by the officer at the time).
- (b) Officer/subject factors (age, size, relative strength, skill level, injury/exhaustion and number of officers vs. subjects).
- (c) Influence of drugs/alcohol (mental capacity).
- (d) Proximity of weapons.
- (e) The degree to which the subject has been effectively restrained and his/her ability to resist despite being restrained.
- (f) Time and circumstances permitting, the availability of other options (what resources are reasonably available to the officer under the circumstances).
- (g) Seriousness of the suspected offense or reason for contact with the individual.
- (h) Training and experience of the officer.
- (i) Potential for injury to citizens, officers and suspects.
- (j) Risk of escape.
- (k) Other exigent circumstances.

It is recognized that officers are expected to make split-second decisions and that the amount of an officer's time available to evaluate and respond to changing circumstances may impact his/her decision.

While various degrees of force exist, each officer is expected to use only that degree of force reasonable under the circumstances to successfully accomplish the legitimate law enforcement purpose in accordance with this policy.

San Diego Harbor Police Department

Policy Manual

Use of Force

It is recognized however, that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the standard tools, weapons or methods provided by the Department. Officers may find it more effective or practical to improvise their response to rapidly unfolding conditions they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be objectively reasonable and utilized only to the degree reasonably necessary to accomplish a legitimate law enforcement purpose.

300.2.3 NON-DEADLY FORCE APPLICATIONS

Any application of force that is not reasonably anticipated and intended to create a substantial likelihood of death or very serious injury shall be considered non-deadly force. Each officer is provided with equipment, training and skills to assist in the apprehension and control of suspects as well as protection of officers and the public. Non-deadly force applications may include but are not limited to leg restraints, control devices, kinetic energy projectiles, and TASER described in Policy Manual §§ 306, 308 and 309 respectively.

300.2.4 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be very effective in controlling a passive or actively resisting individual. The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.2.5 CAROTID RESTRAINT

The carotid restraint is classified as a type of controlling force and the officer's intent in using it should be to control the person. It may be used as a last step before the application of injuring force. Violent, mentally ill persons and/or drug users may not feel pain and injuring force may not be effective. Therefore, the carotid restraint may be the last step before the use of deadly force. The proper application of the carotid restraint hold by a trained officer may be effective in quickly restraining a violent individual; however, due to the potential for injury, the carotid restraint hold may only be applied under the following conditions:

- (a) The officer shall have received departmentally approved training in the use and application of the carotid restraint.
- (b) The carotid restraint may only be used when the officer reasonably believes that such a hold appears necessary to stop a physical attack on an officer or other person(s).
- (c) Any individual who has been rendered unconscious by the use of the carotid restraint shall be promptly examined by paramedics or other qualified medical personnel.
- (d) The officer shall inform any person receiving custody, or any person placed in a position of providing care, that the individual has been subjected to the carotid restraint hold and whether the subject lost consciousness as a result. Also, officers will request a written notation on the facility intake log and record the notification, including the name of reception staff member advised, in the report on the use of force.

San Diego Harbor Police Department

Policy Manual

Use of Force

- (e) Any officer applying the carotid restraint shall promptly notify a supervisor of the use or attempted use of such hold.
- (f) The use or attempted use of the carotid restraint shall be thoroughly documented by the officer in any related reports.

Transportation in Harbor Police Vehicles of Persons After the Application of the Carotid Restraint:

- In all incidents, the person will be kept under constant observation by an officer for 20 minutes prior to being transported.
- The transporting officer will constantly keep the subject under observation while in Harbor Police custody.

300.3 USE OF FORCE

Officers shall use only that amount of force that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of force will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of force in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons or methods provided by the Department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable force.

300.3.1 USE OF FORCE TO SEIZE EVIDENCE

In general, officers may use reasonable force to lawfully seize evidence and to prevent the destruction of evidence. However, officers are discouraged from using force solely to prevent a person from swallowing evidence or contraband. In such an instance when force is used to prevent a person from swallowing evidence or contraband, officers should not intentionally use any technique that restricts blood flow to the head, restricts respiration or which creates a reasonable likelihood that blood flow to the head or respiration would be restricted.

San Diego Harbor Police Department

Policy Manual

Use of Force

Officers are encouraged to use techniques and methods taught by the San Diego Harbor Police Department for this specific purpose.

300.4 DEADLY FORCE APPLICATIONS

Use of deadly force is justified in the following circumstances:

- (a) An officer may use deadly force to protect him/herself or others from what he/she reasonably believes would be an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the person has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the subject is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes any of the following:

- 1. The person has a weapon or is attempting to access one and it is reasonable to believe the person intends to use it against the officer or another.
- 2. The person is capable of causing serious bodily injury or death without a weapon and it is reasonable to believe the person intends to do so.

300.4.1 NOTIFICATION TO SUPERVISORS

Supervisory notification shall be made as soon as practical following the application of physical force, under any of the following circumstances:

- (a) The application of force appears to have caused physical injury
- (b) The individual has expressed a complaint of pain
- (c) The individual has been rendered unconscious

300.5 SHOOTING AT OR FROM MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective. Officers should move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.6 SUPERVISOR RESPONSIBILITY

When a supervisor is able to respond to an incident in which there has been a reported application of force, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officer(s). Absent an allegation of misconduct or excessive force, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) Document any statements by the subject related to the use of force.
- (d) Once any initial medical assessment or first aid has been completed, ensure that photographs have been taken of any areas involving visible injury or complaint of pain as well as overall photographs of uninjured areas. These photographs should also be retained until all potential civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.

In the event that the supervisor believes that the incident may give rise to potential civil litigation, a separate potential claim form should be completed and routed to appropriate channels.

Should the supervisor determine that any application of force was not within policy, a separate internal administrative investigation shall be initiated.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported application of force, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.6.1 REPORTING TO CALIFORNIA DEPARTMENT OF JUSTICE

The Records Supervisor or the authorized designee shall ensure that data required by the Department of Justice (DOJ) regarding all officer-involved shootings and incidents involving use of force resulting in serious bodily injury is collected and forwarded to the DOJ as required by Government Code § 12525.2.

300.7 MEDICAL CONSIDERATION

Prior to booking or release, medical assistance shall be obtained for any person who exhibits signs of physical distress, who has sustained visible injury, expresses a complaint of injury or continuing pain, or who was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until he/she can be medically assessed.

Based upon the officer's initial assessment of the nature and extent of the subject's injuries, medical assistance may consist of examination by fire personnel, paramedics, hospital staff or medical staff at the jail. If any such individual refuses medical attention, such a refusal shall be

fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any use of force is informed that the person was subjected to force. This notification shall include a description of the force used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Persons who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics and imperviousness to pain (sometimes called "excited delirium"), or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away if appropriate.

300.8 TRAINING

Officers will receive periodic training on this policy and demonstrate their knowledge and understanding.

300.9 REPORTING THE USE OF FORCE

Any use of physical force by a member of this department shall be documented promptly, completely, and accurately in an appropriate report depending on the nature of the incident.

For reporting purposes, the following are considered use of force:

- (a) Use of any pain compliance techniques
- (b) Use of a firearm, including less lethal
- (c) Use of the baton, police nunchakus (O.P.N.), or other impact weapons where the suspect has been struck
- (d) Use of any type of chemical agent
- (e) Use of the carotid restraint
- (f) Any physical force resulting in injury to the officer or suspect, or where medical attention is required as a result of its use
- (g) Use of maximum restraint with the cordcuff
- (h) Use of any weaponless technique
- (i) Use of force when restraining a subject while conducting a lawfully authorized forced blood draw.

300.9.1 REPORTING EXCEPTIONS

The Following are exceptions to the reporting the use of force.

- The use of a firm grip to control only, which does not result in injury or the appearance of injury (e.g., the use of a grip to control the suspect's hands while searching or handcuffing).
- That force needed to overcome the passive resistance due to physical disability or intoxication which does not result in injury or the appearance of injury (e.g., lifting an intoxicated person to a standing position).
- An incident investigated by a departmentally authorized investigator(s) in which the officer's oral statement is taken and a report is prepared by the department investigators (e.g., an officer involved shooting investigation).
- An officer pointing his weapon at a suspect is considered a "show" of force, but is not considered a use of force. Any incident where an officer points their weapon at a subject will be documented in their report narrative, or in an officers report if there is no other report generated from the incident.

300.9.2 USE OF FORCE REPORTING FORMAT

When documenting a use of force in a NetRMS Report, officers will use the department-specified format.

300.10 USE OF FORCE ANALYSIS

At least annually, the Patrol Captain should prepare an analysis report on use of force incidents. The report should be submitted to the Chief of Harbor Police. The report should not contain the names of officers, suspects or case numbers, and should include:

- (a) The identification of any trends in the use of force by members.
- (b) Training needs recommendations.
- (c) Equipment needs recommendations.
- (d) Policy revision recommendations.
